2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The*

48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling

connections with the people they love.

The Girl Factor: A Survival Guide for the Frustrated [christian] Guy - Guy Wise

2019-03-06

Here's a topic a guy can't ignore... GIRLS! The fact they exist, that they're everywhere, that we can't seem to get enough of them! Perhaps you're one of those good-looking, smooth guys who attract babes like steel to magnets! Then again, maybe you're more like me... You're being taunted by heavenly bodies from all directions. Friends talk about sex like they know all about it. You dream of getting married one day, even having kids. (And if you're a Christian, you're trying to honour God at the same time.) But - here it is - your prospects in this department just don't seem to sync with your desires!! --- This book is one of a kind. It's not written for teachers, parents or youth workers... it's written for dudes like you. It's also not written by some happily-long-since-married stuffy old pastor or

some super-spiritual bloke who's engaged to the perfect woman... I'm 23 years old. I can't say I even know what it's like to date a girl! But I've found hope!! --- Explore with me some of the life-changing truths I've discovered with a little help from above. Let's talk, laugh and be serious about why we're so physically attracted to the opposite sex, what intimacy really is, how to survive temptations, how to approach dating, how to stay intact through painful heartbreaks, and how best to be prepared for the perfect woman... AND GET READY TO MEET THE LOVE OF YOUR LIFE! -- "It really spoke to me... It's really encouraging, uplifting, helpful in so many ways and the contents are spot on! AMAZING!" Sam, 22 -- "I haven't seen anything before which tackles the issues in a way which is relatable to young men... the perspective [The Girl Factor] offers is very unique, challenging and helpful. It will speak into loads of lives." Matt, 17
