My Father's Business - R.A. Feller 2004-09-08

We lose our peace when love and truth become separated, no light for direction leaves us in the dark as we lack understanding or are trapped in misconceptions about God, where we're found to grope about in uncertainties; when chaos rules our thoughts we make poor choices. It is good to take time out to get a fresh perspective on life, to know what you believe and why. Step into My Father's Business, a book about building a healthy attitude in a relationship with God first, for the pattern of all else to fall into place. My Love calls me into the garden, Where I meet with His tender embrace. We touch hearts in safety, No corruption here an open heart towards truth as we meet in prayer amongst life's flowers and thorns. Through observation, shared experience, and practical application to direct you to partake of the most meaningful journey that turns into life itself, you'll meet with the atmosphere of God's loving reality and learn that He is alive. As Jesus said to let down the net for a catch, I've pulled back it in to find it packed with eternal truths. Within these pages a miracle awaits, only obtainable by grace.

Building Your House on the Lord - Steve Brestin 2014-02-05

Living on Solid Ground Most couples struggle at some point in their relationship with hard questions of marriage and family life, such as, what is God's primary purpose for marriage? What does it mean for a man to be the head of a home? Is divorce ever acceptable? How do we raise children who will love God? What does God have to say about the way we communicate, or about sexual intimacy? Authors Steve and Dee Brestin have wrestled with these questions in their own marriage and have found that God's Word is the only reliable blue-print for marriage and family life. This study will guide you through the encouragement that the Bible gives for those relationships. Jesus told us the storms will come and batter our homes, but if we obey him, our house will stand firm.

Mending Broken Relationships, Building Strong Ones - John Boucher 2015-08-01

We all struggle with relationships that are broken in some way. In this book, authors John and Therese Boucher show us eight ways to love like Jesus—through intercessory prayer, respect, forgiveness, gratitude, affirmation, forbearance, honesty, and a healing presence. These are gifts that are given to us through the power of the Holy Spirit. Like seeds that are placed in the earth, these virtues and gifts can grow with prayer, mutual support, and practice, and become the paths to strong and fulfilling relationships. Each chapter focuses on a different path to love. Many real-life stories, including those from the saints, help readers to connect these virtues and gifts to their own lives.

Family Under Construction - Walter Hallam 1999

Knowledge is power -- when taken from the wisdom of God's Word. Walter Hallam puts this power into the hands of his readers so they can understand how successful families are built and maintained. As these principles are applied to family relationships, the church will see God transform the ordinary into the extraordinary Building on Pastor Hallam's personal experiences and years of teaching, the pages of this book explore what it means to put Jesus in the midst of the family. Readers will discover the value of learning to yield to God's plan, not with false spirituality or partial obedience, but in complete surrender. They'll learn the principles of raising a family in the fear of the Lord and by the power of the Holy Spirit. And finally, they'll be shown the importance of listening for the timing of God -- even when it defies all odds. This blueprint to marriage and parenting is a necessity for building strong, successful families whose example will influence generations to come.

Fathers and Sons (eBook) - Angus Buchan 2015-03-02

Next to God, a family is the most important relationship a person can possibly have in this life. The Lord never designed us to be on our own. We need each other, just like iron sharpens iron, just like coal needs fire in order to burn brightly. FATHERS AND SONS is a call to fathers to guard their relationship with their sons, and for sons to treasure their relationship with their father - with passion and purpose. Some of the themes Angus Buchan discusses in FATHERS AND SONS includes: Dad's affirmation, role models, grace and respect, humility versus pride, sacrifice, what constitutes a father and tough love. FATHERS AND SONS will encourage every father to be the father that God wants him to be and reveals the incredible impact it will have on his children.

Rough Cut Men - David Dusek 2015-03-18

In the movie industry, the rough cut is defined as the raw, first edition of a movie, which provides an idea of what the finished product will look like, giving indications of where it has problems and where it excels. Much like a rough cut movie, Rough Cut Men are not the "finished product". We are a work in progress. Philippians 1:6 reads: "being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." Men today have hundreds of acquaintances, but most have no real friends. Men are isolated and struggling alone. And while the Bible says we are to "Pity the man who falls and has no one to help him up." (Ecc. 4:10), most guys go into the battles of life with no covering fire. Every man needs a battle buddy. Rough Cut Men utilizes a strategic blend of "guy" movie scenes, real world tales of men, Biblical Truth and even throws in some of the author's personal testimony to accomplish one focused mission: To get men talking to each other about what's really going on in their lives. Each chapter contains hard-hitting questions designed to drive men deeper in their walk with other men and with Christ. Rough Cut Men is real, raw and authentic. And it will equip you for the battle.

Building Relationships - George Vincent Amagnoh 2021-08-10

Building Relationships: A Christian Perspective on Social Coexistence discusses the subject of creating and practicing social relational values, helping to bring greater meaning to our relationships in this socially and culturally diverse world. It emphasizes the home and the immediate family, where the individual's social life journey begins as God intended. A strong and safe society depends on the strength and character of individual families, just as the strength of the family relies on the character of its leaders, the parents. Every parent has an important role to play in building a strong family, grounded in a worthy relationship with God and others within the family. The family is the fundamental building block of the community and the church, and the church needs strong families when doing battle with the forces of darkness. Crafted as a learning tool for environments with diverse cultures and people, this study serves as a social-relational guide for parents and families around the world, highlighting the value in building social, multicultural relationships in the home, family, and beyond.

Building Blocks for Relationships - Gaspar Garcia 2008-12-17

"Building Blocks for Relationships" is a study on how to foster relationships through reliance on "Bible Scripture" and exploration of the core values Jesus used to build relationships with others during his time on earth. Gaspar Garcia, pastor of the Church of Divine Grace in Davie, Florida, has been involved in church leadership and Christian ministry for the past twenty-two years. Through his personal and professional experience, Garcia illustrates how "the Bible"'s most basic principles like truth, honesty, integrity, and sincerity can be applied to a relationship and yield positive and fruitful results. Garcia provides the basic elements fundamental to every successful relationship; examines the challenges that Christians face in establishing and sustaining sound relationships; and reviews the qualities that constitute a healthy and vibrant

relationship, as he provides specific ways to: Relieve stress in your marriage Contribute to the financial goals of your relationship Enjoy talking with your children Build proper expectations with new acquaintances By applying Christian principles established thousands of years ago, anyone can begin to construct a sound foundation for improving relationships starting today!

Building a Relationship with God and with Others - John Onu Odihi 2012-07-24

In a world that seems to be turning away from God, author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era. Even while our culture emphasizes independence and moral relativism, Odihi is unafraid to remind us that our victory can come only through loving and trusting God, and living in obedience to him. Building a Relationship with God and with Others helps us do just that, with essays on such topics as gratitude, patience, and the mystery of God's love. But the essays go beyond the theoretical to the real dynamics in our relationship not only with God, but also with each other. Reflections on how to live out our Christian faith address forgiveness, encouragement, the value of confession, and ways to cope with fear. You'll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong. Each section is followed by suggested biblical passages that you can return to again and again for support and reference. Throughout this book is an emphasis on the joy and fulfilment that is ours when we learn to truly love not only our neighbours but our enemies—Jesus' ultimate message as we work to bring his kingdom to this earth. Whether you're a new Christian or have been one for many years, you'll welcome this chance to learn more and to deepen your understanding of what it means to walk with God.

Offering practical guidance for grace-filled communication in the midst of the craziness of everyday life, this accessible guide will help you speak in ways that reflect the grace God has shown to you in the gospel.
