Stages of Senior Care: Your Step-by-Step Guide to Making the Best Decisions -

Paul Hogan 2009-12-06

A USA Today BESTSELLER!

"Informative. Complete. And practical. This book will guide family caregivers through the surprisingly complex world of senior care." —MEHMET OZ, M.D., New York Times bestselling coauthor of YOU: The Owner's Manual: The Complete All-in-One Care Guide Choosing the best care for your aging parents and other seniors in your life is not only complex, with multiple options available, it's also highly personal and often emotional. This essential resource—written by the founders of Home Instead Senior Care, the world's largest provider of nonmedical

care for seniors—guides you through a comprehensive range of things to consider, step by step, so you can make better informed decisions and be confident that the senior in your life is receiving the best care possible. Checklists and diagnostics will help you: Decide if at-home care is the right choice for you and your loved ones Evaluate the pros and cons of retirement communities, adult care centers, nonmedical caregivers, assisted living facilities, nursing homes, and hospice Determine the costs of senior care options and find helpful support networks "This is not just another book about caring for aging parents. It's a great reference you'll use again and again. Stages doesn't shy away from the hard questions.

options. With its friendly tone and hopeful outlook, *Caring for Your Aging Parents* will empower you to provide the best possible care while cherishing the precious moments shared with your loved ones. The book also covers a range of practical topics, including:

- * **Creating a support network:** Encourage your aging parents to build a strong support network of friends, neighbors, and community resources. This will provide them with social interaction and assistance when needed.
- * **Staying informed about their health:** Keep track of your parents' medical history, medications, and upcoming appointments. Regularly communicate with their healthcare providers to ensure they receive proper care and treatment.
- * **Assessing their living situation:** Evaluate whether your parents' current living arrangement is suitable for their needs. Consider if modifications are necessary to make their home more accessible or if moving to a senior-friendly community

would be beneficial.* **Financial planning:** Help your parents organize their finances, including creating a budget and ensuring they have appropriate insurance coverage. And more...With its friendly tone and hopeful outlook, *Caring for Your Aging Parents* will empower you to provide the best possible care while cherishing the precious moments shared with your loved one.

Patient Safety and Quality - Ronda Hughes 2008

"Nurses play a vital role in improving the safety and quality of patient care -- not only in the hospital or ambulatory treatment facility, but also of community-based care and the care performed by family members. Nurses need know what proven techniques and interventions they can use to enhance patient outcomes. To address this need, the Agency for Healthcare Research and Quality (AHRQ), with additional funding from the Robert Wood Johnson Foundation, has prepared this comprehensive, 1,400-page,

[Our Journey in Aging and Dementia](#) - Peggy Royston BSN RN 2019-06-21

Are you struggling to find real help in caring for your aging loved one in your home who may be suffering from dementia as well as other comorbid diseases? Feeling overwhelmed and losing a piece of yourself as you are caregiving and all the while getting older too? Living in a multigenerational home is starting to be the standard way of most families these days, and keeping organized while providing long-term care can take its toll on the caregiver as well as their loved ones. How do I balance my life and my loved ones too? We all need a few extra tools and loving support along the way as caregivers during the tougher

times as we navigate the choppy waters of aging, Alzheimer's and/or dementia, and Parkinson's diseases. Then you have found a safe harbor here. This book will assist you in getting your lives and your loved ones lives in order and help steer you toward successful caregiving while lowering your stress as well.

The Good Caregiver - Robert L. Kane Dr. 2011-03-01

A survival guide with an insider's perspective, for the millions of unprepared caregivers of aging loved ones. As Americans are living longer, an unprecedented number of people now require long-term care during their last years. More than 15 million adult children now care for their elderly parents, and unsuspecting caregivers are usually unprepared financially, emotionally, and practically for the relentless job they will face. In *The Good Caregiver*, world-renowned expert on aging and long-term care Dr. Robert Kane provides a road map for caregiving. More than just a professional expert, Dr.

Downloaded from
legacy.opendemocracy.net
on 2021-12-26 by guest

Kane draws on his personal experience of caring for his aging mother after she struggled from a debilitating stroke. Dr. Kane offers heartfelt advice for those learning how to best care for their loved one and how to make thoughtful, informed decisions at each stage of the caring process: ? How does a nursing home differ from assisted living? ? How is a homemaker different from a home health aide? ? How far can you trust a hospital discharge planner? ? What services does Medicare cover, and much, much more The Good Caregiver equips readers to deal more effectively with the challenges of day-to-day care and to navigate the system itself, including legal, financial, and interpersonal hurdles. Filled with stories and sidebars from other caregivers, The Good Caregiver offers a candid, personal approach to caregiving, providing fearless answers to difficult scenarios with humor and encouragement.

professional will help you secure the best possible care.

Old and In the Way - Darla Buckhannon 2013-11-19

A timeless, no-holds-barred guide to adult caregiving at home, in nursing homes, or in the hospital. An informative resource for caring for yourself and the ones you love, this comprehensive guide prepares everyone for the inevitability of having to care for an aging loved one. Highlighting the difficulties involved with caregiving, this illuminating resource prepares readers for the surprises and miscommunications that can surface within the difficult process. Written for anyone who could inherit the task of caring for a loved one, this book is perfect for those who could soon be faced with caring for aging parents, spouses, or even themselves. This poignant and practical guide helps readers lessen the shocking realities that come with the role of caregiver. Inspired by the joys and heartbreaks of caring for her own family members, the author utilizes

her hands-on experience to educate readers to the choices and decisions that must be made in an effort to keep loved ones at home and out of nursing homes. Understanding the mistreatment of elders at nursing homes, she created this book to help protect the fragility of loved ones while preparing caregivers for the responsibility of the position. It is the goal of the author that readers will benefit from her personal experiences and those of other caregivers so that every elderly person is treated with respect, dignity, and love, and never thought of as old and in the way. Topics include: care in the home, choosing and surviving nursing homes, granny cams, taking away the car keys, medical equipment and physical aides, lab work and tests, life threatening medical conditions, saying good-bye, enduring the grief and taking legal action when things go terribly wrong.

Families Caring for an Aging America - National Academies of Sciences, Engineering, and Medicine 2016-12-08

Family caregiving affects millions of Americans every day, in all walks of life. At least 17.7 million individuals in the United States are caregivers of an older adult with a health or functional limitation. The nation's family caregivers provide the lion's share of long-term care for our older adult population. They are also central to older adults' access to and receipt of health care and community-based social services. Yet the need to recognize and support caregivers is among the least appreciated challenges facing

the aging U.S. population. Families Caring for an Aging America examines the prevalence and nature of family caregiving of older adults and the available evidence on the effectiveness of programs, supports, and other interventions designed to support family caregivers. This report also assesses and recommends policies to address the needs of family caregivers and to minimize the barriers that they encounter in trying to meet the needs of older adults.

How to Care for Aging Parents - Virginia Morris 2004-10-15
Thoroughly updated and expanded, a compassionate, single-volume reference to the many emotional, legal, financial, medical, and logistical issues associated with caring for aging parents covers such areas as nursing homes, finances, finding a good doctor, legal arrangements, redefining parental relationships, and handling emotional challenges. Original.
Matters of the Heart - Susan E Gunn 2016-09-21

"This heartfelt book is a great presentation of the Good, the Bad and the Ugly side of caregiving." "As a medical professional, I see the growing need for caregiving on a daily basis. It is a tough, often thankless, job and I am filled with admiration for those who provide it. The Gunn story is one of millions playing out in our country every day.

"Matters of the Heart" is a compelling reading for any current or future caregiver. There is much to learn and Susan has much to share." "The story-telling format satisfies the need for concrete care information and validation of the emotional aspect of caregiving." "From the book..." "If matter is everything that takes up space, then caregiving is truly matter. The emotions that are consumed when caregiving, the energy expended, the communication required, the extensive planning - the amount of stuff in caregiving is overwhelming. The time it devours. The space it occupies is your heart. Every single aspect of your heart. A Journey

in Caring for Aging Loved Ones . . . Over sixteen years, for three elderly ones, there were 3 rehabs, 3 nursing homes, 18 emergency room visits, 6 intensive care visits, 15 hospital stays, and a minimum of 1328 healthcare office visits, including optometrists, ophthalmologists, audiologists, dentists, oral surgeons, allergist, neurologists, urologists, cardiologists, pulmonologists, surgeons, orthopedists, gastroenterologist, otolaryngologist, internists, dermatologist, podiatrist, nephrologist, gynecologists and primary care physicians. The only doctor not seen in those sixteen years was a pediatrician!" A true story teller, Susan shares her 16 year caregiving journey for her three elderly loved ones - Mom, Dad and step-grandmom - all the while working on building her successful speaking and consulting business. Recommended for any child of an aging parent, or the aging parents themselves, Susan will make you laugh and cry with

relatable stories. The content is complete with lists that are amazing, well thought through and will be immensely helpful in your own caregiving journey. The book also includes over 100 questions For Further Personal Consideration, Suggested Reading List, Additional Caregiving Online Resources, access to an online Family Tool Box that includes necessary documents helpful in caregiving, and more. caring season. Caregiving for elderly parents may be tremendously difficult if you are not prepared. But it may be a lot simpler when you acquire the correct information, tools, and assistance. Fortunately, there is some method to the chaos when it comes to caring for elderly loved ones. Millions have gone through this before and millions will cross this caring journey in the future. We should not have to re-create the wheel each time. While every scenario is different, there are several basic aspects that most family caregivers share. Things include establishing housing arrangements, administering medical treatments, creating a caring routine, and finding out how to pay for it all. Equipped with the appropriate knowledge, you'll have fewer restless nights and less concern that Dad left the stove on again or that Mom has fallen in the shower with nobody close to assist. This step-by-step tutorial leads you through practical advice and activities on how to become an

organized and knowledgeable caregiver. It also helps you retain balance while giving compassionate care with no regrets. In My Being kind to your aging parents, you will discover: _The signs of our aging parent. _Conducting a comprehensive care assessment for our aging parent. _Coping with emotional challenges of our aging parent. and much more The most prevalent tensions and challenges that come with caring for aging loved ones are largely due to caregivers and families being ignorant of the various options and tools accessible to them. But the caring advice and answers spelled forth in this book are so easily accessible and simple to understand, that everyone can do it. So even if you know nothing about eldercare or you believe you're a disorganized person, you can become an organized and skilled caretaker AND preserve your sanity at the same time. Scroll up and click the BUY button now to discover how to handle your caregiving tasks with less
