**Cary Grant** - Marc Eliot 2009-02-04

"Everybody wants to be Cary Grant. Even I want to be Cary Grant." —Cary Grant He is Hollywood's most fascinating and timeless star.

Although he came to personify the debonair American, Cary Grant was born Archibald Leach on January 18, 1904, in the seaport village of Bristol, England. Combining the captivating beauty of silent-screen legend Rudolph Valentino with the masculine irresistibility of Clark Gable, Grant emerged as Hollywood's quintessential leading man. Today, "the man from dream city," as critic Pauline Kael once described him, remains forever young, an icon of quick wit, romantic charm, and urbane sophistication, the epitome of male physical perfection. Yet beneath

this idealized movie image was a conflicted man struggling to balance fame with a desire for an intensely private life separate from the “Cary Grant” persona celebrated by directors and movie studios. Exploring Grant’s troubled childhood, ambiguous sexuality, and lifelong insecurities as well as the magical amalgam of characteristics that allowed him to remain Hollywood’s favorite romantic lead for more than thirty-five years, Cary Grant is the definitive examination of every aspect of Grant’s professional and private life, and the first to reveal the man behind the movie star. Working with the most talented directors of his time, Grant starred in an astonishing seventy-two films, ranging from his groundbreaking comedic roles in such classics as *Bringing Up Baby* (Howard Hawks) and *The Philadelphia Story* (George Cukor) to the darker, unforgettable characters of Alfred Hitchcock’s *Suspicion* and *Notorious*, culminating in the consummate sophisticates of *An Affair to Remember* (Leo

McCarey), *North by Northwest* (Hitchcock), and *Charade* (Stanley Donen). The camera loved Grant, and his magnetism helped illuminate his leading ladies, some of the most glamorous women ever to grace the silver screen: Mae West, Irene Dunne, Katharine Hepburn, Ingrid Bergman, Grace Kelly, and Sophia Loren, among others. Yet, because of his pioneering role as an independent player, Grant was repeatedly denied the Oscar he coveted—a snub from the Academy that would last until 1970, when he graciously accepted a special lifetime achievement award. Grant’s sparkling image on-screen hid a tumultuous personal life that he tried desperately to keep out of the public eye, including his controversial eleven-year relationship with Randolph Scott, five marriages, and numerous affairs. Rigorously researched and elegantly written, *Cary Grant: A Biography* is a complete, nuanced portrait of the greatest Hollywood star in cinema history.

Archibald Alexander Leach (January 18, 1904 - November 29, 1986), better known by his stage name Cary Grant, was an English-American actor. With his distinctive yet not quite placeable Mid-Atlantic accent, he was noted as perhaps the foremost exemplar of the debonair leading man: handsome, virile, charismatic, and charming. He was named the second Greatest Male Star of All Time by the American Film Institute. His popular classic films include She

Done Him Wrong (1933), Topper (1937), The Awful Truth (1937), Bringing Up Baby (1938), Gunga Din (1939), Only Angels Have Wings (1939), His Girl Friday (1940), The Philadelphia Story (1940), Suspicion (1941), The Talk of the Town (1942), Arsenic and Old Lace (1944), Notorious (1946), Mr. Blandings Builds His Dream House (1948), To Catch A Thief (1955), An Affair to Remember (1957), North by Northwest (1959), and Charade (1963). Nominated twice for the Academy Award for Best Actor and five times for a Golden Globe Award for Best Actor, he missed out every time until he was finally honored with an Honorary Award at the 42nd Academy Awards "for his unique mastery of the art of screen acting with the respect and affection of his colleagues." This book is your ultimate resource for Cary Grant. Here you will find the most up-to-date information, photos, and much more. *Cary Grant, the Making of a Hollywood Legend* - Mark Glancy 2020-09-15

A definitive new account of the professional and personal life of one of Hollywood's most unforgettable, influential stars. Archie Leach was a poorly educated, working-class boy from a troubled family living in the backstreets of Bristol. Cary Grant was Hollywood's most debonair film star--the embodiment of worldly sophistication. Cary Grant: The Making of a Hollywood Legend tells the incredible story of how a sad, neglected boy became the suave, glamorous star many know and idolize. The first biography to be based on Grant's own personal papers, this book takes us on a fascinating journey from the actor's difficult childhood through years of struggle in music halls and vaudeville, a hit-and-miss career in Broadway musicals, and three decades of film stardom during Hollywood's golden age. Leaving no stone unturned, Cary Grant delves into all aspects of Grant's life, from the bitter realities of his

impoverished childhood to his trailblazing role in Hollywood as a film star who defied the studio system and took control of his own career. Highlighting Grant's genius as an actor and a filmmaker, author Mark Glancy examines the crucial contributions Grant made to such classic films as *Bringing Up Baby* (1938), *The Philadelphia Story* (1940), *Notorious* (1946), *An Affair to Remember* (1957), *North by Northwest* (1959), *Charade* (1963) and *Father Goose* (1964). Glancy also explores Grant's private life with new candor and insight throughout the book's nine sections, illuminating how Grant's search for happiness and fulfillment lead him to having his first child at the age of 62 and embarking on his fifth marriage at the age of 77. With this biography--complete with a chronological filmography of the actor's work--Glancy provides a definitive account of the professional and personal life of one of Hollywood's most unforgettable, influential stars.

**Steve McQueen** - Marc Eliot 2011-10-15

The most detailed and revealing biography to date of a Hollywood great. Steve McQueen is that rare Hollywood combination of a classic actor and a style icon in the tradition of James Dean. 'The King of Cool', as he was dubbed, was at one time the highest-paid film star in the world, a status earned through his roles in films like The Magnificent Seven, Bullitt, The Thomas Crown Affair and The Great Escape. But he also turned down at least as many roles in classic films, including Breakfast at Tiffany's, Butch Cassidy and the Sundance Kid and The French Connection. This is the first biography to cover in detail every film that McQueen made, and to put him into the context of the movie business, showing how he had problems trying to be a Method actor where an exact contemporary like Clint Eastwood thrived at it, and how Eastwood understood the studio system and made it work for him, while an insecure McQueen struggled with his sense of himself, both on and off screen.

*dating-cary-grant-english-edition*

It includes interviews with people who have never spoken about him before, and draws upon diaries in the private McQueen collection.

Connor, her estranged husband, a small-town Mayor who loves his wife but doesn't seem to have enough time to see her. The handsome stranger, Philip Adams, who lives downstairs from the small sublet Tracy has temporarily moved into. He's charming, funny, and looks a lot like her very favorite screen icon, Cary Grant. Dating Cary Grant is a romance all about New York city career woman Tracy Connor struggling with real issues with her real guy, her husband of six years, Mayor Mike Connor of Cukor, Connecticut. Tracy is a smart woman, but some of her problems with relationships are partially caused by her unrealistic expectations that real guys should-and can- behave like matinee idols. Mike's problems are also caused by the fact that he's such a great guy and overextends his heart, and his appointment calendar, to every constituent, friend, or stray animal who crosses his path. Tracy is also being stressed by a TV reality show intent on showcasing Tracy and Mike's personal life, as well as the imminent

takeover of her employer, a small, private television station, by a billionaire with unlimited funds and no taste. DATING GARY GRANT considers just how selfless a man needs to be to meet his wife's expectations, and just how honest a woman must be with herself about what she's willing to give, and give-up. And Cary Grant is along to help prove that any woman's search for 'Mr. Perfect ' might take her to a surprising place to find him.

**Her Leading Man** - Maggie Dallen 2017-02-14  
Life's not like the movies . . . or is it? An avid knitter and manager of a yarn store in New York City, Caitlyn finds herself at loose ends after getting dumped by her long-time, live-in boyfriend. What better way to move on than to find a man like the old-school movie stars that she dreams about? But her first attempt at online dating is a disaster. Especially when the date turns out to be the new renter of a room in her apartment. Wall Street powerhouse Ben needs a place to crash while his condo is being

renovated. Love is the last thing on his mind since he's just getting over a breakup. But he can't resist a challenge, especially one like his prim and proper new roommate. A do-gooder with a heart of gold, Caitlyn is spearheading a fight to save an old theater, while Ben is working for the developer trying to tear it down. Sparks will fly, but they may not be enough to ignite big-screen romance . . .

The Silver Disobedience Playbook - Dian Griesel  
2019-04-21

Daily, thousands of women and men respond to short Silver Disobedience® essays posted on an assortment of social media accounts. Not with a mere thumbs-up: Dian's passionate readers share extensive personal responses, stories and gratitude for her heartfelt candor about deep feelings, thoughts, fears, problems and doubts to which so many seem to closely relate. As a "she-ro" to many, and as one who is said to be grounded in the common sense of being real, Dian offers comforting, challenging and practical

advice. Her warmth, relatable stories and overall receptive tone encourage readers to contemplate their own ideas and explorations of age and aging. "Silver Disobedients," as her followers proudly call themselves, asked for this collection of daily essays that can be carried, highlighted, read and reread anytime and anywhere, and left close by for meditation. This book is for all seeking to make life and relationships with ourselves and others work with greater love. It recognizes and embraces our common humanity and challenges, and helps each reader to call forth the inner strength, resilience and courage we might have forgotten we had. A playbook for living and loving agelessly, these essays or meditations, as some call them, remain timelessly relevant for all at any and every phase of life.

**Remaking Love -** Mary Tabor 2010-07-01

Mary has written a memoir of the highest quality. Her experiences and the way she brings them to us remind us why we bother to read in the first place: empathy is better than

callousness, trust more rewarding than cynicism, adventure food for the soul.

*Sex and the Single Girl* - Helen Gurley Brown  
2012-07-10

The 1962 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times). Helen Gurley Brown, the iconic editor in chief of *Cosmopolitan* for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.
