P.O.E. - James Watson 2019-03-22

This book was titled P.O.E.: Poems of Emotion after one of my favorite authors and poet, Edgar Allen Poe, a Baltimore native like myself. There's a lot of different emotions in this book, some good and some bad. This book is based on real-life events and can really touch home. I've been writing for twenty-two years now, and I enjoy every bit of it. I thank God for this gift. And hopefully, I can inspire others to do the same.

Unveiling Our Passions - Melony Ann
2023-11-20

Runaway. That's what I'm called back home. A runaway. No one seems to believe that I didn't actually run. I left because it was the only way for me to survive. If I hadn't, I would've given into the demon that torments me daily. Two years later, in the Florida sun, I'm finally free of the suppression that held me down. But not from the darkness. I exist in a world that frightens me and keeps me moving in one direction. I walk a very straight line down the path of safety.

Assurance. Where no one can hurt me except the evil fiend in my mind. Until one day, my entire world is flipped upside down. I'm shoved violently into the midnight blackness that exists in my own head. Then, a glint of light comes in the form of two men. Two police officers with the Gainesville Police Department. They want to be my light in the darkness. To help me destroy it. They're determined to prove that love is the greatest weapon of all. While I want to believe them, I'm not sure I can. Sometimes, the pull of the shadow world is too strong... ~ This book is a steamy, age gap, cop romance ménage with MF, MFM and MM scenes. It mentions past SA and contains violence and threats, obsession (not perpetrated by MCs or FMC), intense description of a mental breakdown, PTSD induced panic attacks, and PTSD and mental health themes that may not be suitable for all readers. ~

Breaking the Friendzone - May Lynn
2022-10-18

Revenge is sometimes best served . . . in bed
When Lacey Mason was six-years-old, her family moved to the Hamptons. A beautiful location for sure, but not much fun when you're the only kid in the area. When Lacey stumbles upon her next door neighbor, Luke Drake, on the beach it is instant friendship. For the next four years they spent almost every waking hour together. But just as Summer inevitably turns to Fall, all good things must end. As Lacey's family sells their house and leaves the Hamptons, Lacey and Luke vow to stay in touch. But a dramatic meeting when they are teens leaves their friendship in tatters and Lacey's heart broken. Fast forward seven years, and 22-year-old Lacey returns to the Hamptons. During a night out partying, who does she run into? Luke Drake. The only thing is Luke doesn't recognize her. At first, Lacey thinks it's hilarious--a case of karma finally catching up

with the golden boy--but then she realizes that all the feelings she's buried for so long aren't going to stay buried . . . especially when she and Luke are thrown together by internships at Drake-Mason Pharma. Luke Drake wants to be anywhere but the Hamptons, and he certainly doesn't want to be interning at his dad's company. Luke's got a secret plan: make enough money to break away from his controlling father and strike out on his own. Then one night he sees a girl at a club and after an incredible night together, he discovers that the mystery girl is his childhood friend: Lacey Mason. He knows what he did to her when they were teenagers was wrong and is determined to spend the summer showing Lacey that he's changed...and that they belong together. However, family secrets, including the one that ended their friendship in the first place, may prove to be too much and Lacey may not be willing to let Luke break the friendzone.

When you get screwed over by a man, there is one person you call. The Heartbreaker. Her name is whispered in bridge clubs and yoga classes, the simple card with her phone number and a painted broken heart, the sign of hope for women wanting to dish out their revenge. She does to the men what they have done to her clients. Only payback is a dish best served cold, and in spades. Whether it's insults that leave them crying, questioning their very manhood, or getting them hot and bothered, only to leave them hanging in public - she does it all, and with flair. When Stella's favorite coffee shop hires a gorgeous new barista, she finds it incredibly difficult to resist his charms. There is only one problem with this seemingly perfect match - he's hiding a secret that may change her life forever. Follow Stella in her journey to find letting go is as satisfying as getting revenge in this romantic comedy with dark humor, not for the faint of heart. She is the Heartbreaker, after all. This book is spicy and may include some uncomfortable situations alongside the laughs.

Swipe Right: Paranormal Mating Bundle - DJ Bryce

This bundle features Swipe Right to Mate, Swipe Right for Love, and Swipe Right for Passion! Swipe Right to Mate Victoria is floundering. She's lost her home, her boyfriend, everything... rather than go back to her parents with her tail tucked between her legs, or inconvenience her best friend, she decides to take matters into her own hands. When she comes across a mating app, Tori thinks she may have just found a way to solve all of her problems, and maybe, just maybe, find love along the way. A trial period with Mal, the sexy bear shifter who contacted her seems like the answer. But, when she gets there and realizes it's not only Mal she's there to meet, but also his best friend Kai, will this opportunity be more than this human bargained for? Swipe Right to Mate is the first in a new trilogy by DJ Bryce. This is a menage standalone about a desperate woman finding exactly what she needs, where she least expects it. Swipe Right for Love Katja is lost. After finally dumping her douche of an ex, she thought she had things figured out. A job as a nanny, which offered room, board and stability. But, when she loses that, Katja realizes she's left with nothing. When she comes across a mating app, Katja hopes she's found a way to dust herself off and start anew. She's not looking for love, just companionship and a place to call home. Bane lost his mate five years ago and has since lived his life for his daughter, Sloane. Now that she'd getting older, he's realized that Sloane needs more than he can offer, so he allows his friends to talk him into joining the mating app that changed their lives. The only stipulation, is that the women he meets have to pass his tests before they can meet his daughter, and need to know they have no hope of winning his heart. Swipe Right to Love is the second in a new trilogy by DJ Bryce. It follows two people eager for companionship, who are determined not to let love in their lives. The thing is... love doesn't always follow the rules. Swipe Right for Passion Shonda is lonely. Over a decade ago, she'd fallen for the man she knew was her mate, only to have him flee the pack and never return. She's lived

her life on automatic. No boyfriends, no excitement, only work and friends. When she learns that the man she loves has joined a mating service and has an active profile on the app, Shonda knows this may be her last chance to be with the man who's always owned her heart, even if she has to lie to make it happen. Grayson likes being alone. He has his farm, his solitude, and the occasional visit from his brother, Bane, and Bane's family. For years that has been enough, but now... Gray wants more. Not ready to leave his land, he decides to follow in his brother's footsteps and try to find a mate. He just needs someone who'll be okay living on the outskirts of society. Swipe Right for Passion is the third in a new trilogy by DJ Bryce. Can two people who missed their opportunity at fate get a second chance at their happily ever after?

Projet friendzone - Margot D. Bortoli
2018-09-14

Samuel Craven est l'objet de tous mes fantasmes depuis que j'ai treize ans. Sauf qu'à cette époque j'avais un appareil dentaire, au moins quinze kilos en trop et une estime personnelle en dessous du niveau de l'océan. Lui ? La vingtaine, du style et le monde à ses pieds - surtout des filles ! Outre ces différences fondamentales, Samuel est aussi le meilleur ami de mon grand frère. En clair : pas dans ma catégorie. Dix ans plus tard, rien n'a changé, enfin si, moi j'ai changé. Mais, clairement, lui me considère toujours comme la petite sœur rigolote de son pote. Enfin... jusqu'à ce qu'une nuit bien arrosée fasse vaciller mes certitudes. Et si Monsieur n'était pas indifférent ? Il n'y a qu'un moyen de le savoir : lancer le "Projet Friendzone", ou comment passer d'une gentille amitié à une passion débridée ! Au programme : me transformer en femme fatale pour que Sam succombe enfin...

The Book of Pook - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook

disappeared from the scene, but his teachings live on in this ebook.

Diego Zhi Wen de Bernadino, the Duke of Mondego, vowed to never follow the blue blood tradition of marrying for money. When a tech billionaire hosts a party in Cordoba, he's determined to win her affection. But his prestigious education and mastery of four languages hasn't prepared him for a party girl's unique vocabulary--his big seduction gets lost in translation. DJ Spin d'Elle's upbringing left her wary of the monied, noble class. Spin lives her life for the next party and gives away everything she doesn't need. But when she meets the delicious duke, the record scratches and her tune changes. Though she agrees to help him woo her employer, she soon finds the music they make together is sweeter. With so much in common, will the duke and the DJ be able to remix their duet? Or will the pressures of money and duty cause the tune to fade out? Find out if love will reign in this light-hearted, sweet romance of royal engagements. *The Duke and the DJ* is the third in a series of royal romances that are beyond the common tale! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; line-height: 14.0px; font: 12.0px Times} span.s1 {font-kerning: none}
