Medieval Lyric - John C. Hirsh 2008-04-15

Medieval Lyric is a colourful collection of lyrical poems, carols, and traditional British ballads written between the thirteenth and fifteenth centuries, together with some twentieth-century American versions of them. A lively and engaging collection of lyrical poems, carols, and traditional British ballads written in between the thirteenth and fifteenth centuries, together with some twentieth-century American versions of them. Introduces readers to the rich variety of Middle English poetry. Presents poems of mourning and of celebration, poems dedicated to the Blessed Virgin and to Christ, poems inviting or disparaging love, poems about sex, and more. Reader-friendly - uses modernized letter forms, punctuation and capitalization, and side glosses explaining difficult words. Opens with a substantial introduction by the editor to the medieval lyric as a genre, and features short introductions to each section and poem. Also includes an annotated bibliography, glossary, index of first lines, and list of manuscripts cited.

For the Love of Tina - Roman Masters 2020-11-09

For the Love of Tina is a romantic, playful novel that depicts how a teenage first love that ends before consummation can affect drastically the lives of those two teenagers in adulthood. Cash Banfield felt so guilty about cheating on his first love, Tina Townsend, with her cousin Penny that it caused major flaws in his personality and dating habits. When Cash and Tina first met in junior high, he wrote a poem telling the world she would be his first and only love. That pattern would always con

Discount - Casey Gray 2015-04-14

Set in the American Southwest, Casey Gray's ambitious tragicomic debut novel follows a group of customers and employees through the twenty-four hour work cycle inside a classic American institution—the Superstore. With a cast of characters including Ernesto, a local gang member struggling to choose his day job over a desultory life as a drug dealer; Wilma, a grandmother working double shifts to support her family; and Keith, a high school student with a penchant for filmmaking, Gray offers a humane and contemporary portrait of life on the suburban fringe. Discount is a triumphant and big-hearted novel you won't soon

forget.

Here Today, Zen Poetry - Ken Noyle 2012-07-10

This collection of unconventional Zen poetry by Ken Noyle reflects the free-spirit of Zen. Here is poetry as mod as flower children and hippies; a Warhol happening or sitar music. Ken Noyle is a "personal" poet who immediately demands his reader to be with him or agin him as he ruminates on many things he thinks are important. Those things include sex and marriage and God and nature and war and the position of the individual in relation to each. Ponderous? No. Rather, outrageous, iconoclastic, irreverent in a "let's look- at-this-together-and-see-what-we make-of-it vein." Noyle's amazing range between delicate sensitivity and outright earthiness reflects his study of Zen from which he has carried off a disarming sense of reality. To read and enjoy Ken Noyle is to learn a little more about one's self. What more can a poet hope for?

Erotic Poems - e. e. cummings 2010-01-26

E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not said she

When Cowboys Come Home - Aaron George 2023-11-10

When Cowboys Come Home: Veterans, Authenticity, and Manhood in Post-World War II America is a cultural and intellectual history of the 1950s that argues that World War II led to a breakdown of traditional markers of manhood and opened space for veterans to reimagine what masculinity could mean. One particularly important strand of thought, which influenced later anxieties over "other-direction" and "conformity," argued that masculinity was not defined by traits like bravery, stoicism, and competitiveness but instead by authenticity, shared camaraderie,

and emotional honesty. To elucidate this challenge to traditional "frontiersman" masculinity, Aaron George presents three intellectual biographies of important veterans who became writers after the war: James Jones, the writer of the monumentally important war novel *From Here to Eternity*; Stewart Stern, one of the most important screenwriters of the fifties and sixties, including *Rebel without a Cause*; and Edward Field, a bohemian poet who used poetry to explore his love for other men. Through their lives, George shows how wartime disabused men of the notion that war was inherently a brave or heroic enterprise and how the alienation they felt upon their return led them to value the authentic connections they made with other men during the war.

Poetry of Jack Spicer - Daniel Katz 2013-01-17

In the years since his death from alcohol poisoning, San Francisco Renaissance poet Jack Spicer (1925-1965) has gradually come to be recognized as one of most intriguing, demanding, and rewarding of the so-called 'New American Poetry' poets who were first published in Donald Allen's historic anthology of that name. This is the first full-length critical monograph on his work, placing it in the context not only of the San Francisco Renaissance and contemporary movements with which Spicer dialogued and often disagreed - such as the Beats, the Black Mountain poets, and the 'New York School' - but also of the major modernists from whom his innovative poetics derived, differed, and developed. Informed by much archival material only recently made available, *The Poetry of Jack Spicer*, examines Spicer's post-Poundian translation projects; his crucial theories of the 'serial poem' and inspiration as 'dictation'; his contrarian take on queer poetics; his insistently uncanny regionalism; and his elaboration of an epistolary poetics of interpellation and address.

The Poetry Life - Baron Wormser 2014-11-01

Baron Wormser brings to life the immense force poetry can have in people's lives. In stories funny, tender, sad, and edgy, the narrators register how poetry has changed how they see themselves, how they live, and what they care about. As it bends genres by adapting aspects of fiction, biography, essay and monologue, *The Poetry Life* shows how

poetry can be lightning in the soul. "Baron Wormser has pulled off a miraculous feat--he has written a collection of stories that reveals the absolute necessity of poetry in our lives. His prose style is riveting, and his characters are as diverse as a phone book. Each voice conjures up a passionate portrait of inner life, telling us--through episodes both comic and tragic--that the world of the deceased poet remains eternally relevant to our own." --Clint McCown, author of *The Weatherman: A Novel* "'Poetry,' Baron Wormser writes, 'is about generosity.' So too are these ten stories you hold in your hands. They are about generosity. And mystery. And loneliness. And life. They are about how poetry helps us 'stay in our skins.' You will fall in love with these stories and with the ten poets who appear in them. What Baron Wormser says about William Carlos Williams, I say about him here, 'He nailed it.'" --Ann Hood, author of *The Knitting Circle: A Novel* "A book of stories not about poets but driven by the presence of poetry and the shadows of poets: madness undoubtedly. But the best kind of madness! With this book, Baron Wormser invites us to reconsider the connection between poetry and our lives, to remember that we really do live hungry for inner vision, for small insights that can save us from the slag heap of gofdom and pointlessness. It's a wonderful book. It's the kind of stuff that makes you want to stay in the world." --Tim Seibles, author of *Buffalo Head Solos* *Dumb Jokes & Vulgar Poems* - J. Andrew Haknort 2012-01-17

This collection of more than one thousand raunchy jokes and funny poems, formatted especially for your Kindle, is easily the best pocket change you'll ever spend on anything, except for maybe some sort of medication that helps keep you alive. Here are some examples of the over one thousand (did we mention there are over 1000?) gems included in this ebook: I wrote a book about menopause, but it is hard to understand because it doesn't have any periods. When the old gypsy cursed me, I laughed in her face. I'm not laughing now, because when she saw me laugh she beat the crap out of me. I was addicted to nicotine gum, chewing three packs a day. So in order to ween myself off, I started smoking. Whenever I go fishing, I'm reminded of an old girlfriend. Her name was Annette. She also had a sister, named Smallmouth Bass. I'll

never forget what my grandfather used to say. I would sit on his lap and he would yell, "Fatty buttocks! Fatty Buttocks!" at the top of his lungs. I guess I never really understood my grandfather. My parents didn't, either. That's probably why they put him away. Yes, believe it or not, there really is a blue six foot chicken named Pepe living in my bedroom closet. Either that or it's the drugs. It's much easier to differentiate between a cabbage and a lettuce if you give them names, like Shelly or Jockmo. Instead of "Mothers Day" how about "Sexy Virgins Day?" It can be nine months earlier. I never claimed to be a genius. Well, except on that billboard I rented. I remember Mom's signature dish. She called it Pork Surprise. It was just a big bowl of dirt with some clumps of weeds in it. When we asked where the pork was, she'd yell: "There's no pork... surprise!" It's not fun watching a grown man cry. Unless you have a comfy chair to sit in, and maybe some snacks. Besides the jokes, there is also absurdly bad poetry, such as: WHY THE FLOOR IS WET I pissed, And I missed. JEFF No one likes, My cousin Jeff, He's a nice guy, But has bad breff. GRANDMA My Grandma wears a diaper, I really hate to wipe her. I LOST MY SQUIRREL I lost my squirrel! I lost my squirrel! It just fell off, now I'm a girl! FORTY DAYS AND FORTY NIGHTS Why is it raining? I don't Noah. GIANT HOG There is a giant hog, Who lives in my garage, But I never see him, Because he uses hamouflage. DOING TIME Prison gave me acne, So I broke out. HUNGRY GUY I ate the parrot, And didn't share it. THE PILL Mary is on the pill, But it plagues her with doubt, Whenever she has sex, The pill just falls right out. Plus hundreds more bad poems, most of them too filthy to be printed here."

American Sexual Histories - Elizabeth Reis 2012-01-17

The second edition of American Sexual Histories features an updated collection of sixteen articles and their corresponding primary sources that investigate issues related to human sexuality in America from the colonial era to the present day. Fully updated with ten new chapters, featuring recently published essays by prominent scholars in the field Provides readers with the source documents that historians have analyzed in their articles Allows readers to see how historians craft arguments based on available sources Encourages readers to evaluate

historical documents, test the interpretations of historians, and draw their own conclusions

Passwords Primeval - Tony Leuzzi 2012-10-16

Passwords Primeval sets aside the artificial boundaries of poetry "schools" and "movements" to cut to the art of the matter. Tony Leuzzi's astounding knowledge of poetry draws new insights from such luminaries as Billy Collins, Gerald Stern, Jane Hirshfield, Patricia Smith, and Martín Espada. These new interviews provide insights into the poets and their poems without losing any of their mystery. Whether you're looking for deeper understanding of your favorite poets or simply interested in the lives of contemporary artists, *Passwords Primeval* reveals the interconnectedness of these masters whose voices echo each other from opposite ends of the same canyon.

Humor, Empathy, and Community in Twentieth-Century American Poetry - Rachel Trousdale 2022-01-15

Humor, Empathy, and Community in Twentieth-Century American Poetry explores how American poets of the last hundred years have used laughter to create communities of readers and writers. For poets slightly outside of the literary or social mainstream, humor encourages mutual understanding and empathic insight among artist, audience, and subject. As a result, laughter helps poets reframe and reject literary, political, and discursive hierarchies--whether to overturn those hierarchies, or to place themselves at the top. While theorists like Freud and Bergson argue that laughter patrols and maintains the boundary between in-group and out-group, this volume shows how laughter helps us cross or re-draw those boundaries. Poets who practice such constructive humor promote a more democratic approach to laughter. Humor reveals their beliefs about their audiences and their attitudes toward the Romantic notion that poets are exceptional figures. When poets use humor to promote empathy, they suggest that poetry's ethical function is tied to its structure: empathy, humor, and poetry identify shared patterns among apparently disparate objects. This book explores a broad range of serious approaches to laughter: the inclusive, community-building humor of W. H. Auden and Marianne Moore; the self-aggrandizing humor of Ezra

Pound; the self-critical humor of T. S. Eliot; Sterling Brown's antihierarchical comedy; Elizabeth Bishop's attempts to balance mockery with sympathy; and the comic epistemologies of Lucille Clifton, Stephanie Burt, Cathy Park Hong, and other contemporary poets. It charts a developing poetics of laughter in the twentieth and twenty-first centuries, showing how humor can be deployed to embrace, to exclude, and to transform.

Boko Haram: Poems of the Prophet - S.A. Abakwue 2012-08-24

POEMS OF THE PROPHET

Short Funny Love Poems - George Stanworth 2016-09-07

Short Funny Love Poems does not contain sonnets about socks or odes to odours. Instead, the book contains 64 hilarious love poems which will appeal to both men and women. Titles include 'Will You Still Love Me In Top Shop?', 'I Love You More Than Star Trek', 'We Nearly Went to Venice', 'Don't Tell Your Date She Looks Like Noddy' and 'I Want You To Be Happy, But I Didn't Mean With Him!'. Lines include 'I love you more than swear words love to duet with Adele' and 'You married me for treacle. I married you for slime.' This is George Stanworth's 4th collection of poetry following on from 'Crazy Old World', 'Your Sax Is On Fire' and 'A Floristry of Palpitations.' George has previously performed at the Edinburgh Fringe Festival as well as The Poetry Cafe in Covent Garden. George was also a finalist in the 'Lyrics Only' section of the 2014 UK Songwriting Competition. www.shortfunnypoems.co.uk

Heaven - Manuel Vilas 2020-02-06

A collection of dark, funny Iberian poems about drinking, sex and death. Manuel Vilas speaks in the voice of bitter experience, experience which seems intent on sending him up. He is a novelist as well as a poet, and his poems tell stories as the speaker moves quixotically across the map and between romances. His instinct for rhythm gives the reader a firm sense of place and tone. Universal in their concerns, taking in love and the end of love, life and the end of life, the poems are also resolutely Spanish in how they speak - bluntly, humorously - always alert for the fantastic. This is the first translation of Vilas's two major collections Heaven (El cielo, 2000) and Heat (Calor, 2008) into English.

Thematically fuelled with alcohol, death and sex, they go off into free-wheeling megalomaniacal flights of fantasy. The translator, James Womack, has won prizes for his versions of Vilas and of the Russian poet Mayakovsky.

Amber's Summer with M. the V. and New Poems - Cameron Glenn 2009-12-10

In Amber's Summer, a young teen girl had hoped to escape her divorcing parents by spending the summer of 08 at her best friend's beach house, but instead struggles through a greater tragedy and is both betrayed and helped by two boys. In M. the V. or Mortimer the Vampire, popular and pretty Lizzy's life and dreams are interrupted when mysterious foreign exchange students from England show up at her high school, thrusting her in the midst of a centuries old drama involving a vampire, dragon, and fairy.

The Two of Me - John Birtchnell 2004-08-02

How much of what we do is directed by conscious, deliberate decisions and how much originates in unconscious, automatic directives? This is the question explored in *The Two of Me* via an engaging combination of phenomenological subjective investigation and objective considerations of mental processes and specific structures. John Birtchnell puts forward the thesis that many more of our actions than we might imagine are determined unconsciously. Not only are unnoticed automatic actions motivated unconsciously, but also seemingly conscious or 'thought out' behaviours are actually determined and reinforced by unconscious exigencies. Even where we produce a reasoned discourse taking responsibility for why we hold certain thoughts, there is always the possibility that these explanations serve and follow from an unconscious driving force. The conscious mind seems to act as spokesperson for both itself and the unconscious mind. Investigating this dual aspect of the person, the book addresses the issue across a range of mental processes including memory, language, problem-solving, dreams, delusions, hallucinations and more complex constructs such as the arts, humour and religion.

Junior Graphic - Mavis Kitcher (Mrs) 2010-03-10

Sex in Antiquity - Mark Masterson 2018-02-05

Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives, as represented in a variety of media, *Sex in Antiquity* represents a vibrant picture of the discipline of ancient gender and sexuality studies, showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This

volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections. *Sex in Antiquity* is a major contribution to the field of ancient gender and sexuality studies.
