**Jouer la traduction** - Nicole Nolette 2015-05-27

Contrairement au théâtre québécois, où le bilinguisme est mis en scène de manière intermittente, celui qui provient de ses marges fait du bilinguisme une pratique courante. Les écrivains franco-canadiens - ceux de l'Ouest canadien, de l'Ontario et de l'Acadie - racontent et montent différentes histoires de diglossie et de bilinguisme et jouent le jeu de la littérature en y démultipliant la traduction dans la forme comme dans le contenu. L'« hétérolinguisme » - c'est-à-dire l'inscription de la variabilité linguistique - de ces pièces de théâtre franco-canadiennes est le plus souvent compréhensible pour les lecteurs et les publics bilingues locaux. Néanmoins, la diffusion de telles pièces et, par ricochet, leur légitimation auprès des métropoles théâtrales canadiennes au fonctionnement surtout unilingue, auront à passer par des traductions en supplément à celles auxquelles leurs jeux bilingues leur permettent déjà de s'adonner. Il est possible que, pour atteindre la légitimation par les institutions dominantes grâce à la traduction, « les cultures de l'exiguïté sacrifient ce qu'elles possèdent de plus radicalement créateur<sup>1</sup> », c'est-à-dire l'inscription du traduisible et l'hétérolinguisme ludique. De l'autre, parmi les traductions additionnelles qui découlent de ces processus de diffusion et de légitimation, la réinscription supplémentaire ou ludique du traduisible pourrait être tout aussi radicalement créatrice que son inscription première. Une analyse percutante, actuelle, de la circulation, en traduction, de la production théâtrale de l'Ouest canadien francophone, de l'Ontario français et de l'Acadie, qui prend des allures de terrain de jeu pour le français et l'anglais.

Voi(es)x de l'autre - Patricia Godi-Tkatchouk 2010

Ce volume soulève la question de la situation complexe des poètes femmes dans la tradition littéraire masculine. Il tente d'élargir et d'approfondir la réflexion dans le domaine de la poésie des femmes en s'inscrivant dans le prolongement des travaux de la critique littéraire féministe et/ou " féminine ", tout en proposant une approche critique plurielle. Une double interrogation le parcourt, à laquelle il ne prétend pas apporter une réponse définitive, ni exhaustive : En quoi le fait d'être une femme peut-il affecter la création en poésie ? Qu'est-ce qui fait la différence des écrits poétiques féminins ? Fruit d'une collaboration féconde entre des chercheurs spécialisés dans le champ de la littérature féminine et des poètes femmes, le livre s'organise en deux parties : une série d'articles consacrés à l'analyse thématique et stylistique d'oeuvres de poètes femmes du 19<sup>e</sup> siècle à nos jours ; une anthologie de poèmes tirés des lectures de Marielle Anselmo, Camille Aubaude, Marie-Claire Bancquart, Claude Ber, Béatrice Bonhomme, Jennifer K. Dick, Chantal Dupuy-Dunier, Marie Etienne, Marilyn Hacker, Sophie Khan, Claire Malroux, Isabelle Normand - autant de voix de poètes, mêlées aux voix et aux interprétations de la critique, qui attirent notre attention, s'il le fallait encore, sur la contribution originale et majeure des écrits féminins à la création en poésie.

New York Magazine - 1994-09-12

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Behave** - Robert M. Sapolsky 2017-05-02

Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could, looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going--next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests

cutting-edge research across a range of disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, Behave is a towering achievement, powerfully humanizing, and downright heroic in its own right.

Backpacker - 2007-09

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

**CAMION BLANC** - Laurent Arsicaud

Tout comme il existe certains livres cultes, connus seulement d'une poignée d'individus qui les considèrent comme des chefs-d'œuvre absolus et incontournables, il y a des musiciens qui sont inexplicablement restés dans l'ombre de l'histoire alors qu'ils sont des artistes majeurs dont la contribution est maintenant indiscutable. Bo

Diddley est l'un d'eux. Pionnier du rock, père du jungle beat, auteur de standards tels que « I'm A Man », « Who Do You Love » ou « Mona », il est et reste une influence majeure pour plusieurs générations de musiciens qui ne manqueront jamais de lui rendre hommage. Buddy Holly, les Everly Brothers, Eric Clapton, Les Animals, U2 et plus encore peut-être, les Rolling Stones, tous ont envers lui une dette immense. Ce livre qui retrace sa vie et son temps, à pour but de rendre enfin raison à ce prodigieux guitariste. Il cherche à montrer l'impact que la musique de Bo Diddley a eu sur ses contemporains et sur tous ceux qui ont un jour voulu faire du rock. Mais c'est aussi la chronique d'une naissance, celle du rock'n'roll, le plus grand et le plus puissant mouvement musical des 50 dernières années. Alors qu'on se le dise : « Bo Diddley put the rock in rock'n'roll ! »

**The Advocate** - 2005-01-18

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**Kurt Cobain : When I was an alien** - Danilo Deninotti

2017-02-10T00:00:00+01:00

When I Was an Alien revient sur l'enfance de Kurt Cobain, jeune garçon d'Aberdeen féru de musique. Au calme When I Was an Alien revient sur l'enfance de Kurt Cobain, jeune garçon d'Aberdeen féru de musique. Au calme et à la solitude de la vie en banlieue se substitue rapidement un quotidien ponctué de répètes entre amis. Peu à peu Kurt fonde Nirvana, le groupe de grunge qui a bouleversé le paysage musical à jamais.

Contient : Kurt Cobain: When I Was an Alien

The Emergence Of Number - John Newsome Crossley 1987-11-01

This book presents detailed studies of the development of three kinds of number. In the first part the development of the natural numbers from Stone-Age times right up to the present day is examined not only from the point of view of pure history but also taking into account archaeological, anthropological and linguistic evidence. The dramatic

change caused by the introduction of logical theories of number in the 19th century is also treated and this part ends with a non-technical account of the very latest developments in the area of Gödel's theorem. The second part is concerned with the development of complex numbers and tries to answer the question as to why complex numbers were not introduced before the 16th century and then, by looking at the original materials, shows how they were introduced as a pragmatic device which was only subsequently shown to be theoretically justifiable. The third part concerns the real numbers and examines the distinction that the Greeks made between number and magnitude. It then traces the gradual development of a theory of real numbers up to the precise formulations in the nineteenth century. The importance of the Greek distinction between the number line and the geometric line is brought into sharp focus. This is an new edition of the book which first appeared privately published in 1980 and is now out of print. Substantial revisions have been made throughout the text, incorporating new material which has recently come to light and correcting a few relatively minor errors. The third part on real numbers has been very extensively revised and indeed the last chapter has been almost completely rewritten. Many revisions are the results of comments from earlier readers of the book.

**Slow Down** - Nichole Nordeman 2017-08-22

The days are long, but the years are short. No matter if it's your child's first step, first day of school, or first night tucked away in a new dorm room away from home, there comes a moment when you realize just how quickly the years are flying by. Christian music artist Nichole Nordeman's profound lyrics in her viral hit "Slow Down" struck a chord with moms everywhere, and now this beautiful four-color book will inspire you to celebrate the everyday moments of motherhood. Filled with thought-provoking writings from Nichole, as well as guest writings from friends including Shauna Niequist and Jen Hatmaker, practical tips, and journaling space for reflection, Slow Down will be a poignant gift for any mom, as well as a treasured keepsake. Take a few moments to reflect and celebrate the privilege of being a parent and getting to watch your little ones grow—and Slow Down. Nichole Nordeman has sold more than

1 million albums as a Christian music artist and has won 9 GMA Dove Awards, including two awards for Female Vocalist of the Year and Songwriter of the Year. Nichole released a lyric video for her song "Slow Down," and it struck a chord with parents everywhere, amassing 14 million views in its first five days. She lives in Oklahoma with her two children.
