Given his choice, Will Naukonen would vote to replace the building with Davenport's design. It's daring, it's modern, it's futuristic—and Will is a guy with his eye to the future. He's in Brogan's Point only temporarily, helping out at the Faulk Street Tavern, which is owned by his mother. An exciting high-tech job awaits him in Seattle. He'll be heading west any day now, ready to develop cutting-edge computer software. But one night when he's helping out behind the bar and Brianna is consuming some liquid courage before she has to present her Town Hall concept to the town, the song "It Takes Two" booms out of the Magic Jukebox. And Will and Brianna realize that it just might take the two of them to make their dreams come true.

Everyday Folks - Billy Jones 2004-12

Who are we? We are hardworking and focused. We are winners or defeaters. We fall in and out of love. Some of us own nice cars while others take the bus. We are immensely rich or exceedingly broke. We're not in tabloids or on covers of magazines. "We're common, Everyday Folks." Everyday Folks: Short Stories on the Common People takes a glimpse into the lives of people whose life stories would probably go unnoticed. The short stories warm our hearts or challenge our nerves. They chronicle the realities and complexities that many of us face on a day-to-day basis. Set in Miami, Florida, Everyday Folks gives the rest of the world a chance to see beneath the fleshy surface of people who build their lives around love, pain, and the inevitable. This book is dedicated to you...not to many but a small few...for the things you do in lieu of what you do... For it is derived from the essence of you. It captures the heart with episodes that only the common people will understand.
