

How To Get A Jawline Female Makeup

Create Your Own Stage Faces - Douglas Young 1985

Flowers of Fire - Hawon Jung 2023-03-07

"Invigorating debut . . . [a] full-throated rallying cry." —Publishers Weekly One of Ms. Magazine's "most-anticipated feminist books of 2023" An eye-opening firsthand account of the ongoing and trailblazing feminist movement in South Korea—one that the world should be watching. Since the beginning of the #MeToo movement, tens of thousands of people in South Korea have taken to the street, and many more brave individuals took a stand, to end a decades-long abortion ban and bring down powerful men accused of sexual misconduct—including a popular presidential contender. South Korean feminists know that the revolution has been a long time coming, between battles against its own patriarchal society as well as challenging stereotypes of docile Asian women in the Western imagination. Now, author Hawon Jung will show the rest of the world that these women are no delicate flowers—they are trailblazing flames. *Flowers of Fire* takes the reader into the trenches of this fight for equality, following along as South Korean activists march on the streets, navigate public and private spaces where spycam porn crimes are rampant, and share tips and tricks with each other as they learn how to protect themselves from harassment and how to push authorities to act. Jung, the former Seoul correspondent for the AFP, draws on her on-the-ground reporting and interviews with many women who became activists and leaders, from the elite prosecutor who ignited the country's #MeToo movement to the young women who led the war against non-consensual photography. Their stories, though long overlooked in the West, mirror realities that women across the world are all too familiar with: threats of defamation lawsuits to silence victims of assault, tech-based sexual

abuse, and criminal justice systems where victims' voices are often met with suspicion and abusers' downfalls are met with sympathy. These are the issues at the heart of their #MeToo movement, and South Korean women have fought against them vigorously—and with extraordinary success. In *Flowers of Fire*, Jung illuminates the strength and tenacity of these women, too often sidelined in global conversations about feminism and gender equality.

Teaching Performance Practices in Remote and Hybrid Spaces -

Jeanmarie Higgins 2022-06-16

This collection of insightful essays gives teachers' perspectives on the role of space and presence in teaching performance. It explores how the demand for remote teaching can be met while at the same time successfully educating and working compassionately in this most 'live' of disciplines. *Teaching Performance Practices in Remote and Hybrid Spaces* reframes prevailing ideas about pedagogy in dance, theatre, and somatics and applies them to teaching in face-to-face, hybrid, and remote situations. Case studies from instructors and professors provide essential, practical suggestions for remotely teaching a vast range of studio courses, including tap dance, theatre design, movement, script analysis, and acting, rendering this book an invaluable resource. The challenges that teachers are facing in the early twenty-first century are addressed throughout, helping readers to navigate these unprecedented circumstances whilst delivering lessons, guiding workshops, rehearsing, or even staging performances. This book is invaluable for dance and theatre teachers or leaders who work in the performing arts and related disciplines. It is also ideal for any professionals who need research-based solutions for teaching performance online.

SMB - Secret Model Beauty | CHAPTER 2 - MAKEUP - Saman Tabrez

Ansari 2022-10-10

Have you ever pondered how to heal an unsightly pimple, remove dark bags under your eyes, or make your eyes brighter? Learning how to take care of your skin and how to use lovely, natural cosmetics are only the beginning. You'll discover the tricks makeup professionals employ to make models seem picture-perfect inside. Every female should include the perfect manicure, luscious curls, and glowing skin on her regular pampering list. It felt logical to create a space to store beauty information I'd gleaned from the industry's top names over my time as a model since I was the go-to person for makeup and beauty guidance. After all, why should the only people who are aware of how to appear stunning and attractive be superstars and models?

What's Age Got to Do with It? - Robin McGraw 2010

Author McGraw reclaims what it means to be, act, and feel young, showing women how to live a vibrant life of meaning and satisfaction at any age.

Theatrical Makeup - Sharon Sobel 2015-10-27

In many theatrical productions, it falls to the performers to apply their own makeup, with minimal or no instruction. Theatrical Makeup clearly and concisely explains the basics of theatrical makeup techniques to allow stage actors to put their best face forward! You will gain understanding of the physiology of the human face and, using cream based makeup, as well as commercial cosmetics, learn how to contour it to suit your character with the use of highlight and shadow. Hundreds of full color images and step-by-step instructions illustrate how to visually manipulate bone structure and apparent age, apply simple facial hair and wigs, and create glamorous and natural stage makeup. Also covered are the tools you will need to apply your own makeup, along with critical health and hygiene tips.

Flesh Wounds - Virginia L. Blum 2005-04-04

"An impressive book. An important book."—Jamie Lee Curtis "I blame mirrors. If it weren't for them we wouldn't need plastic surgeons. In the meantime, anyone tempted to re-shape face, body and mind by means of knife should first read Blum's intelligent, persuasive and absorbing book.

Both enticed and alarmed, the reader will at least know what she's doing and more importantly why. This is a book that takes you and shakes you by the throat, and leaves you the better for it."—Fay Weldon, author of *The Life and Loves of a She-Devil* "An eye-opening look at the dangers, both physical and emotional, of plastic surgery and of the power of beauty in all of our lives. Blum's book is an impressive interweaving of observation, oral interviews, cultural studies, and historical sources. An absorbing read, this is a scholarly book that general readers can enjoy."—Lois Banner, author of *American Beauty* "A provocative and thoroughly persuasive argument that we live in a culture of cosmetic surgery where identity is sited on the shifting surfaces of the body. *Flesh Wounds* brilliantly explores the link between the seductions of surgical self-fashioning and the star system, drawing on a stunning array of materials ranging from interviews with plastic surgeons, psychoanalytic theory, and the novel to the visual media of digital photography, film, and television."—Kathleen Woodward, author of *Aging and Its Discontents: Freud and Other Fictions*

Cosmetic Surgery - Cressida J. Heyes 2016-05-13

Practices of cosmetic surgery have grown exponentially in recent years in both over-developed and developing worlds. What comprises cosmetic surgery has also changed, with a plethora of new procedures and an extraordinary rise of non-surgical operations. As the practices of cosmetic surgery have multiplied and diversified, so have feminist approaches to understanding them. For the first time leading feminist scholars including Susan Bordo, Kathy Davis, Vivian Sobchack and Kathryn Pauly Morgan, have been brought together in this comprehensive volume to reveal the complexity of feminist engagements with the phenomenon that still remains vastly more popular among women. Offering a diversity of theoretical, methodological and political approaches *Cosmetic Surgery: A Feminist Primer* presents not only the latest, cutting-edge research in this field but a challenging and unique approach to the issue that will be of key interest to researchers across the social sciences and humanities.

The Profile of Political Leaders - Jaap van Ginneken 2016-06-30

By analysing a wide range of empirical research into leadership, this book provides a composite portrait of frequent characteristics, such as personality and demeanour, that influence both the success and popularity of political leaders. Through the lenses of mass psychology and collective behaviour sociology, the author offers fascinating observations on political leadership which reveal a coherent pattern. In our choice of and support for leaders, we still seem to be guided by unconscious or instinctive preferences. Evolutionary psychologists have labelled this 'CALP' for 'Cognitive Ancestral Leadership Prototype'. Length, symmetry, face form, voice pitch, eye blinking and more turn out to play a role - even today - alongside personality and style. Each chapter of the book offers a case study to illustrate these observations, including Barack Obama, Ronald Reagan, Nicolas Sarkozy, and Boris Johnson. This book is accessibly written to appeal to students of politics, psychology and sociology, as well as the wider interested reader.
