

How To Get Attraction Back In A Marriage

The Surrendered Wife Laura Doyle 2001-02-28 A New York Times bestseller, this controversial guide to improving your marriage has transformed thousands of relationships, bringing women romance, harmony, and the intimacy they crave. Like millions of women, Laura Doyle wanted her marriage to be better. But when she tried to get her husband to be more romantic, helpful, and ambitious, he withdrew—and she was lonely and exhausted from controlling everything. Desperate to be in love with her man again, she decided to stop telling him what to do and how to do it. When Doyle surrendered control, something magical happened. The union she had always dreamed of appeared. The man who had wooed her was back. The underlying principle of *The Surrendered Wife* is simple: The control women wield at work and with children must be left at the front door of any marriage. Laura Doyle's model for matrimony shows women how they can both express their needs and have them met while also respecting their husband's choices. When they do, they revitalize intimacy. Compassionate and practical, *The Surrendered Wife* is a step-by-step guide that teaches women how to:

- Give up unnecessary control and responsibility
- Resist the temptation to criticize, belittle, or dismiss their husbands
- Trust their husbands in every aspect of marriage—from sexual to financial
- And more.

The Surrendered Wife will show you how to transform a lonely marriage into a passionate union.

Deeper Dating Ken Page 2014-12-30 With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to

dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

Rekindling Love Louisa Jackson 2017-08-12 If your partner has told you it's over, if you're devastated and you want them back - this book is for you. Perhaps you're still with your partner but they're losing interest or pulling away - this book is also for you. Not all relationships can be saved.

However, there are those that definitely can, and should, be saved. Given the right inner conditions, broken relationships can, and do, heal. Here you will learn precisely how to cultivate those conditions. Author, Louisa Jackson, describes how her life spiralled downwards after the break-up of a relationship. In crisis, she turned to the Law of Attraction and slowly mastered the subtle art of harnessing this intelligence in her favour. This brought miraculous changes to all areas of her life. Her long-term battle with depression, social anxiety, and an eating disorder came to an end. So, too, did the cycle of toxic and dysfunctional relationships that she kept repeating over and over. Louisa now enjoys a happy and loving, long-term relationship - one which was successfully rekindled after applying the techniques and principles outlined in this book. The focus here is what's going on inside you, rather than on the outer circumstances of your life - for when you transform your inner world, your outer world transforms in equal measure. As you'll see, this isn't merely a spiritual concept but is backed up by quantum physics principles. *Rekindling Love* will teach you: - how not to behave in the immediate aftermath of a break-up - how to move step-by-step out of heartache and pain - how to avoid the intense suffering so common after a break-up - the power of letting go - why most people are living their life back-to-front - the importance of happiness in the rekindling process - what real happiness is, and how to cultivate it - why the Western approach to happiness causes so much

The Peaceful Wife April Cassidy 2016-01-27 "This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Magnetic Partners Stephen Betchen 2010-05-18 Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take

the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. **Partners To Love, Honor, and Vacuum** Sheila Wray Gregoire 2014 "Sheila speaks to both the heart and habits of the woman who is wife and mother. ROMANSWERS Carl E. Pickhardt Ph.D. 2001-05-03 ROMANSWERS - Practical answers to common questions troubling relationships, romance, and marriage. by Carl Pickhardt Ph.D. In a fast changing, increasingly complex world, committed caring relationships seem harder to maintain than ever before, yet the desire for these unions remains strong, whether in dating, cohabitation, significant partnerships, or marriage. Although about half of marriages end in divorce, more than half divorced people elect to remarry. From answering questions about relationships over the internet for a year and a half (for Cox Interactive Media/Austin 360), certain abiding concerns kept recurring. Not only did people want answers; they also wanted instruction about the nature of certain problems built into the nature of chosen caring relationships, problems that in many cases won't go away. In response to this desire for help in managing these basic problems, ROMANSWERS was written. Each of the twenty-seven sections in the book is built around a topic of concern that is subjected to four questions, the answers to which provide understandings many people seek. A list of

Basing his insights on in-depth interviews with men from all socioeconomic groups who were asked why a previously wonderful relationship turned sour, he discovered that some "relationship busters" can be traced back to childhood issues of anger and loss, issues of masculine identity, popular culture's emphasis on happiness, and communication

Divorce: a Love Story Jonathan Weiler 2015-10-15 What does happily ever after look like when your love story begins with divorce? In this one-of-a-kind joint memoir, Jonathan Weiler and Anne Menkens tell the story of how their relationship continued to evolve and how they co-parented their daughter once they decided their marriage was no longer working. With honesty and humor, Jonathan and Anne explain how they worked through the struggles that accompany a failed romance in order to be the kinds of parents, separately and together, that they knew their daughter needed. While divorce is a painful experience for many, the authors suggest that divorced parents are not fated to an unhappy, conflict-ridden existence. Instead, they can become the people and parents they want to be and find their best selves, even as the relationship that was supposed to define who they are is no more. *Divorce: A Love Story*, combines an in-depth account of the dynamics of Jonathan and Anne's relationship, the therapy process that led them to break up and the partnership they formed after their marriage ended. Their story shows that divorce need not prevent loving, committed parents from working together to make sure their children receive the love, support and positive family environment every child needs. "When I Attended My Former Wife's Wedding" On a sunny June day in 2009, I attended the wedding of my former wife, Anne. The small church included many people who had been at our own wedding 14 years earlier, including my mother, who sat beside me. One person who had not been in attendance at our own wedding day was our daughter, Lillian, born two years after we wed. My heart swelled with pride as she delivered a reading from Margery Williams' book *The Velveteen Rabbit* to celebrate her mother's re-marriage. Anne and I have often laughed about the readings we chose for our own wedding, which all, somehow, had to do with not getting too close."

The Unveiled Wife Jennifer Smith 2015-03-03 As a young bride, Jennifer Smith couldn't wait to build her life with the man she adored. She dreamed of closeness, of being fully known and loved by her husband. But the first years of marriage were nothing like she'd imagined. Instead, they were marked by disappointment and pain. Trapped by fear and insecurity, and feeling totally alone, Jennifer cried out to God: What am I doing wrong? Why is this happening to us? It was as if a veil had descended between her and her husband, and between her and God—one that kept her from experiencing the fullness of love. How did Jennifer and her husband survive the painful times? What did they do when they were tempted to call it quits? How did God miraculously step in during the darkest hour to rescue and redeem them, tearing down the veil once and for all? *The Unveiled Wife* is a real-life love story; one couple's refreshingly raw, transparent journey touching the deep places in a marriage that only God can reach. If you are feeling disappointment or even despair about your marriage, the heart-cry of this book is: You are not alone. Discover through Jennifer's story how God can bring you through it all to a place of transformation.

past thirty-five years, John Gottman's research has been internationally recognized for its unprecedented ability to precisely measure interactive processes in couples and to predict the long-term success or failure of relationships. In this groundbreaking book, he presents a new approach to understanding and changing couples: a fundamental social skill called "emotional attunement," which describes a couple's ability to fully process and move on from negative emotional events, ultimately creating a stronger relationship. Gottman draws from this longitudinal research and theory to show how emotional attunement can downregulate negative affect, help couples focus on positive traits and memories, and even help prevent domestic violence. He offers a detailed intervention devised to cultivate attunement, thereby helping couples connect, respect, and show affection. Emotional attunement is extended to tackle the subjects of flooding, the story we tell ourselves about our relationship, conflict, personality, changing relationships, and gender. Gottman also explains how to create emotional attunement when it is missing, to lay a foundation that will carry the relationship through difficult times. Gottman encourages couples to cultivate attunement through awareness, tolerance, understanding, non-defensive listening, and empathy. These qualities, he argues, inspire confidence in couples, and the sense that despite the inevitable struggles, the relationship is enduring and resilient. This book, an essential follow-up to his 1999 *The Marriage Clinic*, offers therapists, students, and researchers detailed intervention for working with couples, and offers couples a roadmap to a stronger future together.

Win Your Partner Back After A Break Up? Louisa Jackson 2021-05-08 Those that go searching for love only make manifest their own lovelessness - D.H. Lawrence If you're going through the agony of a break up and you long, desperately, to reunite with your partner - this book is for you. Perhaps you're still with your partner but they're losing interest or pulling away - this book is also for you. Not all relationships can be saved. However, given the right inner conditions, some relationships can - and do - heal. Here you will learn precisely how to cultivate those conditions. Author, Louisa Jackson, describes how her life spiralled downwards after the break-up of a relationship. This triggered a long and intense period of study. Immersed in quantum physics, spirituality and Law of Attraction principles, she started to experiment with these concepts in her day-to-day life. Slowly, her intense suffering transformed into deep peace and happiness. A completely new way of living emerged and miraculous changes to all areas of her life then followed. Her long-term battle with depression, social anxiety and bulimia came to an end. Financial and family difficulties also resolved.

So, too, did the cycle of toxic and dysfunctional relationships that she kept repeating over and over. Louisa now enjoys a happy, long-term, relationship - one which was successfully rekindled after applying the techniques and principles outlined in this book. The focus here is what's going on inside you, rather than on the outer circumstances of your life. For when you transform your inner world, you'll find that your outer world transforms in equal measure - sometimes in miraculous ways. As you'll see, this isn't merely a spiritual concept but is backed up by quantum physics principles. This book gets right to the heart of your beliefs about love, happiness and the fundamental nature of reality. It's faulty beliefs in these areas which are so often at the root of dysfunctional relationships. You'll learn what real happiness is, and how to cultivate it. You'll also discover techniques for sustaining the honeymoon period and how to prevent a repeating pattern of heartbreak. With practice, you'll stop needing love and instead start to radiate love. When this happens, you cannot help but attract love, whether that's from your existing partner or a new one. This is a new way of 'being' which will radiate out into all areas of your life. Whether you want to save a long-term marriage or a short-term romance, the same formula applies. You may even find after reading this book that you no longer want, or need, your partner to return.
