Blood on the Tracks - Willson, S. Brian 2011-08-01
“We are not worth more, they are not worth less.” This is the mantra of S. Brian Willson and the theme that runs throughout his compelling psycho-historical memoir. Willson’s story begins in small-town, rural America, where he grew up as a “Commie-hating, baseball-loving Baptist,” moves through life-changing experiences in Viet Nam, Nicaragua and elsewhere, and culminates with his commitment to a localized, sustainable lifestyle. In telling his story, Willson provides

numerous examples of the types of personal, risk-taking, nonviolent actions he and others have taken in attempts to educate and effect political change: tax refusal—which requires simplification of one’s lifestyle; fasting—done publicly in strategic political and/or therapeutic spiritual contexts; and obstruction tactics—strategically placing one’s body in the way of “business as usual.” It was such actions that thrust Brian Willson into the public eye in the mid-’80s, first as a participant in a high-profile, water-only “Veterans Fast for

Life” against the Contra war being waged by his government in Nicaragua. Then, on a fateful day in September 1987, the world watched in horror as Willson was run over by a U.S. government munitions train during a nonviolent blocking action in which he expected to be removed from the tracks and arrested. Losing his legs only strengthened Willson’s identity with millions of unnamed victims of U.S. policy around the world. He provides details of his travels to countries in Latin America and the Middle East and bears witness to the harm done to poor people as well as to the environment by the steamroller of U.S. imperialism. These heart-rending accounts are offered side by side with inspirational stories of nonviolent struggle and the survival of resilient communities Willson’s expanding consciousness also uncovers injustices within his own country, including insights gained through his study and service within the U.S. criminal

justice system and personal experiences addressing racial injustices. He discusses coming to terms with his identity as a Viet Nam veteran and the subsequent service he provides to others as director of a veterans outreach center in New England. He draws much inspiration from friends he encounters along the way as he finds himself continually drawn to the path leading to a simpler life that seeks to “do no harm.” Throughout his personal journey Willson struggles with the question, “Why was it so easy for me, a ‘good’ man, to follow orders to travel 9,000 miles from home to participate in killing people who clearly were not a threat to me or any of my fellow citizens?” He eventually comes to the realization that the “American Way of Life” is AWOL from humanity, and that the only way to recover our humanity is by changing our consciousness, one individual at a time, while striving for collective cultural changes toward “less and local.” Thus, Willson offers up his personal

What Women Want When They Test Men - Bruce Bryans 2021-04-22

Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female

gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female

How to Tell If Someone Truly Loves You - Femi

Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first.

Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference,

Relationships 101 - Rone

John Bulaong 2015-05-30

This book is a radically different re-approach to love and relationships, providing irrefutable socio-biological, cultural, and psychological reasoning. The book centers on emancipating men and especially women as they recognize how relationship styles has come to be the way it is and how they can reframe certain ways of viewing relationships to have happy, harmonious, and loving

relationships. The book goes over the "double bind" society has put on women that has prevented them to act as free, independent individuals. It goes over concepts that dilute unconditional pure love such as obligation, ownership and jealousy. It goes over the cultural history of the honeymoon, marriage, cultural mysogyny, harems, and other things that has made us view relationships the way it is today. Finally, this book goes over how you can emancipate you from feeling guilt and shame over things that you don't have to ever feel those things, how you can handle your communication of this, and other things such as attraction, infatuation, commitment, one-night stands, and Hobson's Choice.

Women Who Win at Love - Suzanne Venker 2019-10-08
Why Are You Throwing Your Feminine Power in the Trash? Do you ever wonder why some women find husbands easily while others do not? Have you ever asked yourself why some marriages last while others don't? Is your marriage struggling despite your best efforts to keep it together? Women who win at love don't have a gift you don't have.

What makes them unique, explain author and relationship coach Suzanne Venker and anthropology professor John M. Townsend, Ph.D., is that they aren't at war with the men in their lives. Women who win at love reject the concept of sexual equality and embrace male and female nature instead. If you're tired of being single, divorced, or unhappily married, and if you're willing to step outside your comfort zone to find lasting love, even if it means accepting controversial truths, this is the book for you. You know how to win at almost everything else. Isn't it time for you to win at love? In *Women Who Win at Love*, you will learn: the foolproof secrets of dating that lead to marriage how to embrace the way the sexes are naturally wired why your financial success may be undermining your chances at lasting love why love isn't enough to make a marriage work to be secure in your knowledge of how love works

The Female Logic - Bryan Bruce 2020-11-07

DO YOU WANT TO DISCOVER HOW WOMEN SECRETLY TEST MEN AND WHAT IT IS THAT WOMEN WANT IN A MAN WHEN THEY TEST

MEN? There is no denying the fact that ladies love to throw the guys off balance when it comes to romantic relationships. In any pick up attempt, the chase is on and they know you want them but you are not going to get it that easily so they test you. They test you to see if you are worthy to have the trophy.

WHY DO WOMEN TEST MEN? The thing is some ladies don't even know they are doing this. That's because the test is a built in psychological mechanism to test your resolve and for them to know the stuff you are made of. Sometimes the test is a sign of emotional weakness or insecurities on the part of the girl. But for majority of other girls, they know and

understand what you are; a pick up artist. They know the name of the game and if they do enjoy it then they are going to test you. 1- Do you have what it takes to truly love and care for them? 2- Are you mentally, psychologically and emotionally secure to love them like a real man. 3- Do you essentially have a back bone to make tough calls as need be? 4- Do you know how to play at their level without losing your man-hood? 5- Can you take the lead in tough situations and own up if you make mistakes? Believe it or not, these are some of the things that real women want from REAL MEN. If you would like to know the rest, then you just have to read this book.

HOW TO UNDERSTAND WHEN A WOMAN IS TESTING YOU AND PASS THE TEST WITHOUT EVEN BLINKING

Just as some women are not aware that they are testing men, so it is that most men are not aware that they are being tested. And if this is you, then grab a can of beer if you do drink, take a seat and get

Why We Love - Helen Fisher
2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people

who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, Why We Love offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.
