Mystery School - Naomi Navec 2019-05-28

Middle School Matters - Phyllis L. Fagell 2019-08-06

A counselor and popular Washington Post contributor offers a new take on grades 6-8 as a distinct developmental phase--and the perfect time to set up kids to thrive. Middle school is its own important, distinct territory, and yet it's either written off as an uncomfortable rite of passage or lumped in with other developmental phases. Based on her many years working in schools, professional counselor Phyllis Fagell sees these years instead as a critical stage that parents can't afford to ignore (and though "middle school" includes different grades in various regions, Fagell maintains that the ages make more of a difference than the setting). Though the transition from childhood to adolescence can be tough for kids, this time of rapid physical, intellectual, moral, social, and emotional change is a unique opportunity to proactively build character and confidence. Fagell helps parents use the middle school years as a low-stakes training ground to teach kids the key skills they'll need to thrive now and in the future, including making good friend choices, negotiating conflict, regulating their own emotions, be their own advocates, and more. To answer parents' most common questions and struggles with middle school-aged children, Fagell combines her professional and personal expertise with stories and advice from prominent psychologists, doctors, parents, educators, school

professionals, and middle schoolers themselves.

[Ultimate Guide to Surviving Middle School](#) - Lauren Brown 2010

Welcome to middle school. These few years can be full of surprises.

Some of them may be awesome while others may be a bit scary, but not to worry: This book has answers to all of the questions every middle school girl wonders about. Full color.

When the Bishop Needs an Alibi - Vannetta Chapman 2017-09-01

A Terrible Secret Hides in the Bulrushes Amish bishop Henry Lapp eagerly awaits the annual arrival of 20,000 sandhill cranes to the San Luis Valley of Colorado. But his visit to the Monte Vista National Wildlife Refuge reveals more than just a miracle of God's creation. Hidden among the bulrushes and cattails is the deceased body of a young woman. As the local authorities attempt to unravel the mystery, Henry feels God's calling to use his extraordinary talent to aid in the investigation. His ability to draw from memory in photographic detail could help solve this puzzling case. Henry's closest friend, Emma Fisher, has always urged him to embrace his gift. As their relationship deepens, Henry realizes his involvement could put him and those he loves in the direct path of a killer, one who is willing to do anything to cover up a brutal crime, including framing the bishop. When the Bishop Needs an Alibi is a compelling story of faith, friendship, and finding courage only God can provide.

The Journey of Andrea - Andrea 2015-12-08

The book is about this girl named Andrea. When she born, she only was 1bl and 1oz. When her mom was in labor with Andrea, she had come feet first. So they to rushed her to another hospital because she almost died. They both could have died if they didn't make it to the other hospital on time. So when Andrea was old enough to go to school, that was when she found out that she had a learning disability problem. She was not a fast learner like the other students. So her whole school years, she was placed in a resource class with the mentally retarded student. While she was in school, her whole year she was bullied because of her learning disability problem. It's also about when she was coming up, she didn't get a chance to have a birthday present or Christmas present because she was kind of poor. And it is about how she lost her father and grandma and auntie. It's about how she quit school and went off to a company for work. And how she ended up and so many different relationships while she was going to the company. The other thing is how she kept her boyfriend back at home while she was in a relationship with so many guys at work. But she finished work at the company and got a job working at a manufacturing plant and falls in love with this guy that already had a girlfriend. After that, she got fired from her job because the supervisor lied and said that she was not working. So she ended up unemployed for about a year. That is when she found another job at a manufacturing plant and ended up having other woman hate on her just because of this nice-looking guy that liked her. That was when she met a guy that she didn't know anything about and ended up moving with him and his daughter.

[Speak Up!](#) - Halley Bondy 2019-08-01

Middle school is a tough time for nearly everyone, but it can be especially hard on girls. Between social and cultural pressures, academic challenges, family dynamics, changing hormones, and a growing awareness of the world around them, middle school girls often end up feeling voiceless and powerless. They can struggle with speaking in class, standing up for their beliefs, navigating complicated social situations, and generally letting their voices be heard. *Speak Up!* confronts these issues head on. In a relatable, frank tone, *Speak Up!* lets young girls know that what they have to say is important and that their thoughts are worth hearing. By presenting real issues and scenarios that girls will recognize from their own day-to-day lives, as well as exploring the negative thoughts and feelings that can hold them back, *Speak Up!* will supply girls with the tools they need to understand their feelings and speak up in any situation. Interactive exercises, lists, real-life examples, and attractive graphics will keep the readers engaged from start to finish. More than a book about self-esteem, *Speak Up!* addresses the cultural factors that hold girls back, and features real strategies to enable them in finding, and using, their voices.

Just hoping to have some fun? If you answered yes to any of these, you're living *The Quiz Life!* Marina knows what it's like to want to know where you fit in with guys, with your friends, within the bigger world out there. And quizzes can let you do all that—and have fun too! Each quiz—and there are forty!—has five questions with three choices.

[First Crush](#) - Linda Seed 2022-07-23

He broke her heart back in high school. Now, eighteen years later, he's the only one who can heal it ... Bianca Russo is happy enough practicing pediatric medicine, sharing a house with her sisters, and dating a decent but dull gastroenterologist who's her best bet to give her the marriage and children she craves. When TJ Davenport reenters Bianca's life after almost two decades, the passion she felt for him when she was sixteen is

more than just a fond memory—it's a fire that reignites, threatening to burn down her safe and sensible plans. *First Crush* is the second book in Linda Seed's *The Russo Sisters* series, but it also can be read as a stand-alone romance.

[I Was Blind \(Dating\), But Now I See](#) - Stephanie Rische 2016-01-01
Eight setups. Eight awkward dates. Eight things God tried to teach her along the way. (Some of which she's still trying to figure out.) Stephanie Rische was starting to feel invisible. All around her, her friends were getting married, and she found herself decidedly alone. Stephanie couldn't help but wonder if there was something broken in her—was she not pretty enough? Not fun enough? Not dateable enough (whatever that meant)? So she started praying in earnest for God to bring the right man into her life. And instead, He brought her matchmakers. Eight of them, to be precise. Beloved blogger Stephanie Rische debuts with this charming, vulnerable, and (who are we kidding?) often mortifying true story of a girl who tried really hard to find someone to fall in love with—even when she mostly just ended up falling flat on her face. But amid the most cringeworthy setups and awkward encounters, Stephanie found God's grace and love meeting her there in ways she never could have imagined—once she opened her eyes to see.
