Make It Happen Jordanna Levin 2019-05-06 A fun, practical and easy-to-follow guide to manifestation for a whole new generation. 'Like a best friend, Jordanna will hold your hand and guide you towards your dream life.' - Melissa Ambrosini, bestselling author of Mastering Your Mean Girl 'Witty, practical and laugh out loud funny.' - Cassie Mendoza-Jones, You Are Enough Everyone can manifest. We're all doing it-every second of every day-without even realising it. For years, journalist and podcaster Jordanna Levin thought that she was psychic. She would worry about things and they would come true. But she wouldn't just worry; she would feel them, take subconscious action towards them and believe with every cell of her being that they would happen-and most of the time, they did. A broken foot, a cancelled flight, a tragic love story... the list went on. She soon realised that she wasn't just predicting the future, she was manifesting it. Until one day she changed the game. If she could manifest mishaps and disasters, why not the things she actually wanted? In this warm and witty book, Jordanna shares her personal experiences and struggles along with her foolproof equation for manifesting whatever you desire, from your dream job to a lasting relationship. Whether you're a matter-of-fact skeptic or a somewhat hippie yoga-lover, Make It Happen will empower you to take ownership of your life and create anything you want.

Hey Girl You Got This Manifestation Journals 2019-08-25 Designed as a goal and success habit tracker, this is a wonderful and attractive weekly planner made especially for the law of attraction manifestations, scripting, mantras, or quotes, positive affirmations, and personal gratitude entries. You can even take small clippings from a magazine and apply them in the "this is my story" area. Or simply write a short story to be repeated often with great vibes and belief. Logging and tracking daily techniques (and water too) while setting intents, is what this planner is all about. You can use the water tracker for health goals or for the water manifestation technique. Undated so that you can begin as desired, and perfectly sized for "on the go", this book is an excellent companion to all of your manifesting tools. Rather you are home, at work on break, or anywhere away from home, you can make use of it and be sure to set your intents practicing your visualizations, affirmations, and any other manifestation techniques SEVERAL times a day if desired. Manifestations of your truest desires are brought about quickly when repetitions of suggestions are put into play. So put them into play vividly, and as you visualize, attach all senses to the imaginations (making it real as though it is so at the present time) and it will soon be so. It is law, and you create your own reality. You can have all that you desire, and you can make your dreams come true. Focus, and the ability to convince your mind of your new truths is all it takes. Happiness, love, healing, success, and abundance can all be obtained by the power invested in you. Allow this planner to be a part of your great success towards your deliberate intents. You can do anything. Are you ready to realize that? Well let's manifest intentionally and start living your BEST LIFE EVER! Upon opening, there is a "THIS IS MY TRUTH" message especially for you. Calling in "The One" Katherine Woodward Thomas 2007-12-18 Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? Are you ready, instead, to find "The One"? In Calling in "The One," Katherine Woodward Thomas shares her own personal experience to show women that in order to find the relationship that will last a lifetime, you have to be truly open and ready to create a loving, committed, romantic union. Calling in "The One" shows you how. Based on the Law of Attraction, which is the concept that we can only attract what we're ready to receive, the provocative yet simple seven-week program in Calling in "The One" prepares you to bring forth the love you seek. For each of the 49 days of Thomas's thoughtful and life-affirming plan, there is a daily lesson, a corresponding practice, and instruction for putting that lesson into action in your life. Meditation, visualization, and journaling exercises will gently lead you to recognize the obstacles on your path to love and provide ways to steer around them. At the end of those 49 days, you will be in the ideal emotional state to go out into the world and find "The One." An inspirational approach that offers a radical new philosophy on relationships, Calling in "The One" is your guide to finding the love you seek.
