

How To Seduce A Girl Who Rejected You

Seducing a Woman with Words - Lucas Lautier

2018-05-31

"Hi, how are you?" Do you count on seducing a girl with this kind of line? Really? May he who has never ended up in the friendzone cast the first stone at me. We've all already found ourselves in this uncomfortable situation: the one where we try to go further with a friend before being gently rejected. And yet, by applying some powerful advice that would have allowed you to position yourself otherwise in the nascent relationship, you would surely be in a relationship with this woman at this time. The secrets I am about to pass on to you have made me the man I am today: a true and complete man who is aware of the hidden power of words. The seduction

techniques that you will soon learn have allowed me to sleep with more than forty women at only 22 years old. Passionate about human psychology (and female beauty), I looked into the subject very early to reach my goals. I ended up mastering the tricks of the trade to a point where everything became too easy... Seducing a woman by SMS, approaching on Facebook or flirting on Tinder is child's play for me. This is what you're going to learn in this book: - How to never again end up in the Friendzone by learning the difference between a classic conversation and flirting (many people confuse the two). We don't talk to a friend in the same way that we would talk to a potential future girlfriend. - How to effectively start a conversation with a woman on a dating site

or Facebook and make her want to get to know you, by differentiating yourself from other men. - How to never run out of subjects to talk about, by using the storytelling technique. - How to position yourself in the emerging relationship to be and continue to be the alpha-male and to control the upcoming sequence of events. - How to make a girl want you without seeming like a pervert. To handle the art of sexualisation like a God. - How to appear mysterious and make her crazy for you in a short amount of time. - How to be light-hearted, funny and endearing by using humour. The examples will be as real as can be and modelled on real conversations. All of the extracts from discussions which will be presented to you are not made up but rewritten versions of, or strongly inspired by, my past conversations: everything is authentic (except the names used for obvious confidentiality reasons). Ready to be part of the elite? The group of 5% of men who seduce Facebook, Tinder,

Happn, Bumble, Match.com, OkCupid, Instagram and many others. And who sleep with all the women of their dreams.

Magic the Pickup - Donald Campbell 2019-07-03

It has always been the ultimate game for men since time immemorial. We have always sought to be desirable and attractive to the females of our species at every point in life. Becoming attractive to a woman is both a hard and easy task, though. It is hard for men without the required knowledge and charm to pull off the game. It is easy for those men who have mastered

the game and use their knowledge to control the game from the moment they meet a new female target.

Unfortunately, most men belong to the first group. They are unable to score as often and as quick as they want. They go through confidence-sapping rejection. They panic and get anxiety attacks when they walk up to a beautiful woman. Their tongues get tied up, and they end up making the woman disinterested in them.

Do you Have problems getting women to like you? Find it difficult to get these women to end up in your bed Want to learn to build your confidence up? basically impossible to copy. So what makes women so attracted to me? I'm not well-build and full of muscles, I'm not tall and blond; I just don't have anything in me or in my behavior that can make me look like a potential threat to other men. And yet they perceive me as one. But they only perceive me as one, once they see all the girls moving towards my side, leaning on me, and hooking on me. Like a Ninja, I am impossible to detect until the job is done. And that, I believe, increases the level of mystery in what regards my personality and my social magnetism. The qualities presented here emerge from a peculiar attitude to life, one that emanates a vibe women can feel and are unable to resist. And it's much more than

what shows in confidence; but you'll have to read more to find the big secrets that even most PUAs don't know.

enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to
