Find Out Anything From Anyone, Anytime - James O. Pyle 2014-01-20
 The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how

to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989.

Project Everlasting - Mathew Boggs 2007-06-05
 A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-

three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to come how to build a marriage to last.

Finding Happily; No Rules, No Frogs, And No Pretending - Collette Gee
2021-08-22

After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be themselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to dating and relationships 'happily ever after' is not an ending; it's a journey." If you are ready to rethink dating and relationships and find love under your own terms, then this book is for you. If you are ready to stop doing "the rules," kissing frogs and pretending to be someone you are not, then this book is for you. This is the last dating and relationship

book you will ever need! This is not another one of those dating and relationship how-to-guide that over promises, but under deliver. Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.

The Art of the Text - Zac Miller

————— Finally! A Useful Guide on How to Text Girls

————— Hi, my name is Zac Miller, and in my book *The Art of The Text*, I go over everything when it comes to how to text a girl. When you are done reading this book, you will know the right words to text to girls and the right time to say it. Girls will feel a sense of urgency to reply to your texts. You will get more dates and less flakes. You will understand exactly what to text girls! Here's What You'll Learn In My Book: —————▼————— • Why texting is such a BIG DEAL in today's society and how it can make or break your chances with girls! • Use the equation on this page to GUARANTEE you won't ever get flaked on for a date again. • My 3-step system for texting girls that has been time tested

and it WORKS. • I devote all of Chapter 3 to explaining the easiest ways to get a girl's number. • Learn how to build attraction with women and what your main focus of texting should be. • Should you use emoticons? • Don't be another guy making this very common mistake! • If a girl puts any of these items in her text messages, she's into you. • Violation of this rule will kill your chances with a girl faster than anything else. • Use this copy and paste line after you get a girl's number to introduce yourself. • The two MAIN reasons guys mess up with texting AND with girls in general. • Use any of these TWENTY NINE "copy and paste" example opener messages to start texting girls right away. • I've found doing this one thing is the best chance you have if a girl isn't responding to your text messages. • Flip a common technique girls use on guys and have her thinking about you all day. • A HUGE list of example nicknames you can assign to different girls you are texting. • The science of projecting messages into the future. • In chapter 6 I teach you how to ask girls on dates by giving you lines you can use via texts or on the phone. I don't leave you hanging either, I give you tons of great first date ideas and how to handle texts after the date. • And so much MORE!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled *Subconscious Attraction*, which teaches you 3 techniques which attract women on a subconscious level. This report is not available to the general public. —————

If you'd like more dates with more girls, buy this book. If you want to stop wasting time on text conversations that go nowhere... then buy this book. What are you waiting for? Click the "Buy Now" button at the top of this page and get your copy of *The Art of The Text Now!*

2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. *How to Attract Women if You're Not That Attractive*

answers everything you need to know about attracting women if you do not look like Prince Charming.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Here Is A Preview Of What You'll Learn- What to text him when you want him to take you out- What to text him when you want to see more of him without sounding too needy or clingy- What xx's at the end of texts mean- What to do when you're disappointed that he's cancelled your date...again- My #1 fail-proof method to texting men - The 5 texts men LOVE to receive from you (as told by men)- Texting tips he wish you knewThe foundation of every good relationship starts with communication and this should not be ignored in any communication platform. Maybe you've engaged in a texting marathon and now your relationship is stuck in texting limbo. You want him to ask you out or even give you a call but you don't know how to say it? In this Ultimate Guide to Texting, I've teamed up with top quality men to create texts you can send in the most common dating scenarios - for all those times you want to be flirty and confident but am not sure how. People who have bought this say:"The guide to texting men really changed my perception about texting guys. I would normally just speak my mind without thinking about how they would receive the message and how it would make them feel. I now know from reading the book that that's where I was going wrong. I applied this to a real-life scenario recently

when a guy texted me and cancelled on me last minute. At first I was annoyed and I wanted him to know I was disappointed but I remembered from reading the book that it is not WHAT you say but HOW you say it. So, I simply shifted the tone and language of the message to be understanding and empathetic but subtly letting him know I was disappointed. He responded really well and we organised another night! I feel so much more confident texting men now. Safe to say it's my texting bible!" - Brianna "This book offers so many interesting real-life examples and actionable tips on how to nail the texting game. It's an awesome read regardless of whether you're single or in a relationship." - JenWant him to ask you out? or maybe your guy takes ages to respond to a text and you want to tell him it's not on with you. How do you communicate your standards as a high value woman without sounding bossy, needy or pushy? In this ultimate guide to texting, you will have access to all 'man-approved' scripts you can use to get through the early stages of dating and communicate what you want.I am a dating and relationships coach at 30everafter, specialising in helping single women find the epic love they crave.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically

effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value.

You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material'The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex)The 3-Step process to set standards that makes a man respect and WANT to complyThe Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want)The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour

The Dating Blueprint - Jason Evert 2019-10-11

Women don't feel comfortable telling a man what they wish he knew about dating. He's expected to know it. Unfortunately, the only time men receive specific guidelines is when they're being told what they're not supposed to do. As a result, very few know what they are supposed to do! What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds! Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: · How would you want a man to ask you out? · How do you not want to be asked on a date? This book reveals their surprising answers, plus: · How to know if she's the right one · Where women don't want to go on a first date · What word they want a man to say when he asks · When, where, and how he should ask · What she hopes the date will include · How a man can save his marriage before he's married Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look a woman in the eye, and ask her on a date. *The Dating Blueprint* explains how.

3-book series for one low price. Written by "The East Coast Dan Savage," Woody Miller is a gay dating advice columnist and former host of HBO's *The Sex Inspectors*. Book #1: MEET HOTTER GUYS This manual will help you develop rock star confidence. Imagine being able to walk into a room and get noticed right away. You wouldn't be afraid of rejection. You'd be able to start conversations with anyone anywhere at any time. And those conversations would capture the imagination, stir curiosity and set the stage for a real connection. You'd be able to start a conversation with a good-looking guy who doesn't look interested and charm him into wanting you. You'd know how to disarm guys who think you may be hitting on them so they'll relax enough to have a conversation (and give you a chance to see you as a potential partner them). You'd know how to prevent "conversation stalling" and awkward silences. Book #2: ATTRACT HOTTER GUYS Are you subconsciously sending "go away" signals to cute guys? Look in the mirror. Your body language may be all wrong. It's a good bet that half the guys you like are turned off by your body language. This guide will show you how to use seductive body language to make yourself more approachable. You'll learn how to: * Shake hands * Lean in (or away) * Point your feet (yes, feet, long story) * Angle in a certain way during conversations * The direction you approach guys you want to meet * The way you look at guys you're interested in * The way you use your body to catch their attention * The way you use your hands to gesture. Book #3: TEXT HOTTER GUYS How long should you wait to text? Why is he taking so long to respond? How can you come up with consistently clever texts? How do you amp up the romantic or sexual tension? How do you get shy guys to ask for your number? How do you turn distant guys into passionate dates? How do you get guys to pursue you. The first texting guide for gay men answers all these questions. You'll also learn how to: * Say something clever. * Create attraction. * Turn his texts into calls. * What to say on that first phone call. * Post-date texting that'll heat up the sexual and romantic tension. * What to do if you're only in it for the sex. We Should Get Together - Kat Vellos 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Vellos, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.
