How to Attract Women - Zac Miller 2020-03-08

Can I Ask You a Question?

What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my

name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this

day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs).

Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away.

Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date -

We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you.

Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report,

Secret to Attracting Woman: How to Meet Your Perfect Girl and Make Her Beg to Be Your Girlfriend - Pamela

Paul 2012-11

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.

Michelle Mitchell has spent the last 10 years day-in, day-out, listening and talking with teenage girls about their lives, loves, hates and hopes. In this book she reveals that it's what your daughter isn't telling you rather than what she does tell you that matters the most. Featuring an engaging and fresh voice, this book is full of straightforward advice in a complicated world. Its honesty, reality and practicality is ably illustrated by the many real anecdotes from teenagers themselves about their hectic everyday lives.

Do you want to get her with a proven yet easy 3-step method? 5. Do you want to get her in the next 30 days or less? If your answer is yes, grab this copy and do a favour to your manhood. Once you completed reading and implementing the things that I told in this book, you will have your dream girl as your girlfriend by the end of next 30 days. You will also learn the following: 1. How to give a girl that same feeling of "I have to have him" that she gets from a guy who is rich, famous, or good looking without being any of those things yourself. 2. How to avoid mistakes almost all guys do while trying to keep a girl interested that "actually repels her twice as fast". 3. A proven exercise to develop a stone cold, unshakable inner confidence that allows you to approach a girl "in any situation without getting nervousness/fear". 4. How to

avoid the deadly mistake many guys make while trying to get a girlfriend that guarantees they end up in "the friend zone". 5. What you must do if you want to keep a girl interested in you forever (the key to having a long-term relationship with a dream girl-conversation 2.0.). 6. How to use "unpredictability" and "excitement" to give a girl that addictive rush of adrenaline that keeps her coming back for more (learn these, you will never have to worry about her losing interest in you... leaving you for another guy). 7. You know that "nervous" feeling you get in your stomach when you see a beautiful girl you want to meet. You will find specific exercises to use that instantly eliminate all feelings of nervousness and charge yourself with confidence right there on the spot. 8. Best ways to "tease" a girl that builds up a "powerful sexual tension" that gives her no choice but to make an aggressive sexual advance towards you. 9. Most men are not very good at reading female body language. I will

show you how to use and read eye contact & body language that most men don't even know that exist.¹⁰ How to create an irresistible attraction without being rich and handsome that draws pretty girls like a magnet to you and much more...and much more. It has taken me a long time to figure out all of the things--that you are about to learn in this book. I have spent years to understand this stuff. I have been there and I will show you the path to get there that too in the next 30 days or less. For the rest of your single life this much is for sure: You are going to see girls that you want to

meet. Or You are going to talk to a girl somewhere, think that she is attractive and want to get her phone number so you can meet her again. Or You are going to be out with a girl and want to get physical with her. The big question is...Are you going to let each of these opportunities slip by and never know what might have happened? Or Are you going to know exactly what to say and do to succeed? If you want to get your dream girl as your girlfriend, grab this copy... by the end of the next 30 days or less, you will see amazing results with girls you have always wanted!
