Daddy's Little Girl - Rhetta Jackson 2019-05-15

Not everyone was given a dad who loves unconditionally, never leaves, or is present in the moment. If you grew up anything like I did, you were abandoned and had to figure out what life is all about for yourself. Bigger and deeper than that, you were left to figure out who The Heavenly Father is without a proper introduction and you may have made some wrong turns. Still, there is a Father who never stops loving unconditionally, is always there, is always a very present help and the greatest feeling in life is knowing that you never have to earn it.

Daddy's Little Girl Devotional teaches you how to be a daughter in a safe place and receive the love of The Father!

[The Good Girls](#) - Teresa Mummert 2015-04-06

My life was meticulously planned and I refused to deviate from that path. While my peers were partying, I prepared for the future. Then a

tragic event destroyed everything and I learned that while I was looking ahead, I forgot to live in the moment. Starting over seemed impossible until I met Cara McCarthy, who lived every day like it was her last. She opened my eyes to a world of chaos and disorder. I loved every minute of it. She was also dating Tristan Adams, one of the most gorgeous men I'd ever seen. The three of us became inseparable. Our parents were oblivious and soon lines became blurred, feelings began to grow, and someone's heart was going to get broken. I hoped it wasn't mine.

[The Boy Who Was Born a Girl](#) - Jon Edwards 2013-04-11

unconditionally to helping her child. For Jon, the changes that follow are his path to happiness. But for Luisa, this means coming to terms with the enormous loss of her daughter.

What Teenage Girl's Don't Tell Their Parents - Michelle Mitchell 2011

As a parent you know that your 'child' is not just another teenager, struggling to grow up. She is your daughter. That in itself makes her the most unique and important teenager in the world. But when your sweet little girl suddenly stops talking, won't do anything you tell her to do, and starts dressing like she stepped out of a celebrity magazine, you start wondering what went wrong. Michelle Mitchell has spent the last 10 years day-in, day-out, listening and talking with teenage girls about their lives, loves, hates and hopes. In this book she reveals that its what your daughter isn't telling you rather than what she does tell you that matters the most. Featuring an engaging and fresh voice, this book is full of

straightforward advice in a complicated world. Its honesty, reality and practicality is ably illustrated by the many real anecdotes from teenagers themselves about their hectic everyday lives.
