Maybe Someday - Colleen Hoover 2014-03-18

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when she becomes captivated by her mysterious neighbor Ridge.

Mighty Miss Maya - See It, Then Be It - Ann

Tisdale 2020-09-16

Mighty Miss Maya is about a fierce little girl who doesn't let anything stand in her way. Maya

and her dog, Abby, go on fantastic adventures, seeing new sights, and learning new skills. Sometimes, Maya faces big challenges and feels very stuck. Luckily, she knows just how might she is. "See it, then be it," she reminds herself, and she soon finds that there's almost nothing she can't do!

You Look Like a Thing and I Love You -

Janelle Shane 2019-11-05

As heard on NPR's "Science Friday," discover the book recommended by Malcolm Gladwell, Susan Cain, Daniel Pink, and Adam Grant: an "accessible, informative, and hilarious" introduction to the weird and wonderful world of artificial intelligence (Ryan North). "You look like a thing and I love you" is one of the best pickup lines ever . . . according to an artificial intelligence trained by scientist Janelle Shane, creator of the popular blog AI Weirdness. She creates silly AIs that learn how to name paint colors, create the best recipes, and even flirt (badly) with humans—all to understand the

Downloaded from
legacy.opendemocracy.net on 2019-03-01
by guest

technology that governs so much of our daily lives. We rely on AI every day for recommendations, for translations, and to put cat ears on our selfie videos. We also trust AI with matters of life and death, on the road and in our hospitals. But how smart is AI really... and how does it solve problems, understand humans, and even drive self-driving cars? Shane delivers the answers to every AI question you've ever asked, and some you definitely haven't. Like, how can a computer design the perfect sandwich? What does robot-generated Harry Potter fan-fiction look like? And is the world's best Halloween costume really "Vampire Hog Bride"? In this smart, often hilarious introduction to the most interesting science of our time, Shane shows how these programs learn, fail, and adapt—and how they reflect the best and worst of humanity. *You Look Like a Thing and I Love You* is the perfect book for anyone curious about what the robots in our lives are thinking. "I can't think of a better way

to learn about artificial intelligence, and I've never had so much fun along the way." —Adam Grant, New York Times bestselling author of *Originals*

Pup-Napped! - MeLisa Lomelino 2018-09-09
Comedy YouTube stars, the GEM Sisters, need your help to solve their very first mystery. Real life sisters Giselle, Evangeline and Mercedes never set out to be detectives, but when an adorable dog named Bingo goes missing they try to help. Soon the GEM Sisters discover that the dog isn't missing at all. He's been Pup-napped! Will the new Sister Detectives have what it takes to stop a criminal and save the dog before he's lost forever? Read the fun adventure to find out!

The Only Girl in the World - Maude Julien
2017-12-07

For readers of *Damaged* and *Running with Scissors*, a chilling exploration of psychological control that ends with a glorious escape. Maude still remembers the sound of the gate being locked behind her. She was three years old when

Downloaded from

they moved into the secluded manor and in the coming years, she would only be allowed out a handful of times. Her parents belonged to a fanatical Masonic order. She followed a strict schedule of study, hard labour and endless drills designed to 'eliminate weakness', such as holding an electric fence without flinching and sitting in a rat-infested cellar. But despite their chilling psychological control, her parents could not control her inner life. Befriending animals on the lonely estate and characters in the books she read, Maude nurtured in herself the compassion and love her parents forbade.

No One Asked for This - Cazzie David 2020

From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

Girl Behind Dark Glasses - Jessica Taylor-Bearman 2019-09-04

From a darkened world, bound by four walls, a young woman called Jessica tells the tale of her

battle against the M.E Monster. The severest form of a neuro immune disease called Myalgic Encephalomyelitis went to war with her at just 15 years old. From beneath her dark glasses, Jessica glimpses a world far different from the one she remembers as a teenage school girl. This true story follows her path as she ends up living in hospital for years with tubes keeping her alive. This harrowing story follows the highs and lows of the disease and being hospitalised, captured through her voice activated technology diary called `Bug' that enables her to fulfil her dream of one day becoming an author. It provides a raw, real-time honesty to the story that would be impossible to capture in hindsight.

'Yankee Girl' and taunted by the in-crowd at school, Alice soon discovers the other new girl Valerie - one of the school's first black students - has it much worse. Alice can't stand the way Valerie is treated, and yet she knows she will remain an outsider if she speaks up. It takes a horrible tragedy to finally give Alice the courage to stand up for what she believes. Set in the Deep South in the 1960s, Yankee Girl is a powerful, resonant and relevant story about racism and doing the right thing.

Luckiest Girl Alive - Jessica Knoll 2015-09-08
"In a riveting debut novel that reads like Prep meets *Gone Girl*, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at *The Women's Magazine*, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood.

Downloaded from
legacy.opendemocracy.net on 2019-03-01
by guest

But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at

redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--
You're Not Special - Meghan Rienks
2021-09-28

In her first ever (sort of) memoir, YouTube sensation Meghan Rienks gets personal about everything from drunken debaucheries to mental health. As an only child, Meghan has always been pretty good at entertaining herself. Then one day--cue the dramatic voice-over--her life changed forever. On June 12, 2010, Meghan was diagnosed with mononucleosis. Mono is basically just a really bad case of the flu, right? Wrong. To a party-crazed sixteen-year-old, mono is nothing less than social suicide. So Meghan opened up her 2009 MacBook and recorded her first

*Downloaded from

YouTube video. Since then, she has shared the ups and downs of her life on the internet, documenting her coming-of-age for the whole world to see. Not that she's (mostly) through her awkward stage, Meghan's her to tell you that it gets better. Sometimes a bad hair day feels worse than a punch in the gut and asking a boy out seems as difficult as achieving that perfect dewy glow. But despite what you've been told, your problems are not unique, and somebody out there has felt the same way you feel right at this very moment. You're not special. But on the bumpy road to adulthood, you're also not alone. Rooted, Resilient, and Ready - Lindsay Sealey
2020-03-17

How to help—and how not to hinder—your teenage daughter's healthy development as she prepares to step into her own circle of power. Today's teen girls face pressures such as an increase in mental health concerns, mounting demands to be both beautiful and successful, and addiction to social media and the approval

of others, all of which can result in a damaging decline in personal satisfaction and self-esteem. Rooted, Resilient, and Ready explores how today's teen girl assembles her identity through the interweaving of genetics, family, and friends, and the masks she may feel she needs to wear to be accepted, such as the super girl, the invisible girl, or the cool girl. The book counters the negative cultural messages and potential for disordered eating that affect a teen's body image and guides parents through Lindsay Sealey's three-part approach to a happier, healthier teen: food, fitness, fun. Balancing research with practical advice and interviews, Sealey encourages parents to nurture the process of their teen's development and guide their teen girls even though they may often feel out of step with them. Journeying with teen girls from lost and let-down to fierce and fearless, Rooted, Resilient, and Ready gives parents the tools to prepare their daughters to step into their power and potential, choosing progress over perfection,

security over uncertainty, happiness over self-pity, and authenticity over conformity.

Within the Folds of a Swan's Wing - Jennifer Walker 2020-11-24

FROM EXCITING YA AUTHOR JENNIFER WALKER What if the one element that has always defined you as a geeky outcast has the potential to catapult you into being the next big thing? A Black girl adopted into a White family, Jodie has always felt out of place, especially at her mainly middle-class, white high school. Used to being a ghost in the halls, she has always found solace alone in her room surrounded by a world of Stephen King novels, Oreo cookies, Dave Brubeck jazz riffs and origami. Forever classified as a geeky outcast, she finally finds two unlikely friends who share her interests and accept her as she is—Bethany, the visually-impaired new girl, who has autism, and Jared, the home-schooled, self-proclaimed nerdy frozen-yogurt clerk who she's crushing on big-time. But when the origami tutorial videos she

creates go viral and have the potential to thrust her into the center of popularity, fortune and fame, Jodie is faced with a decision. She needs to choose whether to expose her identity and capitalize on the chance of being accepted by all those who have always shunned her or run the risk of jeopardizing the only real friendship and true relationship she's ever had.

Literally Me - Julie Houts 2017-10-24

"Julie Houts has cultivated a devoted following as "Instagram's favourite illustrator" (Vogue) by lampooning the conflicting messages and images women consume and share with the world every day. A collection of darkly comic illustrated essays, *Literally Me* chronicles the daily exploits of "slightly antisocial heroines" (Refinery29) in vivid, excruciatingly funny detail, including: -The beauty routine of a deranged bride who aspires to be "truly without flaws" on her wedding day - What happens when Kylie Jenner has an existential crisis and can no longer "step out" -A journey to Coachella by the Four Horsewomen of

the Apocalypse -The true dating confessions of a fembot -The terrifying description for Alice Staunch's book How to be the Perfect Feminist - The diary of Fiddle Ficus, a tree that lives inside a CÉLINE store, and much more. Literally Me marks the launch of a brilliant new social satirist. Julie's singular voice and beautiful illustrations reveal the truth about the absurdity of life in the social media age: the line between becoming a total 'Girlboss' and a 21st-century American Psycho is razor-thin."--Dust jacket.

An American in Provence - Jamie Beck

2022-11-08

Let Jamie Beck transport you to the South of France with An American in Provence: part art book, part travelogue, part memoir, and part cookbook, and perfect for art lovers, Francophiles, and armchair travelers alike. An American in Provence is a beautiful collection of exquisite portrait, scenic, and still-life photography from wildly popular and award-winning photographer Jamie Beck. Looking to

slow down from her fast-paced life in New York City, Beck moved to the French countryside documenting her life as "An American in Provence." What started as a one-year getaway became five as she continues to chronicle her life there through her photography on Instagram @JamieBeck.co, including the birth of her daughter, Eloise, all in the most breathtaking way. In An American in Provence, Beck shares her tips and techniques for creating incredible photos and details her transformational journey as an artist and woman. Beck also includes farm-to-table recipes she's learned along the way, including Braised Beef Stew, Spring Chicken with Herbs de Provence, Fresh Tagliatelle Pasta with Spring Asparagus, and Lemon Meringue Tart. This stunning visual journey is sure to delight anyone who wishes to escape reality and immerse themselves in life in Provence.

On Digital Advocacy - Katie Boue 2023-07-18
 Whether you hike, bike, camp, climb, hunt, ride, paddle, paint, garden—whatever way you get out and enjoy nature, you leave an impact on the outdoors every time you step out your front door. Every step your boots take down dusty trails, every bolt your clip draws into, every time you cruise down a dirt road, till the soil, you leave an impact. Outdoor recreation inherently leaves an impact on the land, but we can work to offset that impact by advocating for earth in our own circles, online and in our neighborhoods. The question is, can we use the digital space to protect the outdoors while still protecting our

human spirit? We all share a responsibility to protect our planet--especially those of us in the outdoor industry--and in the digital age, access to advocacy is abundant. Social media hands us the tools to get educated, gather resources, organize and empower ourselves on whatever slice of the "save the planet" pie tickles your appetite to do good. The opportunity and potential for digital advocacy is dizzying--but what happens when we begin to tangle our

personal identities with our pursuit of saving a dying earth? As users of public lands, we have an ethical responsibility to the planet. As inhabitants of our identities, we have an ethical responsibility to ourselves, too. Inside, the book covers topics like: The two types of advocacy
Becoming an advocate for the outdoor industry
Voting for the outdoor spaces you love the most
The advocacy retention cycle
Online bullying and stalking
