Women and Fashion - 1988

Before You Put That On - Lloyd Boston

2010-12-07

Style guru Lloyd Boston is familiar to millions of viewers across the country as a fashion editor for NBC's Today show and a regular on E! Entertainment's Style Network. He's familiar to readers who made his style guides for men -- and the women who dress them -- bestselling books. Now with *Before You Put That On*, Boston delivers 365 expert fashion tips to help women create a wardrobe and a personal style they can be proud of every day of the year -- using much of what may already be in their closets! Lloyd Boston defines finding your style as "taking your world and giving it shape." That's what he's done for his individual and corporate clientele for years, and now with this beautifully designed book -- including his own original art -- he's offering his insider secrets to you. Boston's user-friendly references are filled with inspirational ideas for looking and feeling your most stylish. Friendly, frank, and with a wealth of professional tips at his disposal, Boston guides readers through an entire year's worth of fashion choices, beginning with a new style resolution at the top of the year, through the fresh fashion possibilities of spring and barely dressed days of summer, and back through the glittering holidays. *Before You Put That On* offers:

- Hints for choosing garments to flatter every body type
- Simple solutions for going from day to night in minutes
- Tailoring tricks that bring new life to items you already own
- Advice on adding accessories that turn a look from frumpy to fabulous
- Organizational tips for creating a user-friendly closet

The Female Offender--1979-80 - United States.

Congress. House. Committee on the Judiciary. Subcommittee on Courts, Civil Liberties, and the Administration of Justice 1981

Fabulous Frocks - Jane Eastoe 2008-09-15

Since Coco Chanel invented the little black dress

in 1926 it has become a staple for a woman's wardrobe. Even considering the many decades it's been since women discovered trousers and separates, women dream of wearing glorious, glamorous gowns, whether its on the Hollywood red carpet, or perhaps on her wedding day...No item of clothing has endured for longer than the dress. Yet the last century alone has seen the most radical changes of style - hemlines swinging from ankle to thigh; outlines alternating between the body-hugging and the bell - and our fascination with 'the frock' has not gone away. From Gres' draping to Dior's New Look, from Mary Quant's mini to Hussein Chalayan's mechanical marvels and Kate Middleton's wedding dress, this book looks at the dress in a century of fashion. Thematic chapters set out the inspirations and implications for each new change in style alongside stunning photography. A celebration of the dress in all its forms, *Fabulous Frocks* is sure to fire any fashionista's imagination.

Female Fetishism - Lorraine Gamman 1995

The aura of passivity that has for centuries surrounded female sexuality in popular culture, psychology, and literature has, in recent years, dissipated. And yet fetishism, one of the most intriguing and mysterious forms of sexual expression, is still cast as an almost exclusively male domain. Most psychoanalytic thought, for instance, excludes the very possibility of female fetishism. The first book on the subject, *Female Fetishism* engagingly documents women's involvement in this form of sexuality. Lorraine Gamman and Merja Makinen describe a wide array of female fetishisms, from the obsessional behavior of pop fans (and pop performers such as Madonna) to fetishism in advertising to women's involvement in the world of dress clubs and fetish magazines. The authors provide provocative evidence of food fetishism among women, arguing that many eating disorders are best understood from this perspective. A latter portion of the book includes a discussion of how feminists have treated the political and cultural

significance of female fetishism.

Dior - 2015-09-15

The Dior Bar suit is one of the most influential designs in the history of fashion. On February 12, 1947, Christian Dior presented this voluminous skirt combined with a jacket featuring a tiny waist, a pronounced bust, and enhanced hips in his first collection in the salons of 30 Avenue Montaigne. After the show, the editor in chief of Harper's Bazaar, Carmel Snow, exclaimed: "It's quite a revolution, dear Christian! Your dresses have such a new look!" The phrase made headlines. Dior's New Look transformed the zeitgeist of a postwar France and heralded a storied career for his label. The New Look was an immediate sensation, and everyone wanted to wear the silhouette that Dior was later to describe as "the return to an ideal of civilized happiness." Almost seven decades after its creation, the New Look revolution and its spirit continue to inspire the House of Dior. Published to accompany the Dior: The New Look Revolution exhibition at the Musée Christian Dior in Granville, France, this stunning volume presents a rare collection of images that illustrate the Bar suit, from the initial sketches drawn by Christian Dior to the sartorial perfection of the completed outfit, as well as the many versions it has inspired. From Yves Saint Laurent to Raf Simons, season after season, the designers of Dior have interpreted the legendary curves of the Bar suit, dreaming up bustier versions, designing it in woolen denim, or adorning it with masculine prints. With exquisite photography and insightful text surveying over sixty years of Dior's sublime reinvention, this book is a must-have for followers and students of fashion.

Old Clothes, New Looks - Alexandra Palmer 2005

The history, global trade and the current western revival of interest in used garments as a new form of fashion consciousness are the background to this book on the use of second-hand dress and age-old traditions of recycling fashion.

Dressing Your Truth - Carol Tuttle 2010

Discover your unique beauty profile-- the first step to dressing your truth and becoming your own beauty expert.

The New Look - Nigel Cawthorne 1996

This book traces fashion from the late 1930s through the years of the Second World War into the advent of Dior's 'New look', which was launched in Paris in the Spring of 1947. It covers the impact of the war on military-influenced style, utility clothing, 'make do and mend' and ration book clothing, in Britain, continental Europe and the United States. Contrasted with this is the influence of American and Hollywood styles, and the peace-time reaction against austerity that was embodied in the 'New look'. -- book jacket.

My Style, My Place - Allyce King 2007-11-16

Love the Look but don't have the Cash?

&break;&break;&break;Do you ever find yourself browsing through stores or fashion magazines and wishing you could afford even a fraction of what you see? Well, you can! You just need the inspiration and know-how. &break;&break;My Style, My Place is your answer! Authors Allyce King and Nicole Thieret show you how to transform the clothes in your closet into designer-inspired new looks that will make your friends envious. Any Woman Can! - Sheila Grant 2001-12

Any woman can change her life and does not have to be rich, thin, or young to get a new image. This book tells readers exactly how to do it.

Women & Fashion - Caroline Evans 1989

There are many new looks in fashion; here, at last, is a new look at fashion which focuses on the perplexing relationship between women, fashion and femininity: It brings together fashion and semiotics, psychoanalysis and style, interweaving the vocabulary of fashion literature with that of cultural studies and feminist theory. Helmut Newton's flashing model is contrasted with Deborah Tuberville's models of passive resistance, Jean Paul Gaultier's Dervish Bra with

Elsa Schiaparelli's Shoe Hat, the cultural terrorism of punk in the 1970s with the postmodern bedlam of fashion in the 1980s. Analysing fashion at a level of representation, concerned more with images and ideas than with cut and fit, the authors make a series of sorties into fashion photography, design and cultural history, with centre around women, their bodies, and the pleasures and pains of fashion. An examination of attitudes to fashion in the early Women's Liberation Movement is followed by an analysis of how femininity has been appropriated and re-appropriated by women in the urban styles and subcultures of the 1970s and 1980s.

[Kate Moss Style](#) - Angela Buttolph 2008

Kate Moss is the greatest fashion icon of our time. This book explores the evolution and impact of Kate's look. It unravels the secret of Kate Moss's fashion formula by uncovering the stories behind her most iconic outfits.

Women Entrepreneurs and the Myth of 'Underperformance' - Shumaila Yousafzai 2018

Style Clinic - Paula Reed 2009-02-03

Fashion's best-kept secrets from London's leading fashion authority Why is it that simply getting dressed in the morning can be a bewildering experience? Last month's must-haves date you faster than a frizzy perm, and before the credit-card bill is paid, some expert is telling you your latest fashion fantasy is now "so last season." The more you buy, the less it seems you have to wear. Knowing what works and what doesn't, how and when to shop, how best to dress your body shape, and how to work an accessory like a styling pro will propel you on your way to fashion nirvana: the effortlessly chic set. With timeless tips and practical advice, fashion editor Paula Reed proves that you don't have to have a big budget, a whole new wardrobe, or the latest fad to look great. Transform your life with these expert lessons When to spend: what is worth a budget blowout and what can be a cheap buy. How to find the fabulous in every figure: dress thin, tall, and timeless . . . promise! Secrets of the successful shopper: how to know if it's eek! or chic! The essential proportions of the perfect pants, the jacket you'll love forever, and dresses to die for. And much more—on coats, suits, shirts, shoes, bags, and essential accessories. Here you'll find

everything else you need to release your individual style. Each chapter focuses on a particular element of fashion—coats, dresses, suits, bags, jewelry—making it easy to navigate the world of fashion. From eveningwear to work wear, weekends to big nights out, from the boardroom to the home office, Reed covers it all with warmth, wit, and intelligence. With a little basic skill, deftly applied, you can have confidence in knowing that what you put on looks great and serves you well. Whatever your age, whether you have a big budget or are flat broke, Style Clinic will help make fashion work for you.

[Growing Up Female in Nazi Germany](#) - Dagmar Reese 2006-06-26

Growing Up Female in Nazi Germany explores the world of the Bund Deutscher Mädel (BDM), the female section within the Hitler Youth that included almost all German girls aged 10 to 14. The BDM is often enveloped in myths; German girls were brought up to be the compliant handmaidens of National Socialism, their mental horizon restricted to the "three Ks" of Kinder, Küche, Kirche (children, kitchen, and church). Dagmar Reese, however, depicts another picture of life in the BDM. She explores how and in what way the National Socialists were successful in linking up with the interests of contemporary girls and young women and providing them a social life of their own. The girls in the BDM found latitude for their own development while taking on responsibilities that integrated them within the folds of the National Socialist state. "At last available in English, this pioneering study provides fresh insights into the ways in which the Nazi regime changed young 'Aryan' women's lives through appeals to female self-esteem that were not obviously defined by Nazi ideology, but drove a wedge between parents and children. Thoughtful analysis of detailed interviews reveals the day-to-day functioning of the Third Reich in different social milieus and its impact on women's lives beyond 1945. A must-read for anyone interested in the gendered dynamics of Nazi modernity and the lack of sustained opposition to National Socialism." -- Uta Poiger, University of Washington "In this highly readable translation, Reese provocatively identifies Nazi girls league members' surprisingly positive memories and reveals

significant implications for the functioning of Nazi society. Reaching across disciplines, this work is for experts and for the classroom alike."

--Belinda Davis, Rutgers University
 Dagmar Reese is The Moses Mendelssohn Zentrum Potsdam researcher on the DFG-project "Georg Simmels Geschlechtertheorien im ‚fin de siecle‘ Berlin", 2004 William Templer is a widely published translator from German and Hebrew and is on the staff of Rajamangala University of Technology Srivijaya.

The Wow Factor - Jacqui Stafford 2013-02-12
 Fashion editor and style expert Jacqui Stafford's new fashion bible proves that you don't have to be skinny or rich to look and feel fabulous. Some women just have "it". That indefinable something that makes them look effortlessly stylish, pulled together, and WOW! But if you think they were born with it, think again. You see, any woman can be a knockout - with a little help from Jacqui. In her fabulous new style bible, fashion editor and world-renowned style expert Jacqui Stafford is spilling all her insider secrets. An unpretentious, totally accessible guide, The Wow Factor reveals all the tricks that fashion and beauty editors use to make celebs and models look picture perfect. She'll share industry tips for the hair, makeup and clothing that makes you the best version of YOU possible. (Hint: It's got nothing to do with being rich or skinny.) With her signature cheeky British humor, Jacqui takes the mystery out of: How to figure out your body shape to create your ideal body (Are you a Cocktail Ring or Sunglasses? A Fragrance Bottle or Lipstick?) How to make the plainest outfit dazzle with the right accessories What are the definitive beauty and skincare products that really get results (and why you can forget the rest) Where, and why, fashion editors shop when they do How to follow hard-to-wear fashion trends (and which trends to ignore) Why some women look super wealthy (even if they're not) And much, much more.

Work Your Wardrobe - Gok Wan 2010-08-02
 Ever supportive and positive style expert Gok Wan helps women build up their perfect capsule wardrobe, by creating fabulous new looks from the classics already in the closet Any wardrobe war zone can be turned into a style sanctuary with fashion stylist Gok Wan's advice in this guide. Everyone wants to look and feel

great—clothes are a great way to get an instant confidence boost—and doing this without spending a fortune seems impossible. But it's simple with Gok, who gives readers the confidence to create fresh new looks from the clothing they already have, displaying different outfit combinations and how to wear those wardrobe heroes in a new, fabulously stylish way. Everyone knows that a crisp white shirt looks great at the office, but here Gok demonstrates how to dress it down on the weekend for that casual-chic look. By guiding readers through each basic in turn, from the little black dress to those comfy jeans, he makes any wardrobe instantly more versatile and frees women to update their look every season without breaking the bank. Packed with Gok's trademark advice on shopping for any shape, his golden rules and hints on what to avoid, plus insider style tips from celebrities and those in the know, this book will be any fashionista's very own one-on-one personal wardrobe-fixing session with Gok.

Dress Code - Véronique Hyland 2022-03-15
 In the spirit of works by Jia Tolentino and Anne Helen Peterson, a smart and incisive essay collection centered on the fashion industry—its history, its importance, why we wear what we wear, and why it matters—from Elle Magazine's fashion features director. Why does fashion hold so much power over us? Most of us care about how we dress and how we present ourselves. Style offers clues about everything from class to which in-group we belong to. Bad Feminist for fashion, Dress Code takes aim at the institutions within the fashion industry while reminding us of the importance of dress and what it means for self-presentation. Everything—from societal changes to the progress (or lack thereof) of women's rights to the hidden motivations behind what we choose to wear to align ourselves with a particular social group—can be tracked through clothing. Veronique Hyland examines thought-provoking questions such as: Why has the "French girl" persisted as our most undying archetype? What does "dressing for yourself" really mean for a woman? How should a female politician dress? Will gender-differentiated fashion go forever out of style? How has social media affected and warped our sense of self-presentation, and how are we styling ourselves

expressly for it? Not everyone participates in painting, literature, or film. But there is no “opting out” of fashion. And yet, fashion is still seen as superficial and trivial, and only the finest of couture is considered as art. Hyland argues that fashion is a key that unlocks questions of power, sexuality, and class, taps into history, and sends signals to the world around us. Clothes means something—even if you’re “just”

wearing jeans and a T-shirt.

Forties Fashion - Jonathan Walford 2008-10-28
Covers French style under the occupation and the make do and mend mentality, through issues of dress, patriotism and propaganda and the development of faux fabrics and rationing, to the rise of American fashion houses and the creation of Christian Dior's look.
