Dragonskin Slippers - Jessica Day George 2012-02-02

Fifteen-year-old Creel is floored when her aunt suggests they sacrifice her to a dragon to attract the attention of a marriageable knight. But when the dragon appears, Creel bargains for her life - and ends up with an unusual pair of blue slippers. It's not until the slippers are stolen by a princess that Creel learns a terrible truth: the slippers are made from the hide of a dragon queen, and enable the wearer to control all the dragons in the land. Now under the command of the princess, who is eager to start a war, the dragons begin to attack the city. Creel must join forces with the king's son and others to break the slippers' hold before the princess and the dragons destroy the city - or before the king's archers kill the dragons - whichever comes first.

The Case for Marriage - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced— physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of The Book of Virtues “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- The Wall Street Journal www.broadwaybooks.com

Roughing the Kicker - Eden Butler 2018-07-31

Reese Noble chased this dream for a decade. Now it was here. The NFL. A pro career. All eyes on the league's new kicker. Millions of people expecting her to fail. But Reese wasn't a novelty and the spot she landed on the New Orleans Steamers was one she planned to keep. With her teammates giving her hell and the world doubting her every move, Reese will have to fight harder than anyone else to make her dream a reality. Even if that means following the lead of Quarterback Ryder Glenn —the only man who brought her to the edge of ecstasy and the depths of heartbreak. The same man who broke her heart ten years before. In this city, there is a thin line between sin and sainthood and only the strongest can walk it. The Sinners and Saints series is a spin off from the Thin Love series and in the same universe. Offsides - Eden Butler 2019-10-15

Gia Jilani had rules. They kept her safe and her head in the game. As the NFL's first female general manager, there were risks to be weighed and taken. Like Kai Pukui, the linebacker helping her team dominate on the field. The same quiet, beautiful man who stares too long at her and reminds her of how

decadent, and risky living life can be. But when Gia discovers why Kai seems so familiar and why she feels so drawn to him, things like risks and love become secondary to loss and pain. Gia will have to decide what's more important - a life worth risking or a love worth losing. SAINTS AND SINNERS READING ORDER Last Love of Luka Hale Roughing the Kicker Offsides

[Priest of Bones](#) - Peter McLean 2018-10-04

'Charismatic and very more-ish' - Mark Lawrence, bestselling author of Red Sister 'Sixty-five thousand battle-shocked, trained killers came home to no jobs, no food and the plague. What did Her Majesty think was going to happen?' Tomas Piety takes his duties seriously: as a soldier, as a priest of Our Lady of Eternal Sorrows and as a leader of men. He has come home from the war to reclaim his family business, to provide for his men and to ensure the horrors of Abington can never happen in Ellinburg. But things have changed: his crime empire has been stolen and the people of Ellinburg - his people - have run out of food and hope and places to hide. With his best friend Bloody Anne, his war-damaged brother Jochan and his new gang, the Pious Men, Tomas sets out to reclaim what was his. And as Tomas is dragged into a web of political intrigue by the sinister Queen's Men, forced to work against the foreign infiltrators lurking in the backstreet taverns, brothels and gambling dens of the Stink, one thing becomes clear. The war has just begun. 'Fans of Daniel Polansky, Mark Lawrence or, dare I say, Blackwing will most appreciate this book' - Ed McDonald, author of Blackwing

[Unhinge the Universe](#) - Aleksandr Voinov 2016-07-15

December 1944 - The Battle of the Bulge SS Lieutenant Hagen Friedrichs is the sole survivor of a party sent to retrieve his brother-and the highly sensitive information he's carrying-from behind enemy lines. But his daring rescue attempt fails, and Hagen becomes the prisoner. Allied command has ordered Captain John Nicholls to extract critical intelligence from their new Nazi POW. His secrets could turn the tide of the war, but are they real? John is determined to find out . . . and to shatter the prisoner who killed his lover during the attack on their tiny base. The deeper he digs, though, the more he realizes that the soldier under the SS uniform is just like him: a scared, exhausted young man who's lost loved ones and just wants to go home. As captor and captive form an unexpected bond, the lines quickly blur between enemy, friend, and lover. And as horrifying rumors spread from the front lines and American soldiers turn their sights on the SS for vengeance, John may be Hagen's only hope for survival. This 75,000 word novel was previously published.

Thick Love - Eden Butler 2021-07-24

“Eden Butler demonstrates her understanding of tragedy and human nature through the extraordinarily complex and genuine characters she is able to create.” -Kim B, Goodreads “Miss Butler gave a new definition to the word sexual tension. The build up was incredible, and boy did she deliver!” “lleskelle He doesn't ask their names. He doesn't deserve to know them. Ransom Riley Hale's friends think his life is charmed: first string as a freshman on a championship-winning college football team. A father with two Super Bowl rings. A mother with platinum albums and multiple Grammys under her belt. But that brilliant shine on the surface hides the darkness beneath; it's all Ransom has ever known. Despite the shadows he walked in, once there was a blinding light fracturing the darkness. It brought the promise of hope and happiness. He'd been careless, filled with pride and stupidity and lost that light. Ripped it from the world. Now, the shadows are dimming again. Aly King surges into his life threatening to pull him from the darkness. She is everything Ransom can never be again. Her light feels too warm,

promises him that there is more waiting for him beyond the shadows. But the shadows are relentless, resurfacing when he thinks he is safe, and Ransom knows he must keep Aly from them too before he pulls her down into the darkness with him.

Tiaras & Terror - Anne Marie Stoddard 2018-10-09

From USA Today bestselling author Anne Marie Stoddard comes a frighteningly fashionable mystery that asks the question: What do zombies, vampires, and beauty pageants have in common? They're all about to make Kaley Kalua's life a waking nightmare... Happy Hula Boutique manager, Kaley, is excited to celebrate Halloween with her friends at Aloha Lagoon's upcoming Alohaween Festival—that is, until her Aunt Rikki drags her to a ghoulish-themed beauty pageant to cheer on her longtime nemesis, Harmony Kane. The competition is stiff, and things turn deadly when the winner is found staked with her own scepter and stuffed inside a coffin on one of the floats for the annual Halloween parade. Kaley is even more shocked when she receives a call from Harmony, begging her to prove that she didn't kill the woman. She reluctantly accepts, and with the help of her pal, Jamie, and the oh-so-tempting resort lifeguard, Noa, Kaley delves into the mysterious circumstances surrounding the beauty queen's ghastly murder. Did a scorned pageant contender take out the competition, or does one of the judges have something to hide? It seems nearly everyone has a skeleton in their closet, and someone wants theirs to stay buried. Kaley finds herself in the killer's cross-hairs, and if she doesn't uncover the truth soon, she may wind up in a coffin of her own. The Aloha Lagoon Mysteries: Ukulele Murder (book #1) Murder on the Aloha Express (book #2) Deadly Wipeout (book #3) Deadly Bubbles in the Wine (book #4) Mele Kalikimaka Murder (book #5) Death of the Big Kahuna (book #6) Ukulele Deadly (book #7) Bikinis & Bloodshed (book #8) Death of the Kona Man (book #9) Lethal Tide (book #10) Beachboy Murder (book #11) Handbags & Homicide (book #12) Tiaras & Terror (book #13) About Aloha Lagoon: There's trouble in paradise... Welcome to Aloha Lagoon, one of Hawaii's hidden treasures. A little bit of tropical paradise nestled along the coast of Kauai, this resort town boasts luxurious accommodation, friendly island atmosphere...and only a slightly higher than normal murder rate. While mysterious circumstances may be the norm on our corner of the island, we're certain that our staff and Lagoon natives will make your stay in Aloha Lagoon one you will never forget!

Damaged Like Us - Krista Ritchie 2017-06-27

Don't date your bodyguard. It was the one rule he had to break. Maximoff Hale is a force of nature. A ship unwilling to be steered. Headstrong, resilient, and wholly responsible — the twenty-two-year-old alpha billionaire can handle his unconventional life. By noon, lunch can turn into a mob of screaming fans. By two, his face is all over the internet. Born into one of the most famous families in the country, his celebrity status began at birth. He is certified American royalty. When he's assigned a new 24/7 bodyguard, he comes face-to-face with the worst case scenario: being attached to the tattooed, MMA-trained, Yale graduate who's known for "going rogue" in the security team — and who fills 1/3 of Maximoff's sexual fantasies. Twenty-seven-year-old Farrow Keene has one job: protect Maximoff Hale. Flirting, dating, and hot sex falls far, far out of the boundary of his bodyguard duties and into "termination" territory. But when feelings surface, protecting the sexy-as-sin, stubborn celebrity becomes increasingly complicated. Together, boundaries blur, and being exposed could mean catastrophic consequences for both.

My Beloved - Eden Butler 2021-07-31

☐☐ "I loved this short story if only because Eden Butler delivered all of the feels. Lots of love, angst, desperation and anger from all over the map in this one. This short story shows that Keira and Kona have to fight for their HEA, it's not something that comes easily wrapped up at the end of the last book." -Rachel Reads Ravenously ☐☐ "Author Eden Butler really knows how to write a story without throwing in hell and thrills and for the sake of it gimmicks! No, she dives even deeper into Kona and Keira's relationship and allows them to really grow and appreciate the wonder of what they have that is each other, along with... breaking down the eroded sanctuary that both characters have found in each other and what they could possibly lose if they don't hold it close enough." -Kawehi Reviews ☐☐ "Let me say Eden Butler surprised me from the start, I didn't expect this opening for My Beloved. I was hooked from page one." ☐leskelle Keira Riley was the girl Kona Hale loved first, the woman he wants to love last. They've battled addiction, forgiven betrayal and healed from heartache, coming through it all bruised but hopeful that their future will be limitless. Kona Hale was a blinding flame that Keira Riley gladly burned inside—his touch, his kiss, his

overwhelming love, all made her dizzy, desperate and desired, made her believe in a love worth bleeding for, a love that ignites the heart with an unquenchable flame. But when you fall in love with an NFL darling who can't seem to let go of the spotlight, sometimes even that flame can be gutted by the buffeting winds of opportunity, can be lost behind the brilliant flash of fame. As Keira and Kona get caught up in plans for an extravagant march down the aisle, the hard won sanctuary they've found in each other's arms begins to erode. Will they be able to see through all the beckoning glitz and glamour to what they have worked so hard to build together, or will their love be lost in the spotlight? MY BELOVED is a novella set prior to the THIN LOVE epilogue. Read the entire THIN LOVE series: Thin Love (Book 1) My Beloved (Book 2) Thick Love (Book 3) Thick & Thin (Book 4)

A History of Fear - Luke Dumas 2022-12-06

"Grayson Hale, the most infamous murderer in Scotland, is better known by a different name: the Devil's Advocate. The twenty-five-year-old American grad student rose to instant notoriety when he confessed to the slaughter of his classmate Liam Stewart, claiming the Devil made him do it. When Hale is found hanged in his prison cell, officers uncover a handwritten manuscript that promises to answer the question that's haunted the nation for years: was Hale a lunatic, or had he been telling the truth all along? Unnervingly, Hale doesn't fit the bill of a killer. The first-person narrative that centers this novel reveals an acerbic young atheist, newly enrolled at the University of Edinburgh to carry on the legacy of his recently deceased father. In need of cash, he takes a job ghostwriting a mysterious book for a dark stranger, but has misgivings when the project begins to reawaken his satanophobia, a rare condition that causes him to live in terror that the Devil is after him. As he struggles to disentangle fact from fear, Grayson's world is turned upside-down after events force him to confront his growing suspicion that he's working for the one he has feared all this time--and that the book is only the beginning of their partnership."--

Last Love of Luka Hale - Eden Butler 2019-08-20

She isn't the girl Luka Hale loved. Gia Jilani killed the child she'd been, right along with the memory of his smile and the sting of his sweet kiss. But sometimes, against her will, Luka comes back to her— his smile, his laugh, the crooked twist of his lips just before he kissed her. He's a phantom that won't ever fade. He's a reminder of what happens if you love too deeply. Now Gia returns to the place where the past and the present converge. Where pain and pleasure threaten to consume her. Where she is forced to face a past that has never really left her and the memories that still haunt her and likely always will. This is a Saints and Sinners prequel novel set in the Thin Love timeline SAINTS AND SINNERS READING ORDER Last Love of Luka Hale Roughing the Kicker Offsides

The Secret Friend - Chris Mooney 2008-07-21

'One of the best thriller writers working today' Lee Child 'A wonderful writer ... Compelling, thrilling and touching' Michael Connelly THEY'RE DYING TO MEET HIM... The discovery of a body in Boston harbor has crime scene investigator Darby McCormick looking into related cases: two dead female students wash up, both abducted months earlier, each carrying a Virgin Mary figurine. It's a troubling mystery that suddenly turns desperate when a third girl goes missing. But when Darby makes a breakthrough, she crosses paths with Malcolm Fletcher, an ex-FBI agent turned vigilante - now on the Most Wanted list - on the hunt for the same predator. Should Darby trust Fletcher or turn him in? Or can she find the killer alone? And just who is this murderer who believes he is a 'secret friend' to his victims...? * * * Praise for Chris Mooney: 'If you want a thriller that will chill your blood, break your heart and make your pulse race, Chris Mooney is your man' Mark Billingham 'A compelling story that will keep you up past your bedtime' Karin Slaughter 'A scary, breakneck ride with thrills that never let up' Tess Gerritsen 'Harrowing, gripping, haunting, gut-wrenching and beautifully written' Harlan Coben 'Chris Mooney is an exceptional thriller writer. I envy those who have yet to read him' John Connolly

Deep Things Out of Darkness - John G. T. Anderson 2013

Natural history, the deliberate observation of the environment, is arguably the oldest science. From purely

practical beginnings as a way of finding food and shelter, natural history evolved into the holistic, systematic study of plants, animals, and the landscape. This book chronicles the rise, decline, and ultimate revival of natural history within the realms of science and public discourse. It charts the journey of the naturalist's endeavour from prehistory to the present, underscoring the need for natural history in an era of dynamic environmental change.
