

Lessons From A Dead Girl

People Love Dead Jews: Reports from a Haunted Present - Dara Horn 2021-09-07

Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

Harvey Penick's Little Red Book - Harvey Penick 1992-05-15

Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechnical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should "choke down" on the club for a particular shot, Harvey told him to "grip down" instead, to keep the word "choke" from entering his mind. He advises golfers to have dinner with people who are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's Modern Fundamentals of Golf and Tommy Armour's How to Play Your Best Golf All the Time.

[The Five People You Meet In Heaven](#) - Mitch Albom 2009-06-11

THE INSPIRATIONAL CLASSIC FROM THE MASTER STORYTELLER WHOSE BOOKS HAVE TOUCHED THE HEARTS OF OVER 40 MILLION READERS 'Mitch Albom sees the magical in the ordinary' Cecilia

Ahern _____ To his mind, Eddie has lived an uninspiring life. Now an old man, his job is to fix rides at a seaside amusement park. On his eighty-third birthday, Eddie's time on earth comes to an end. When a cart falls from the fairground, he rushes to save a little girl's life and tragically dies in the attempt. When Eddie awakens, he learns that the afterlife is not a destination, but a place where your existence is explained to you by five people - some of whom you knew, others who were ostensibly strangers. One by one, from childhood to soldier to old age, five individuals revisit their connections to Eddie on earth, illuminating the mysteries of his 'meaningless' life and revealing the haunting secret behind the eternal question: 'Why was I here?' _____ WHAT READERS SAY ABOUT THE FIVE PEOPLE YOU MEET IN HEAVEN

'Breathtakingly beautiful. A story that will stay with you forever' 'A beautiful and flawlessly choreographed book . . . No other book may ever compare' 'One of my favourite books . . . Wonderful, inspirational, and heart-warming! To me, it is a MUST READ! 'The book is beyond words . . . Well written, engaging, poignant' 'This really is a wonderful book. You should read it'

Smoke Gets in Your Eyes - Caitlin Doughty 2015-04-16

THE NEW YORK TIMES BESTSELLER 'Unforgettable . . . a hilarious, poignant and impassioned plea to revolutionise our attitudes to death' Gavin Francis, Guardian From her first day at Westwind Cremation & Burial, twenty-three-year-old Caitlin Doughty threw herself into her curious new profession. Coming face-to-face with the very thing we go to great lengths to avoid thinking about she started to wonder about the lives of those she cremated and the mourning families they left behind, and found herself confounded by people's erratic reactions to death. Exploring our death rituals - and those of other cultures - she pleads the case for healthier attitudes around death and dying. Full of bizarre encounters, gallows humour and vivid characters (both living and very dead), this illuminating account makes this otherwise terrifying subject inviting and fascinating.

Hannah's Gift: Lessons from a Life Fully Lived - Maria Housden 2013-02-14

Transformative lessons in life learnt through a remarkable three-year-old girl's battle with cancer. From Hannah's story emerge five profound lessons - of truth, joy, faith, compassion and wonder - that have the power to change our lives.

Dead Wednesday - Jerry Spinelli 2021-08-03

Can playing dead bring you back to life? Maybe on Dead Wednesday... On this day the worlds of a shy boy and a gone girl collide, and the connection they make will change them both forever. A brilliant new novel from the Newbery Medal winner and author of the New York Times bestseller Stargirl. "Jerry Spinelli has created another middle grade masterpiece." —BookPage, starred review On Dead Wednesday, every eighth grader in Amber Springs is assigned the name and identity of a teenager who died a preventable death in the past year. The kids don black shirts and for the whole day everyone in town pretends they're invisible—as if they weren't even there. The adults think it will make them contemplate their mortality. The kids know it's a free pass to get away with anything. Worm Tarnauer feels invisible every day. He's perfectly happy being the unnoticed sidekick of his friend Eddie. So he's not expecting Dead Wednesday to feel that different. But he didn't count on being assigned Becca Finch (17, car crash). And he certainly didn't count on Becca showing up to boss him around! Letting this girl into his head is about to change everything. This is the story of the unexpected, heartbreaking, hilarious, truly epic day when Worm Tarnauer discovers his own life.

Swimming Lessons - Claire Fuller 2017-01-26

The second novel from the Women's Prize-shortlisted author of Unsettled Ground explores the mysterious truths of a troubled marriage and the ripples it creates. 'Gil Coleman looked down from the window and saw his dead wife standing on the pavement below.' Twelve years ago Flora's mother Ingrid disappeared, vanishing from a Dorset beach, presumed drowned. Everyone - especially her sister and father Gil - believes

Ingrid is long dead. Everyone, except Flora. So when she hears that her father has had an accident, and is insisting that he saw his wife, Floral rushes home. But the answers she seeks are nowhere to be found - only further questions: Is Ingrid dead? Or did she leave? And do the letters hidden within Gil's books hold the answer to the truth behind his marriage, a truth hidden from everyone including his own children?

'Thrilling, transporting, delicately realised and held together by a sophisticated sense of suspense' Sunday Times 'Assured, multi-layered, wellcrafted, compelling, excellent' Mail on Sunday 'A beautifully told story of motherhood, marriage and infidelity' Good Housekeeping *A Richard and Judy Book Club Pick*

Dead Girls Don't Lie - Jennifer Shaw Wolf 2013-09-17

Jennifer Shaw Wolf keeps readers on their toes in another dark, romantic story of murder and secrets. Jaycee and Rachel were best friends. But that was before. Before that terrible night at the old house. Before Rachel shut Jaycee out. Before Jaycee chose Skyler over Rachel. Then Rachel is found dead. The police blame a growing gang problem in their small town, but Jaycee is sure it has to do with that night at the old house. Rachel's text is the first clue--starting Jaycee on a search that leads to a shocking secret. Rachel's death was no random crime, and Jaycee must figure out who to trust before she can expose the truth.

Me and Earl and the Dying Girl - Jesse Andrews 2017-01-01

Now a major motion picture It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mother forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life.

Dead Girls Are Easy - Terri Garey 2009-10-13

There's something about almost dying that makes a girl rethink her priorities. Take Nicki Styx—she was strictly goth and vintage, until a brush with the afterlife leaves her with the ability to see dead people. Before you can say boo, Atlanta's ghosts are knocking at Nicki's door. Now her days consist of reluctantly cleaning up messes left by the dearly departed, leading ghouls to the Light . . . and one-on-one anatomy lessons with Dr. Joe Bascombe, the dreamy surgeon who saved her life. All this catering to the deceased is a real drag, especially for a girl who'd rather be playing hanky-panky with her hunky new boyfriend . . . who's beginning to think she's totally nuts. But things get even more complicated when a friend foolishly sells her soul to the devil, and Nicki's new gift lands her in some deep voodoo. As it turns out for Nicki Styx, death was just the beginning.

Living Dead Girl - Elizabeth Scott 2009-09-08

"This is Alice. She was taken by Ray five years ago. She thought she knew how her story would end. She was wrong."-- [P.4] Cover.

Jumping Off Swings - Jo Knowles 2010-03-16

Tells, from four points of view, the ramifications of a pregnancy resulting from a "one-time thing" between Ellie, who feels loved when boys touch her, and Josh, an eager virgin with a troubled home life.

The Killing Lessons - Saul Black 2016

When the two strangers turn up at Rowena Cooper's isolated Colorado farmhouse, she knows instantly that it's the end of everything. For the two haunted and driven men, on the other hand, it's just another stop on a long and bloody journey. And they still have many miles to go, and victims to sacrifice, before their work is done. For San Francisco homicide detective Valerie Hart, their trail of victims--women abducted, tortured and left with a seemingly random series of objects inside them--has brought her from obsession to the edge of physical and psychological destruction. And she's losing hope of making a breakthrough before that happens. But the murders at the Cooper farmhouse didn't quite go according to plan. There was a survivor, Rowena's ten-year-old daughter Nell, who now holds the key to the killings. Injured, half-frozen, terrified, Nell has only one place to go. And that place could be even more dangerous than what she's running from. In this extraordinary, pulse-pounding debut, Saul Black takes us deep into the mind of a psychopath, and into the troubled heart of the woman determined to stop him.

Love Letters to the Dead - Ava Dellaira 2014-04-01

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain

because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

See You at Harry's - Jo Knowles 2012-05-08

Starting middle school brings all the usual challenges — until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she's not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn't know he's gay, even as he fends off bullies at school. Then there's Charlie: three years old, a "surprise" baby, the center of everyone's world. He's devoted to Fern, but he's annoying, too, always getting his way, always dirty, always commanding attention. If it wasn't for Ran, Fern's calm and positive best friend, there'd be nowhere to turn. Ran's mantra, "All will be well," is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it's true. But then tragedy strikes--and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.

Love Lessons - Jacqueline Wilson 2008-09-04

Fourteen-year-old Prue and her sister Grace have been educated at home by their controlling, super-strict father all their lives. Forced to wear Mum's odd hand-made garments and forbidden from reading teenage magazines, they know they're very different to 'normal' girls - but when Dad has a stroke and ends up in hospital, unable to move or speak, Prue suddenly discovers what it's like to have a little freedom. Sent to a real school for the first time, Prue struggles to fit in. The only person she can talk to is her kindly, young - and handsome - art teacher, Rax. They quickly bond, and Prue feels more and more drawn to him. As her feelings grow stronger, she begins to realise that he might feel the same way about her. But nothing could ever happen between them - could it?

Lessons from a Dead Girl - Jo Knowles 2012-06-26

An unflinching story of a troubled friendship -- and one girl's struggle to come to terms with secrets and shame and find her own power to heal (age 14 and up). Leah Greene is dead. For Laine, knowing what really happened and the awful feeling that she is, in some way, responsible set her on a journey of painful self-discovery. Yes, she wished for this. She hated Leah that much. Hated her for all the times in the closet, when Leah made her do those things. They were just practicing, Leah said. But why did Leah choose her? Was she special, or just easy to control? And why didn't Laine make it stop sooner? In the aftermath of the tragedy, Laine is left to explore the devastating lessons Leah taught her, find some meaning in them, and decide whether she can forgive Leah and, ultimately, herself.

Undead Girl Gang - Lily Anderson 2018-05-08

"A fun, fast read...it will resonate with readers who dabble in any sort of arts, dark or otherwise." --NPR.org "With a singular and hilariously cutting teen voice, UNDEAD GIRL GANG is sure to be one of the most talked-about YA novels of the year." --BookPage Veronica Mars meets The Craft when a teen girl investigates the suspicious deaths of three classmates and accidentally ends up bringing them back to life to form a hilariously unlikely--and unwilling--vigilante girl gang. Meet teenage Wiccan Mila Flores, who truly could not care less what you think about her Doc Martens, her attitude, or her weight because she knows that, no matter what, her BFF Riley is right by her side. So when Riley and Fairmont Academy mean girls June Phelan-Park and Dayton Nesselth die under suspicious circumstances, Mila refuses to believe everyone's explanation that her BFF was involved in a suicide pact. Instead, armed with a tube of lip gloss and an ancient grimoire, Mila does the unthinkable to uncover the truth: she brings the girls back to life. Unfortunately, Riley, June, and Dayton have no recollection of their murders. But they do have unfinished

business to attend to. Now, with only seven days until the spell wears off and the girls return to their graves, Mila must wrangle the distracted group of undead teens and work fast to discover their murderer...before the killer strikes again.

At Weddings and Wakes - Alice McDermott 2013-11-21

Twice a week, Lucy Dailey leaves suburbia with her three children in tow, returning to the Brooklyn home where she grew up, and where her stepmother and unmarried sisters still live. Aunt Veronica, with her wounded face and dreams of beauty, drowns her sorrows in drink. Aunt Agnes, an acerbic student of elegance, sips only from the finest crystal as she sees Aunt May, the ex-nun, blossom with a late and unexpected love. And all the while, the children watch, absorbing the legacy of their haunted family. At once a moving evocation of life's inexplicable calamities and a magical celebration of childhood and familial

love, *AT WEDDINGS AND WAKES* is the story of three generations of an Irish-American family through the eyes of its youngest members. With eloquence and grace, master storyteller Alice McDermott transforms everyday experience into the heroic and universal.

Lessons of the Dead: Poems - Brett Ortler 2019-01-16

Each poem in the *Lessons of the Dead* starts with that premise, and the results are funny, imaginative, and often strange: The road back to life is long, winding and lined with truck stops and waiting rooms, but it is also chockfull of hope and humor and beauty. By definition, the cast of characters includes almost everyone: from Adam and Eve and archangels to Houdini, Rameses II, and Death himself. Along the way, readers encounter the Titanic, the Permian-Triassic Extinction, the Heroic Age of Exploration, even the ubiquitous mall maps that say You are here. Part memento mori and part the opposite—a total embrace of life itself—*The Lessons of the Dead* is likely different from any other poetry book you've ever read.
