The Report of the Hillsborough

Independent Panel - Hillsborough Independent Panel 2012-09-12

96 women, men and children died as a result of the disaster in Hillsborough Stadium on 15 April 1989. They were crushed due to overcrowding in the Leppings Lane terrace, penned in by the ground's fencing. Hundreds more were injured and thousands traumatised. Lord Justice Taylor led a judicial inquiry (1990, Cm. 962, ISBN 9780101096225), concluding that the main cause of the disaster was the failure of police control. The next 11 years saw a variety of investigations and proceedings, including a scrutiny of new evidence (Lord Justice Stuart-Smith, 1998, Cm. 3878, ISBN 9780101387828). Yet many bereaved families felt that the true context, circumstances and aftermath had not been adequately made public, and were particularly aggrieved that it had become widely assumed that Liverpool fans' behaviour had

contributed to the disaster. The Independent Panel was established in 2010 to oversee full public disclosure of all documents relating to the disaster and to report on its work. This report is in three parts. Firstly it shows what was already known and in the public domain by 2010.

Secondly, in 12 detailed chapters, it describes what the disclosed documents add to public understanding. The third part gives a review of options for providing an archive of the documents. The disclosed documents (available at <http://panel.hillsborough.independent.gov.uk/>) add considerably to public understanding. They show that multiple factors were responsible for the tragedy and that the fans were not the cause. The report also shows that the bereaved families met a series of obstacles in their search for justice over more than 20 years.

American Prometheus - Kai Bird 2007-12-18
THE INSPIRATION FOR THE MAJOR MOTION PICTURE OPPENHEIMER • "A riveting account of one of history's most essential and paradoxical figures."—Christopher Nolan #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE WINNER • The definitive biography of J. Robert Oppenheimer, one of the iconic figures of the twentieth century, a brilliant physicist who led the effort to build the atomic bomb for his country in a time of war, and who later found himself confronting the moral consequences of

scientific progress. In this magisterial, acclaimed biography twenty-five years in the making, Kai Bird and Martin Sherwin capture Oppenheimer's life and times, from his early career to his central role in the Cold War. This is biography and history at its finest, riveting and deeply informative. "A masterful account of Oppenheimer's rise and fall, set in the context of the turbulent decades of America's own transformation. It is a tour de force." —Los Angeles Times Book Review "A work of voluminous scholarship and lucid insight, unifying its multifaceted portrait with a keen grasp of Oppenheimer's essential nature.... It succeeds in deeply fathoming his most damaging, self-contradictory behavior." —The New York Times

6th International Conference on the Conservation of Earthen Architecture - The Getty Conservation Institute 1991-02-28

On October 14-19, 1990, the 6th International Conference on the Conservation of Earthen Architecture was held in Las Cruces, New Mexico. Sponsored by the GCI, the Museum of New Mexico State Monuments, ICCROM, CRATerre-EAG, and the National Park Service, under the aegis of US/ICOMOS, the event was organized to promote the exchange of ideas, techniques, and research findings on the conservation of earthen architecture. Presentations at the conference covered a diversity of subjects, including the historic traditions of earthen architecture, conservation and restoration, site preservation, studies in consolidation and seismic mitigation, and examinations of moisture problems, clay chemistry, and microstructures. In discussions that focused on the future, the application of modern technologies and materials to site conservation was urged, as was using scientific knowledge of existing structures in the creation of new, low-cost, earthen architecture housing.

Terms and Conditions - Lauren Asher
2022-02-24

Couldn't get enough of The Fine Print? Fall in love with the next book in Lauren Asher's hot

and sexy Dreamland Billionaires series . . .
Declan I'm destined to become the next CEO of my family's media empire. The only problem? My grandfather's inheritance clause. Fulfilling his dying wish of getting married and having an heir seemed impossible until my assistant volunteered for the job. Our marriage was supposed to be the perfect solution to my biggest problem. But the more we act in love for the public, the more unsure I feel about our contract. Caring about Iris was never part of the deal. Especially not when breaking her heart is inevitable. Iris My plan to marry Declan was simple in theory. Move in together. Throw a wedding. Have a baby. We set rules to prevent any kind of issues. Ones that were never meant to be broken, no matter how much Declan tempts me. But what happens when our fake relationship bleeds into our real one? Falling in love was never an option. At least not for me. Terms and Conditions is the second book in a series of spicy standalone novels featuring three billionaire brothers.

Kings of Quarantine - Caroline Peckham
2022-09-16

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my

life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosyng up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

The Radetzky March - Joseph Roth 2000-12-07
Strauss's Radetzky March, signature tune of one of Europe's most powerful regimes, presides over Joseph Roth's account of three generations of the Trotta family in the years preceding the Austro-Hungarian collapse in 1918. Grandfather, son and grandson are equally dependent on the empire: the first for his ennoblement; the second for the civil virtues that make him a meticulous servant of an administration whose failure he can neither comprehend nor survive; the third for the family standards of conduct which he cannot attain but against which he is too enfeebled to rebel.

The Dare - Elle Kennedy 2020-06-16

Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.
