**In Our Time** Ernest Hemingway 2022-01-25 In Our Time is the title of Ernest Hemingway's first collection of short stories, published in 1925 by Boni & Liveright, New York, and of a collection of vignettes published in 1924 in France titled in our time. Its title is derived from the English Book of Common Prayer, "Give peace in our time, O Lord". The stories's themes - of alienation, loss, grief, separation - continue the work Hemingway began with the vignettes, which include descriptions of acts of war, bullfighting and current events. The collection is known for its spare language and oblique depiction of emotion, through a style known as Hemingway's "theory of omission" (iceberg theory). According to his biographer Michael Reynolds, among Hemingway's canon, "none is more confusing ... for its several parts - biographical, literary, editorial, and bibliographical - contain so many contradictions that any analysis will be flawed."

**Five Tales of Rough Sex** Nancy Brockton 2020-08-19 In this collection of five rough sex erotica stories, the sex is blisteringly hot! From a wife swap that gets overwhelming to blackmail that turns into a wonderfully rough first anal sex experience; these stories are varied and exciting. You're sure to love the intensity but make sure you understand that some of the tales get pretty damned intense! Warning: This ebook has very explicit descriptions of sexual activity and includes rough first anal sex, domination, submission, wife swap, reluctant semen swallowing, group first anal sex, rough deepthroat, and more. Only mature adults who won't find that offensive should read this collection. 1. Bent Over at the Pool: My Very Rough First Anal Sex Experience: A Rough Sex in Public Erotica Story by Andi Allyn I just had to have the hot lifeguard, so when Nathaniel had a break, I invited him to meet me behind the pool concession stand. It was so amazing to do it outside where someone could catch us! The thing that was really crazy, though, was that I encouraged him to be rough with me, something I'd never done before. Things got really rough, though, when he decided to give me my first anal sex experience! 2. George's Price for Silence: A Rough Sex Erotica Story by Rita Feldspar I was the thief stealing from my roommates, and when one of their brothers caught me he made it clear. If I fucked him, he'd be silent. Of course, I had to agree but I hated the situation. I hated it even more a little later because I enjoyed it. I didn't want to enjoy it! I wanted to hate it! I couldn't though. I couldn't even hate it when the sex got really rough! 3. I Like It a Little Rough: A Double Team Wife Swap Erotica Story by Carolyne Cox My friend Sophie arranged the wife swap and even though she warned me that she got hyper sensitive really quickly, I had no idea she'd only last a few minutes! That left two very horny men for me to satisfy all by myself while she watched. I took on my husband and her husband at the same time, and they weren't gentle! It was a rough and sexy experience beyond any I'd ever had before. 4. MASTER IS UNHAPPY (Very Rough First Anal Sex for the Submissive) A Domination Erotica Story by Veronica Halstead Marnie is in pretty significant trouble. She let things get a bit out of hand during her sex show, and this submissive sex worker has really, really angered her Master. He's ready to teach her to be more careful with his property, and in this case the submissive training is going to be terrible. Very, very rough deep throat, a humiliating spanking, and perhaps worst of all...a brutal first anal sex experience... How is it that Marnie can handle everything Arthur sends her way? And how is it that even as tears of humiliation are running down her cheeks and pain is running through her, she can't help but love the abuse? 5. WATCHING MY BOSS HAVE ROUGH SEX (A Office Sex Erotica Story) by Nancy Brockton My friend Deena got me a job at the college, and when I went in when the office was closed, I was amazed to find her in one of the observation rooms on her knees in front of a beautiful man! I couldn't believe the way the two of them got right to it, his incredible coffee-colored skin such a contrast to her smooth milky-white skin. I know I should have turned away, but I just couldn't, and boy was it astounding to watch the way the sex turned rough! There was just something incredible about the way he pushed that massive cock of his right down her throat!

Arrow's room is not much bigger than the small bed that occupies it, and contains no other furniture but a tiny desk, with a small cupboard built beneath it. 'Shut the door,' Jon orders. I do so, and when I turn back, he is glaring at me with his hands on his hips. 'I want you, Will.' He clenches his jaw. 'I want you more than I have ever wanted another man. I want you now.' I drink in his features once again. I cannot believe this beautiful man wants me so much. 'I want you, too,' I reply. Jon rushes to me and takes my face in his hands, gazing deeply into my eyes. He slides his hands into my brown hair, and his fingers tighten around my locks as he pulls my face towards his. His mouth descends onto mine, and he kisses me roughly, hungrily, working his lips and his tongue with his pent-up need. He smells of the sea. Pressed together, our stiff - touch each other through our breeches, and I groan into Jon's mouth. 'I want you. Now,' I say. Jon moans too, as he hears his own words spoken back to him. He pulls away from me and tears his shirt over his head, discarding it on the bed. I follow behind, pulling my shirt off in a rush and throwing it atop Jon's. We both take a moment to appreciate each other. Jon is panting, his eyes wide with desire. He has a beautiful body, lithe and lean, with wide shoulders, a rippling stomach and unblemished pale skin. I am taller, darker, thicker. He smiles. It is perfect, like him. 'Take off your pants, Will,' Jon whispers. ◆◆◆◆ This collection includes stories like: SOCCER BROS ""Hang in there bro. It will get better," he said while he was slowly starting to fuck me. It was true. The pain slowly got less as my ass was starting to get used to Ronan fucking me. A couple of minutes later I was starting to get into it. Then Ronan told me to lay down on my back with my legs up. He put my legs onto his shoulders. His face was close to mine now as he started fucking me again. Every time his cock was going in me now it massaged my prostate. That was the best feeling. "You love this shit, don't you," Ronan asked panting. I nodded and moaned even more. My cock was rock hard again and I decided to wank while his muscular body was moving on top of me." STRAIGHT BAIT " Xander had officially brought me to new sexual dimensions I had never dreamt of - my head was spinning and I was about to lose it. While panting and my hands gripping his head I said, "Xander, I'm going to lose it". I'm guessing with his deep focus he didn't hear me and low and behold I began to shoot loads and loads of built of sexual frustration all over myself. I'm pretty sure I was hitting the t-shirt with cum that thankfully was covering my face. As I was having the most intense orgasm, Xander kept going deeper into my asshole with his tongue. This sensation truly provided waves and waves of the best orgasm I have ever had in my life." PRISON BITCH "Thank you Daddy," I responded with my eyes tilting low. "Down to your knees, girl. You need to thank me properly." I sank to my knees and looked up at his pants, noticing his hardon tenting in his sweats. "Take it out baby." I knew this part was coming; that this was his real goal. To fill my warm holes with his huge cock and get his nut. To train my body to take his cock every day. To make me a fuck doll. I knew I was going to be his fuck doll, I think I'm ready... But what I wasn't ready for was how big it would his cock was. When I took it out I was shocked at its sheer size. I've only touched my own dick and a few other guys' but none of ours compared to this. I didn't even know men could have cocks this large, and I gulped, making Daddy chuckle. "Yup, it's big. Another reason you're a lucky bitch. Okay, girl, get to work. We got to eat soon, Daddy's hungry," he said gruffly. "And, bitch, don't forget to kiss it first." I looked at and grabbed it, giving it a kiss on the tip. Daddy glared down at me, "No hands, bitch. Put them behind your back and look up at Daddy like a good cunt." I did what he wanted and placed the tip in my mouth. I started sucking and he let me worship his cock with my mouth for a few minutes. As fucked up as it sounds I actually enjoyed it a bit. At least he wasn't hurting me. Also, his huge cock was mesmerizing. It made me feel a primal submission I can't compare to anything else. His cock deserved worshipping, and I felt slight adoration towards Daddy for letting me suck it.." and more...

Doms of Submission Bree Bellucci 2013-03-21 After a lifetime roughing it in the bayou, Lisette is finally living her dream in New Orleans. But when a terrible accident befalls her during Mardi Gras, she finds herself whisked into a dark world of twisted sexual fantasies and unthinkable ugliness. Who is her mysterious captor, and how much of his sadistic erotic experimentation can she take? Lisette finds herself in a world of confusion, pain, and desire when she awakes from her troubled sleep. Terror floods through her veins when she realizes that she's locked in a sex dungeon. Her fate now lies in the hands of something not quite human, a strong, beautiful man... with an unforgiving dark side. Her mind is awash with feelings of fear and despair but as she learns more about the mysterious man a secret part of her wants to be pushed to the edge, she wants him to test the limits of what her body and mind can withstand. When a dangerous force threatens Lisette, Andrew feels helpless to keep her safe. But with the help of a powerful outside force, he is finally able to overcome the beast. But will his transformation come in time to save Lisette? The monster has already had his way with her delicate human body... Doms of Submission is a thrilling erotic romance Novel full of explicit scenes of sexual depravity, rough sex and BDSM. Join Lisette in this world of sex-crazed shifters, strong, commanding, dominant male lovers. Read on for a small taste of what's inside: This time Lisette spit out a "Yes, Master!" and licked her lips, tasting herself. She wanted to spit on him, but she knew that she was in no position to become rebellious now. It did occur to her that someday she might have an opportunity to turn the tables on this man, and how much she would enjoy that day. Joseph loved every minute he had punishing this uppity broad. What he really loved was that he had gotten her permission to dominate her. Once again he gripped the flogger. Only this time, he began to use the handle to tease her pussy. He never tried to enter her with it, but ran its hard leather handle through her dripping slit. The swollen flesh was beautiful to him. He watched her face as he continued the tease, but if she were receiving any pleasure she was not showing it to him. He wanted her to react. He pulled the handle away and began to explore the hot wet folds with his fingers. As he found her clit, he began to knead it with his thumb and forefinger, then slid two fingers inside of her. This did elicit a response from her, which made him desire more. "So, the filthy slut likes to be finger fucked," he snorted, and continued to push his fingers farther up in her canal. Within seconds she spewed a stream of fluid that ran down her legs. While the achievement of his efforts filled him with confidence and satisfaction, his response to her was one of disgust. "Now look at the mess you made, bitch. You should be ashamed of yourself." He drew back and began to flog her again and again. He had become so involved with his punishment that he no longer was being careful with the intensity of his strikes and the size of the welts he was raising on her body. He also had become deaf to the volume and intensity of her cries and screams. Lisette was unable to control the cries and screams wrenched from her by the constant sting of the flogger. Each time the leather tentacles struck her tender flesh, they burned her more than the last. Finally, she bravely shouted at Joseph that he had to stop. He was so shocked by her plea that he held the flogger back, looking at her in disbelief. "Did you speak to me, bitch?" he asked incredulously. "Did you forget how you should address me?" "Master... please don't stop," She whispered to him.
