Damned If You Do - Marie Sexton 2017-03-24

Soul acquisition is a drag, but if Abaddon doesn't catch up on his quota, he could be demoted to scooping poop for the Hounds of Hell. With a deadline hanging over him, he heads for the Bible Belt, looking for the perfect combination of sweetness and challenge. Seth is a blind musician, part of a traveling tent revival. He's cute, mystically talented, and quotes the Bible at every turn. His soul is pure enough to fill Abaddon's quota for months to come, and Abaddon is determined to claim it. The problem? There's the revival foreman who watches Abaddon's every move. Then there's the mystery of Seth's many unusual talents. Finally, there's Abaddon himself. He's beginning to like Seth a bit too much. Maybe Seth deserves something better than damnation. But Hell's agenda isn't negotiable, and time is running out. If Abaddon doesn't play his cards right, he could condemn both of them to the worst fate of all-an eternity apart. Warning: Contains a Bible-quoting twink and an irreverent devil. Also, snakes. Lots and lots of snakes.

Terms of Service - Marie Sexton 2018-06-25

Dr. River McKay moved to Denver with his husband, Terrence, hoping to give their failing marriage a new start. A year later, Terrence is gone and River's left brokenhearted. Now, he's decided it's time to get back in the game. A chance encounter at the hospital introduces him to Phil, a strong-willed pharmacist who isn't impressed by River's degree. Phil can't deny his attraction to River, but dating is out of the question. Phil

only does one kind of relationship - domestic servitude, where he gives the orders and his partner obeys. To his surprise, River agrees - not because he likes the idea, but because anything's better than being alone. They know the arrangement won't last. Phil's set in his ways and incapable of showing affection outside the bedroom. River's unused to obedience and still in love with his ex. But their time together will change them, making them question everything they thought they knew about control, respect, and love. When the unexpected threatens to tear them apart, they'll be forced to choose between the comforts of the past and a future they can only find together.

Winter Oranges - Marie Sexton 2022-07-08

Jason Walker is a child star turned teen heartthrob turned reluctant B-movie regular who's sick of his failing career. So he gives up Hollywood for northern Idaho, far away from the press, the drama of L.A., and the best friend he's secretly been in love with for years. There's only one problem with his new life: a strange young man only he can see is haunting his guesthouse. Except Benjamin Ward isn't a ghost. He's a man caught out of time, trapped since the Civil War in a magical prison where he can only watch the lives of those around him. He's also sweet, funny, and cute as hell, with an affinity for cheesy '80s TV shows. And he's thrilled to finally have someone to talk to. But Jason quickly discovers that spending all his time with a man nobody else can see or hear isn't without its problems-especially when the tabloids find him again and make him front-page news. The local sheriff thinks he's on drugs, and his best friend thinks he's crazy. But Jason knows he hasn't lost his mind. Too bad he can't say the same thing about his heart. (This title was originally released by Riptide Publishing.)

The End and the Beginning - Hermynia Zur Mühlen 2010

First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her

outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Mühlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

Ulysses - James Joyce 2022-10-19

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

One Man's Trash - Marie Sexton 2017-11-08

After four tours in Afghanistan, Warren Groves couldn't settle into civilian life. For the last twelve years, he's survived by working odd and often illegal jobs for some of Denver's less fortunate. His personal life is equally unsatisfactory. He can barely remember the last time he had sex, let alone the last time he got to use somebody hard and rough, the way he likes. Fate intervenes when a favor for a friend leads him to a pretty young rentboy named Taylor Reynolds. Taylor's spent the last few years on his own, working as a hustler, going home with anybody who'll give him a warm meal and a place to sleep. He enjoys having a bit of force used against him, and he makes Warren an offer he can't refuse - all the sex he wants, as rough and dirty as he likes, in exchange for room and board. At first, Warren thinks he's struck gold. Taylor's the perfect roommate - he cooks, he cleans, and he's dynamite in the sack. But Taylor has some dark demons in his head and some even darker cravings. Falling for somebody as volatile as Taylor is dangerous enough, but when Taylor's urges turn truly self-destructive, it'll be up to Warren to decide just how far to let things go.
