The Forgotten Prince -

Patricia McLinn 2016-09-15
□ They have a history -- can it be rewritten?□ Prince Karl longs to once more be plain Karl Wethers, Wyoming rancher. Instead, his sense of responsibility, nurtured as a cowboy and honed in the U.S. Army, won't let him turn his back on King Jozef of Bariavak. But he has a plan. If he can pull it off. Then international media consultant Harmon Reed re-

enters his life. The Army brat who liked to juggle lit sticks of dynamite is now a woman who could explode that dynamite in his face. He's fully occupied with trying to keep her from knowing anything about the complications of his royal life, because he will never trust her again, despite the pull of a love long gone. For Harmon, what started as a youthful summer fling ignited into a love that shook her to her core. Equally smitten, Karl saw something beyond her beauty and rebellious streak. Then Harmon broke it off - and broke Karl's heart. They went their separate ways, but no matter how far apart they traveled, the embers of first love remained. And the slim hope of a second chance floated in the periphery. Oh, yes, these two have a history. A history neither has forgotten ... but can they forgive? By USA Today Bestselling Author, Lexy Timms. His security company is the hottest on the market, but that doesn't mean his job is easy. Ethan Stark has three rules: Never get personally involved. Never get blindsided. And never screw around. Ever. His Special Forces background, coupled with his family's resources, have made him successful, but they didn't prepare him for the politician's daughter with a body that could make grown men weep, and an attitude that puts his teeth on edge. He's agreed to guard her as a personal favor to her father, but he's beginning to wonder how long he can put up with her spoiled brat ways. That is, until she sets her seductive sights on him. Now he's got to keep her safe from a mystery threat while keeping it in his pants. Sometimes he thinks facing off an entire army would be easier... Only for Him - Cristin Harber
2015-02-24

Grayson Ford and Emma
Kinglsey—close since they
were kids, opposites in every
way. He's the stuff high school
crushes are made of, Mister
Popular, and captain of every
team. She's artsy, cute, and not
in his league, though fully
aware of Summerland's I
Dream of Dating Grayson Ford
support group. I can't say no.
The girl's had my heart since

~~before I knew it went missing.~~
He hides a life of hell. His
father hates him, his mother's
gone. Emma is his only savior,
yet she doesn't know her
power over him. She's the only
girl he wants, the only one he
could ever tell—though he
won't. I'm stronger, bigger,
more of a man than he'll ever
be, but because I ruined his
life, I've taken his crap, his
attacks, the vulgar nature of
his existence. Until she
discovers Gray's
embarrassment, his
humiliation. Emma fights for
him, for a chance. There's a
Cinderella story that she
believes impossible. But as the
layers peel back, it's just a guy
who needs a girl in order to
keep breathing. My mind is
already doodling Mrs. Grayson
Ford in imaginary notebooks.
He has no clue where my head
is at... But, given that I didn't
see what just happened
coming, maybe I have no clue
where his head is at either.
Only for Him is the first of four
books in the Only series.
