**The Takeover** T. L. Swan 2020-08-27 In bestselling author T L Swan's second hot installment to the Miles High Club series, he's sexy, rich, and her mortal enemy. Hate never felt so good. I first met Tristan Miles at a meeting where he was trying to take over my late husband's company. He was powerful, arrogant, and infuriatingly gorgeous, and I hated him with every cell in my body. In the shock of the century, he called me three days later and asked me on a date. I would rather die than date a man like him--though I do have to admit it was good for the ego. Turning him down was the highlight of my year. Six months later, he was the guest speaker at a conference I attended in France. Still arrogant and infuriating--but this time, surprisingly charming and witty. When he looked at me, I got butterflies. But I can't go there. He's just a player in a hot suit, and I'm just a widow with three unruly sons. I just need this conference to be over. Because everybody knows that Tristan Miles always gets what he wants...and what he wants is me.

The Street Party Claire Seeber 2021-06-08 The party was supposed to be the highlight of the summer. If only I'd known that night would destroy our lives... All the neighbours were laughing, drinking out of plastic glasses and getting along. I almost felt happy. Almost forgot about the terrible argument earlier and the sinister messages I'd been receiving from a strange address all week, threatening to expose the lies behind my perfect life. As we finished with the red and gold fireworks and welcomed everyone back to our house, I believed that everything would be okay. But I didn't know who I was inviting in. I never could have imagined what would happen here, in our home, after I'd gone up to bed. Everyone saw something different. It's my daughter's word against the story the boy from down the road is telling. But how can I find out what really happened that night without everyone finding out the truth about me? Parisian runways, but I'm not. I'm here for answers, to take revenge for blood spilled on their centuries-old Persian rugs. I transferred here in search for answers about what happened to my older brother, who hightailed out of here, and my friend who seemingly disappeared into thin air. I certainly wasn't here for the attention of the star hockey player, regardless of how much he willed my eyes his way. I wasn't here for his scrutiny or his judgment or to read into his mysterious aura. I was here for the society, because only they held the answers I needed. That was, until I found out that in order to get those answers, I needed to go through him. He's saying if I want in, I have to play by their rules, follow their lead. It's a game I'm willing to play. I may be the second person I know of to be invited into their society, but I'll be the first to make it out intact. \*This is a complete standalone novel\*

**The Colony** Audrey Magee 2023-06-13 LONGLISTED FOR THE BOOKER PRIZE "Luminous." —Jonathan Myerson, *The Guardian* "Vivid, thought-provoking." —Malcolm Forbes, *Star Tribune* In 1979, as violence erupts all over Ireland, two outsiders travel to a small island off the west coast in search of their own answers, despite what it may cost the islanders. It is the summer of 1979. An English painter travels to a small island off the west coast of Ireland. Mr. Lloyd takes the last leg by currach, though boats with engines are available and he doesn't much like the sea. He wants the authentic experience, to be changed by this place, to let its quiet and light fill him, give him room to create. He doesn't know that a Frenchman follows close behind. Jean-Pierre Masson has visited the island for many years, studying the language of those who make it their home. He is fiercely protective of their isolation, deems it essential to exploring his theories of language preservation and identity. But the people who live on this rock—three miles long and half a mile wide—have their own views on what is being recorded, what is being taken, and what ought to be given in return. Over the summer, each of

them—from great-grandmother Bean Uí Fhloinn, to widowed Mairéad, to fifteen-year-old James, who is determined to avoid the life of a fisherman—will wrestle with their values and desires. Meanwhile, all over Ireland, violence is erupting. And there is blame enough to go around. An expertly woven portrait of character and place, a stirring investigation into yearning to find one's way, and an unflinchingly political critique of the long, seething cost of imperialism, Audrey Magee's *The Colony* is a novel that transports, that celebrates beauty and connection, and that reckons with the inevitable ruptures of independence.

**The Most Fun We Ever Had** Claire Lombardo 2021-04-06 NEW YORK TIMES BEST SELLER • “A gripping and poignant ode to a messy, loving family in all its glory.” —Madeline Miller, bestselling author of *Circe* In this “rich, complex family saga” (USA Today) full of long-buried family secrets, Marilyn Connolly and David Sorenson fall in love in the 1970s, blithely ignorant of all that awaits them. By 2016, they have four radically different daughters, each in a state of unrest. Wendy, widowed young, soothes herself with booze and younger men; Violet, a litigator turned stay-at-home-mom, battles anxiety and self-doubt; Liza, a neurotic and newly tenured professor, finds herself pregnant with a baby she's not sure she wants by a man she's not sure she loves; and Grace, the dawdling youngest daughter, begins living a lie

that no one in her family even suspects. With the unexpected arrival of young Jonah Bendt—a child placed for adoption by one of the daughters fifteen years before—the Sorensens will be forced to reckon with the rich and varied tapestry of their past. As they grapple with years marred by adolescent angst, infidelity, and resentment, they also find the transcendent moments of joy that make everything else worthwhile.

*Pieces of You* Cassia Leo 2015 Sometimes, putting yourself first is truly a sacrifice. Claire Nixon and Adam Parker each have a painful past too heavy to carry alone. But now Claire's attending college a hundred miles away from Adam, and the distance is forcing a crack. To add to the strain, Adam is sent to Hawaii on business, and doubts start creeping into both their hearts. Claire's also dealing with her ex, rock star Chris Knight, being back in her life. Chris wants Claire more than anything, and he knows just how to get her: only he has the power to mend the final missing piece of Claire's broken heart. How can Claire ever choose between taking a chance on new love, or a second chance at having a family and a home? Have you read *Relentless*, the first book in the *Shattered Heart* series? hardworking doctor leading a simple, quiet life in London. She is also the daughter of the most notorious murder suspect in the country, though no one knows it. Nearly thirty years ago, while Claire and her brother slept upstairs, a brutal crime was committed in her family's townhouse. The next morning, her father's car was found abandoned near the English Channel, with bloodstains on the front seat. Her mother insisted she'd seen him in the house that night, but his powerful, privileged friends maintained his innocence. The first lord accused of murder in more than a century, he has been missing ever since. When the police tell Claire they've found him, her carefully calibrated existence begins to fracture. She doesn't know if she's the daughter of a murderer or a wronged man, but Claire will soon learn how far she'll go to finally find the truth. Loosely inspired by one of the most notorious unsolved crimes of the 20th century – the Lord Lucan case – *A Double Life* is at once a riveting page-turner and a moving reflection on women and violence, trauma and memory, and class and privilege. To do this, Marti has stipulated in her will that the family's summer home on Mount Desert Island, Maine, must be sold as soon as possible. This request comes as a shock to her three daughters, a trio of strong-minded women who are each hiding a secret of their own. For the eldest daughter, Beck, the Maine cottage is essential to her secret wish to write a novel, and selling is the last thing she wants to do. But recently divorced Claire is privately too preoccupied with an unrequited love to be concerned about the sale, while the youngest daughter, Sophie, would never admit to her sisters that she desperately needs the sale in order to survive. While the sisters argue over the fate of their late mother's property, enigmatic southerner C.J. Reynolds, with his own troubled past, is released from prison and begins to travel to Mount Desert Island. As this seemingly unconnected group all head for the coast of Maine, nothing is as it seems.
