She's one of the best in the business at making a reader's pulse race. This is precisely why she is called in to consult on a novel that can't quite manage to get it up. Despite building his career on carefully crafted, suspenseful thrillers, Evan Stineman has no clue how to harness his character's sexuality in his upcoming novel. Increasingly desperate as his deadline looms, he has no other choice but to accept a helping hand from a pro. When Chase and Evan meet, their chemistry is immediate and undeniable. The two novelists embrace their mutual attraction to get Evan's new book off to the publisher with a newfound sex appeal. As Evan finally starts to open up to Chase, an unwelcome visitor returns from his past. The Sex Appeal of the Inorganic - Mario Perniola 2022-06-02
In *The Sex Appeal of the Inorganic*, Mario Perniola puts forth the radical argument that we are shifting away from organic sexuality, based on desire and pleasure, and moving towards a more neutral inorganic and artificial sexuality, a sexuality always available but indifferent to beauty, age or form. Perniola takes the reader on a tour of Western philosophy, from Descartes, Kant and Hegel to Heidegger, Wittgenstein and Sartre, to reframe our understanding of personal experience and the aesthetic world around us. In order to realize the sex appeal of the inorganic Perniola argues that we must become 'things that feel', we must think ourselves closer to the inorganic, creating an alliance between senses and things. Examples from contemporary culture that, for Perniola, are emblems of the sex appeal of the inorganic, include progressive rock music,

The Tao of Male Sex Appeal - Jim Cabeceiras 2004-07

'The Tao of Male Sex Appeal' is the first book to explain in simple terms why and how women are attracted to men. Based on a twenty year study of highly successful dominant men, Jim Carrera and Sean Marsh observed and documented the instinctive behavior in men that women are attracted to. The common denominators of dominant male behavior are given to you in a simple, step by step format in this book, along with the role of personality and language and why they are secondary for a man's success with women. Whether you are shy or outgoing by nature, or just simply average in appearance, the principles of dominant behavior, if applied, will make you more desirable by women who typically would not give you a second look. The 'Tao of Male Sex Appeal' is the foundation for any man on the road to success and dominance in life as well as love.

Investigating the Use of Sex in Media Promotion and Advertising - Tom Reichert 2019-01-15

The latest scholarship on one of today's most pressing issues Today, it is obvious that sexual content is a prevalent aspect of the media and that the intensity of this content has increased in recent years. Less obvious, however, are the direct effects the strategic use of sexual content has on audiences. *Investigating the Use of Sex in Media Promotion and Advertising* presents the latest scholarship on the role of sex in the most common media outlets—television programming, radio “shock jocks,” music videos, magazines, and advertising. The eye-opening contributions from over a dozen recognized experts in the field provide useful empirical evidence on media-conveyed sexual stimuli and look toward moving the public dialogue on sex in the media further along. Often, opinions regarding sex in the media have little or no scientific grounding and even when scientific-grounded arguments are offered, they suffer from wide gaps in research-based knowledge. *Investigating the Use of Sex in Media Promotion and Advertising* is the important compilation that fills these knowledge gaps. In delving into this pressing issue, it not only offers timely findings that provide an indication of the nature, prevalence, and effects of sexual information when used as a promotional tool, but suggests new directions for the study of sex and media as well. This informative text is also extensively referenced and features numerous tables to clearly present research data. Chapters in *Investigating the Use of Sex in Media Promotion and Advertising* examine: the nature and extent of sexually appealing newscasters primarily on cable news programs commentary and camera angles of

women's sporting events in the 2004 Summer Olympic Games the efficacy of both sexual content and sexual self-schema on consumers' attitudes toward promotional announcements, advertised programs, viewing intention, and self-reported arousal the history and content analysis of "shock jock" radio like the Howard Stern and the Bob & Tom shows the relationship among sexual content in music videos, viewer enjoyment, and actual product purchase intention Maxim magazine's cover formula and the competitive response from other men's lifestyle magazines the efficacy of men's magazines' sexual cover models on consumer outcome variables, including interest and purchase intention an international perspective of nudity in advertising in magazines versus on television a case study of the sexual appeals used in several billboard ads for the Hard Rock Hotel and Casino in Las Vegas and much more!
