

# Sex Crimes Ten Years On The Front Lines Prosecuting Rapists And Confronting Their Collaborators

**The Japanese Way of Justice** - David Ted Johnson 1996

**New Woman** - 1993

**Color of Rape** - Sujata Moorti 2012-02-01

Analyzes the depiction of rape on television network news, daytime shows, prime time programming, and alternative programming.

**Ohio State Journal of Criminal Law** - 2014

**Public Defenders** - Michael Scott Weiss 2005

Michael Scott Weiss is currently Assistant Professor of Law and Justice Studies at Rowan University in Glassboro, New Jersey.

Deviant Behavior - Alex Thio 1998

Deviant Behaviour examines the traditional and modern theories of deviance which provide a background to the analysis of various forms of deviant behaviour.

*Sex Crimes and Offenders* - Mary Clifford 2022-05-02

*Sex Crimes and Offenders* emphasizes the need to focus on individual perpetrators while also stressing the importance of looking at the offender's social and cultural environments, as well as the social and political responses designed to hold perpetrators accountable and help support victims

**Sex Crimes** - Alice Vachss 1994-09-15

From her ten years of experience in the Queens, New York, district attorney's office, the author offers a searing indictment of our justice system and how it "collaborates" with rapists.

Modern Crime and Suspense Writers - Harold Bloom 1995

-- Covers more than 1,400 of the most important authors who write in English -- Ranges from the author of Beowulf to present-day writers -- Includes writers in the Caribbean, Africa, Asia, Canada, Australia, and New Zealand -- Each volume covers approximately 12 authors and includes a concise biography, a selection of critical extracts, and a complete and up-to-date bibliography of the author's separate publications

**The Publishers Weekly** - 1993

**Newsletter** - Association of American Law Schools. Section on Clinical Legal Education 1990

**Rape in America** - Rob Hall 1995-06

The book examines the legal definition of rape, identifies the nature of sexual assault through a review of common rape myths, presents a description of rapist types and motivations, and offers statistical profiles of both rapists and victims. Pros and cons of major response options to sexual assault are identified, and legal, medical, and psychological procedures and ramifications of rape are discussed. Because the book compiles a wide variety of current information sources, it should be helpful to students, scholars, researchers, journalists, administrators and victim advocates of women's shelters and rape crisis centers, rape prevention instructors, legislators and policymakers, law enforcement personnel, and interested laypersons. Book chapters specifically deal with the cycle of rape victimization, pornography, and problems with

sexual assault studies. Additional chapters consider procedures, trends, and developments related to law enforcement, judicial, and correctional systems and to the medical treatment of sex offenders. A directory of major providers of services for victims and offenders and an annotated bibliography of print and nonprint resources for further research are included. References and figures.

*Reading Between The Lines: Toward an Understanding of Current Social Problems* - Amanda Konradi 2003-07-31

Drawing from a wide selection of current research and writings, *Reading Between the Lines* brings together accessible readings that examine a broad range of social problems and reflect different conceptual approaches. The text provides a conceptual framework for understanding social problems and enables an integrated race, class, and gender analysis.

**Harvard Women's Law Journal** - 1994

*Rape Culture and Spiritual Violence* - Gina Messina-Dysert 2015-05-08  
*Rape Culture and Spiritual Violence* examines sexual violence against women, how religion and society contribute to a rape culture, and the extreme suffering endured by rape victims as a result. Using the testimony of women who have experienced both rape and the consequences of rape culture—from a range of religious, cultural, ethnic, and social contexts—the book explores both the suffering and healing of rape victims from World War II to today. Among the issues considered are victim invisibility, the inability to express pain, and the tendency to assume shame and self-blame. The study examines the role of society in shaping and reinforcing these responses, contributing to traumas that can lead to spiritual death. The book also explores possibilities for multiple spiritual resurrections within the practice of daily life, encouraging both individual healing and social change.

Mirabella - 1993

**Issues in Intimate Violence** - Raquel Kennedy Bergen 1998-05-05  
This anthology explores a wide range of violence that commonly occurs in families and between intimates. Many articles offer a feminist perspective that addresses the gendered nature of violence and the consequences of power inequality in our society. A variety of violence topics are included: child abuse, incest, violence in heterosexual dating relationships, violence in gay and lesbian relationships, acquaintance rape, wife abuse and wife rape, and elder abuse.

**Sex Crimes** - Alice Vachss 2017-05

2 books in 1: *Sex Crimes: Now* is an entirely new sequel; *Sex Crimes Then* (published as *Sex Crimes: Ten Years on the Front Lines Prosecuting Rapists and Confronting Their Collaborators* (Random House, 1993) was a NY Times Notable Book of The Year; Both are riveting autobiographies of one of the nation's leading and most controversial prosecutors.

**Feminist Bookstore News** - 1994

*Nice and Noir* - Richard B. Schwartz 2002

Owners of mystery bookshops will tell you that there are several sorts of buyers: those who purchase on impulse or whim; genre addicts who buy paperbacks by the week and by the armful; and those who have caught up on canonical texts and regularly buy new novels by select authors in hardcover. Richard B. Schwartz belongs in the last group, with his own list of approximately seventy favorite writers. *Nice and Noir: Contemporary American Crime Fiction* explores the work of these writers, building upon a reading of almost seven hundred novels from the 1980s and 1990s. By looking at recurring themes in these mysteries, Schwartz offers readers new ways to approach the works in relation to contemporary cultural concerns.
