More Mischief - Kate Thompson 2000

"Four years after *It Means Mischief*, Deirdre O'Dare is now an established actress with a long-running slot in the soap *Ardmore Grove*. When Deirdre learns that she's to be killed off, she retires to the beautiful Irish countryside for a few weeks to try her hand at producing a screenplay, and is surprised to discover that she

has a talent for writing. With her love life as tangled as ever, and still angry at her on-off actor boyfriend, the seductive but faithless Rory McDonagh - now on the verge of success in Hollywood - she falls into a passionate relationship with the young lord of the manor, the gorgeous Gabriel Considine. But will the course of true love run smooth?"

The Blue Hour - Kate Thompson 2002

Maddie Godard: chief copywriter, The Complete Works advertising agency. Smart. Sussed. Scared. Because when your self-esteem's been trampled and your world overturned, you have to act fast. Maddie escapes from busy Dublin to seemingly tranquil Saint-G yroux, an idyll in rural France. There, she is led into temptation

by beautiful, roguish Sam, cajoled into becoming a life model by renowned artist Daniel Lennox, and haunted by a portrait of a woman with a secret to share. Can this mysterious beauty help Maddie exorcise her demons? In this moving, bittersweet, joyously romantic tale by the bestselling author of GOING DOWN and the MISCHIEF books, Maddie Goddard confronts her innermost fears, makes new friends, and learns that life really is worth living...

The Gingerbread House - Kate Beaufoy
2017-03-02

'Moving, honest, and darkly comic.' - Marian Keyes 'Gripping, heartbreaking, funny, surprising.' - Roddy Doyle 'Beautiful, heartbreaking, original, honest, unique.' - Cecelia Ahern Life in the Gingerbread House is no fairy tale... When Tess agrees to move into her aged mother-in-law's idyllic country cottage, she sees it as the perfect opportunity to escape the distractions of the city and start work on a novel. However, life in the Gingerbread House is

no fairy tale. Tess is utterly unprepared for the reality of caring for Eleanor, who suffers from dementia. Feeling increasingly isolated, she struggles to cope as Eleanor fluctuates between violent mood swings, child-like dependency and moments of heart-wrenching lucidity. Meanwhile, Tess's teenage daughter Katia is helpless to intercede; in the end she can only watch as things fall apart and a tragedy even closer to home surfaces. Heart-breaking and hopeful in equal measure, The Gingerbread House addresses a struggle that many families face with compassion, honesty and a gentle humour that becomes so necessary when coping with the impact of dementia. What readers are saying about The Gingerbread House: 'A small novel, with a huge heart ... Beaufoy has created a stunning and sensual read, which may just break even the hardest of hearts. Highly recommended.' - Margaret Madden, Sunday Independent 'You won't see the final, heart-rending twist in this taboo-tackling novel until it

'Darkly funny.' - Woman's Own 'A triumph.
Darkly moving, beautifully written. A
counterpoint to the disturbing them is the deft
and beautifully readable prose. Couldn't put it

of Lucy Lovecake 'Charming, funny, tender and
sad, and devastatingly readable. I will never

destiny and determined never to fall in love again, while single mother Rosa dreams of a life of freedom from tyrannical, sexist bosses. But after a series of disasters, can they rebuild their lives?

The Kinsella Sisters - Kate Thompson 2009

Fairy Tale Films - Pauline Greenhill 2010-08-06

In this, the first collection of essays to address the development of fairy tale film as a genre, Pauline Greenhill and Sidney Eve Matrix stress, "the mirror of fairy-tale film reflects not so much what its audience members actually are but how they see themselves and their potential to develop (or, likewise, to regress)." As Jack Zipes says further in the foreword, "Folk and fairy tales pervade our lives constantly through television soap operas and commercials, in comic books and cartoons, in school plays and storytelling performances, in our superstitions and prayers for miracles, and in our dreams and daydreams. The artistic re-creations of fairy-tale

plots and characters in film—the parodies, the aesthetic experimentation, and the mixing of genres to engender new insights into art and life—mirror possibilities of estranging ourselves from designated roles, along with the conventional patterns of the classical tales." Here, scholars from film, folklore, and cultural studies move discussion beyond the well-known Disney movies to the many other filmic adaptations of fairy tales and to the widespread use of fairy tale tropes, themes, and motifs in cinema.

The Woodcutter - Kate Danley 2012

Deep within the Wood, a young woman lies dead. Not a mark on her body. No trace of her murderer. Only her chipped glass slippers hint at her identity. The Woodcutter, keeper of the peace between the Twelve Kingdoms of Man and the Realm of the Faerie, must find the maiden s killer before others share her fate. Guided by the wind and aided by three charmed axes won from the River God, the Woodcutter begins his hunt,

searching for clues in the whispering dominions of the enchanted unknown. But quickly he finds that one murdered maiden is not the only nefarious mystery afoot: one of Odin's hellhounds has escaped, a pixie dust drug trade runs rampant, and more young girls go missing. Looming in the shadows is a malevolent, power-hungry queen, and she will stop at nothing to destroy the Twelve Kingdoms and annihilate the Royal Fae unless the Woodcutter can outmaneuver her and save the gentle souls of the Wood."

Why Fairy Tales Stick - Jack Zipes 2013-09-13
In his latest book, fairy tales expert Jack Zipes explores the question of why some fairy tales "work" and others don't, why the fairy tale is uniquely capable of getting under the skin of culture and staying there. Why, in other words, fairy tales "stick." Long an advocate of the fairy tale as a serious genre with wide social and cultural ramifications, Jack Zipes here makes his strongest case for the idea of the fairy tale not

just as a collection of stories for children but a profoundly important genre. *Why Fairy Tales Stick* contains two chapters on the history and theory of the genre, followed by case studies of famous tales (including Cinderella, Snow White, and Bluebeard), followed by a summary chapter on the problematic nature of traditional storytelling in the twenty-first century.

Striking Poses - Kate Thompson 2012-08-01
When you're burdened with the name of a goddess and your mother's a flamboyant actress, the last thing you want from a theatrical career is to be under the spotlight. That's why Aphrodite Delaney opts for a job backstage as a designer. But the bitchcraft rampant in the theatre world means that Aphrodite's obliged to seek employment elsewhere, and she finds herself grafting as a stylist on television commercials, a forlorn Cinderella with no invite to the ball. Until - ping! - the handsome prince of Irish fashion, Troy MacNally, arrives on the scene. Suddenly this Cinderella is snowed under

with fairy-tale threads and invites to the hottest events in town. Up against the most fiendish of divas, Aphrodite discovers a talent for wickedness herself...

South from Hell-fer-Sartin - Leonard W. Roberts
2021-11-21

South from Hell-fer-Sartin, a short creek flowing into the Middle Fork of the Kentucky River, lies one of the of the most isolated regions in Kentucky. There, on the north slope of the Pine Mountain range in Leslie and Perry counties—probably the last stronghold of white, English-language folk tales in North America—Leonard W. Roberts recorded this rich collection more than three decades ago. To a people who, at that time, watched dancing hearth fires more often than television, the adventures of Jack in the land of witches and giants, monsters and beautiful princesses, provided first-class entertainment. Here are such old favorites as "Sleeping Beauty" and "The Golden Arm," retold in the idiom of the Kentucky

mountains. Here are hauntingly beautiful cantes fables and earthy Irishman jokes. Here are encounters with Indians and marvelous hunting escapades. Roberts introduces his collection, first published in 1955, with a sympathetic description of the mountain way of life. He notes especially the bewildering and rapid changes that came to the Pine Mountain watershed in that decade as the highways and electric lines at last brought in a sophistication that preferred the soap opera to the folk tale. Although the stories Roberts recorded were still a firm part of folk tradition at the time, he believed that within a decade or two they would be forgotten—a prediction, sadly, by now no doubt fulfilled. Any lover of the vanishing art of tale telling will relish this rich treasury of folklore and humor. Full notes on sources, types, motifs, parallels, and possible origins of the tales make this collection valuable also for folklorists.

Love Lies Bleeding - Kate Thompson 2008

From glitzy LA to vibrant Dublin, three friends go through the pitfalls of aging, a dramatic romance, being replaced by a younger woman, and yearning for a baby.

Going Down - Kate Thompson 2013-01-28

Ella Nesbit is young, good-looking and has a wicked way with the violin. She also has a great job working in a Dublin recording studio. So why isn't life more fun? Could Julian, the trainee from hell, have something to do with it? Or is it really due to Ella's unreciprocated passion for her boss? When Ella's granny wins a holiday for two in Jamaica, things start to look up. Intrepid Ella dons a wetsuit, discovers scuba, and learns something about life from Rastafarian Raphael. But closer to home, a dark horse is coming up on the outside... In this brilliant, bubbly and sexy tale from the bestselling author of *More Mischievous*, Ella eventually discovers what she really, really wants - and finds a sensational way to get it.

The O'Hara Affair - Kate Thompson 2010

If only real life was like the movies...Fleur O'Farrell seems to have the perfect life. Living in the idyllic village of Lissamore on Ireland's West Coast, she has her own vintage clothes business as well as her very own Mr. Big. But when she starts to proffer anonymous advice via the internet to a young girl with a tangled love-life, Fleur's big heart leads to big trouble, as this act of kindness uncovers a darker side to her charmed life...Similarly, newly-wed Dervla Vaughn appears to be living the dream. However, with husband Christian working away more often than he's at home, there's trouble in paradise. Left alone to care for her demanding mother-in-law, Dervla wonders how her once-enviable life changed beyond all recognition...Surely married life should be blissful, not stressful? Meanwhile, the once-sleepy Lissamore is now a whirlwind of activity as *The O'Hara Affair* is filmed in its picturesque surroundings. And with many locals

being seduced by the glamour of the movies, who knows what could happen...Take a trip to heavenly Lissamore in this warm, witty read that will pull at the heartstrings.

Living the Dream - Kate Thompson 2005

We've all dreamt about it, but for Cleo Dowling the dream becomes a reality. Lucky Cleo comes into serious money and takes herself off to the small village of Kilrowan in Connemara to write a novel. But what happens when writer's block sets in and she becomes obsessed with her sexy neighbour? Dannie Moore's love life has always been complicated, but she has the knack of complicating things even more. When film director Jethro Palmer chooses Kilrowan as the location for a blockbuster movie, the consequences have a cataclysmic effect on her life. Deirdre O'Dare leaves her husband Rory behind in LA to accompany her friend, movie star Eva Lavery, to Kilrowan. When the cat's away and all that...but who is the cat? And although Deirdre is writing Eva's biography, it

would seem that the actress is not telling the truth, the whole truth...

Liberty Silk - Kate Beaufoy 2014-07-03

One beautiful dress is the key to three brave women's destinies... France 1919: Jessie is celebrating the last heady days of her honeymoon. But when her husband suddenly disappears she finds herself bereft. Until a chance encounter thrusts her into the centre of the intoxicating world of Parisian high life. Hollywood 1945: Lisa has come a long way from her quiet, unassuming life in London and is taking Hollywood by storm. But all that glitters is not gold, and as the smoke and mirrors of the lifestyle she so longed for shatter around her there are some secrets she can never escape. London 1965: Cat, headstrong and independent, drawn to danger and passionately opposed to injustice, has no idea of the legacy that precedes her. Once past secrets are unveiled, she has the chance to find out what liberty really means... An evocative story of survival, betrayal and the
