

# Sex In Literature The Classical Experience Of The Sexual Impulse

**The Rhetoric of Sexual Revenge in Jacobean Drama** - Sara Joan Eaton 1985

Andrea Dworkin - Jeremy Robinson 1994

Perilous Enlightenment - George Sebastian Rousseau 1991

**Towards a Definition Of, and Critical Approaches to Chicano(a) Literature** - Evangelina Enríquez 1985

**Gossip and Gender** - Marianne Bjelland Kartzow 2009-12-15

The frequent comments about gossip in the Pastoral Epistles are noteworthy, and it often has gender implications. Insights from the growing field of gossip studies from multiple disciplines help to interpret what role gossip plays, especially in relation to how power and authority are distributed and promoted. A presentation of various texts from antiquity shows that the relation between gossip and gender is multiple and complex: to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity. The ancient gossip discourse helps to understand more of the social dynamics of early Christianity, to fill in the imaginative picture and generate ideas to how Christian identity and theology were constructed.

**Gender Protest and Same-Sex Desire in Antebellum American Literature** - David Greven 2016-04-22

Expanding our understanding of the possibilities and challenges inherent in the expression of same-sex desire before the Civil War, David Greven identifies a pattern of what he calls 'gender protest' and sexual possibility recurring in antebellum works. He suggests that major authors such as Margaret Fuller, Edgar Allan Poe, Herman Melville, and Nathaniel Hawthorne consciously sought to represent same-sex desire in their writings. Focusing especially on conceptions of the melancholia of gender identification and shame, Greven argues that same-sex desire was inextricably enmeshed in scenes of gender-role strain, as exemplified in the extent to which The Narrative of Arthur Gordon Pym depicts masculine identity adrift and in disarray. Greven finds similarly compelling representations of gender protest in Fuller's exploration of the crisis of gendered identity in Summer on the Lakes, in Melville's representation of Redburn's experience of gender nonconformity, and in Hawthorne's complicated delineation of desire in The Scarlet Letter. As Greven shows, antebellum authors not only took up the taboo subjects of same-sex desire and female sexuality, but were adept in their use of a variety of rhetorical means for expressing the inexpressible.

**The History of Sexuality** - Michel Foucault 1990-04-14

Why we are so fascinated with sex and sexuality—from the preeminent philosopher of the 20th century. Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex, and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is.

*Erotic Faith* - Robert M. Polhemus 1995-03

In this profoundly original and far-reaching study, Robert M. Polhemus shows how novels have helped to make erotic love a matter of faith in modern life. Erotic faith, Polhemus argues, is an emotional conviction—ultimately religious in nature—that meaning, value, hope, and even the possibility of transcendence can be found in love. Drawing on a wide range of disciplines, Polhemus shows the reciprocity of love as subject, the novel as form, and faith as motive in important works by Jane Austen, Walter Scott, the Brontës, Dickens, George Eliot, Trollope, Thomas Hardy, Joyce, D. H. Lawrence, Virginia Woolf, and Samuel Beckett. Throughout, Polhemus relates the novelists' representation of love to that of such artists as Botticelli, Vermeer, Claude Lorrain, Redon, and Klimt. Juxtaposing their paintings with nineteenth- and twentieth-century texts both reveals the ways in which novels develop and individualize common erotic and religious themes and illustrates how the novel has influenced our perception of all art.

*Sex in Literature* - John Atkins 1970

**The Classical Experience of the Sexual Impulse** - John Alfred Atkins 1973

**Sexuality and Gender in the Classical World** - Laura K. McClure 2008-04-15

This volume provides essays that represent a range of perspectives on women, gender and sexuality in the ancient world, tracing the debates from the late 1960s to the late 1990s.

**Shakespearean Power and Punishment** - Gillian Murray Kendall 1998

The essays in this volume demonstrate how effectively different -- indeed seemingly contradictory -- theoretical paradigms can work with Shakespeare's plays to excavate issues of power and punishment.

Before Sexuality - Froma I. Zeitlin 2020-11-10

A dream in which a man has sex with his mother may promise him political or commercial success--according to dream interpreters of late antiquity, who, unlike modern Western analysts, would not necessarily have drawn conclusions from the dream about the dreamer's sexual psychology. Evidence of such shifts in perspective is leading scholars to reconsider in a variety of creative ways the history of sexuality. In these fifteen original essays, eminent cultural historians and classicists not only discuss sex, but demonstrate how norms, practices, and even the very definitions of what counts as sexual activity have varied significantly over time. Ancient Greece offers abundant evidence for a radically different set of sexual standards and behaviors from ours. Sex in ancient Hellenic culture assumed a variety of social and political meanings, whereas the modern development of a sex-centered model of personality now leads us to view sex as the key to understanding the individual. Drawing on both the Anglo-American tradition of cultural anthropology and the French tradition of les sciences humaines, these essays explore the iconography, politics, ethics, poetry, and medical practices that made sex in ancient Greece not a paradise of liberation but an exotic locale hardly recognizable to visitors from the modern world. In addition to the editors, the contributors to this volume are Peter Brown, Anne Carson, Françoise Frontisi-Ducroux, Maud W. Gleason, Ann Ellis Hanson, François Lissarrague, Nicole Loraux, Maurice Olender, S.R.F. Price, James Redfield, Giulia Sissa, and Jean-Pierre Vernant.

Sexual Underworlds of the Enlightenment - George Sebastian Rousseau 1987

De onderkant van Verlichting en tolerantie: (homo)sexualiteit, pornografie e.d. (o.a. over Fanny Hill) in de sociaal-politieke context van de Britse 18e eeuw. - De relevante artikelen zijn afzonderlijk ontsloten.

**The Sleep of Reason** - Martha C. Nussbaum 2013-08-02

Sex is beyond reason, and yet we constantly reason about it. So, too, did the peoples of ancient Greece and Rome. But until recently there has been little discussion of their views on erotic experience and sexual ethics. The Sleep of Reason brings together an international group of philosophers, philologists, literary critics, and historians to consider two questions normally kept separate: how is erotic experience understood in classical texts of various kinds, and what ethical judgments and philosophical arguments are made about sex? From same-sex desire to conjugal love, and from Plato and Aristotle to the Roman Stoic Musonius Rufus, the contributors demonstrate the complexity and diversity of classical sexuality. They also show that the ethics of eros, in both Greece and Rome, shared a number of commonalities: a focus not only on self-mastery, but also on reciprocity; a concern among men not just for penetration and display of their power, but also for being gentle and kind, and for being loved for themselves; and that women and even younger men felt not only gratitude and acceptance, but also joy and sexual desire. Contributors: \* Eva Cantarella \* Kenneth Dover \* Chris Faraone \* Simon Goldhill \* Stephen Halliwell \* David M. Halperin \* J. Samuel Houser \* Maarit Kaimio \* David Konstan \* David Leitao \* Martha C. Nussbaum \* A. W. Price \* Juha Sihvola

**Studies in the Psychology of Sex - Analysis of the Sexual Impulse**

**Love and Pain the Sexual Impulse in Women** - Havelock Ellis 2010-11

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Tiresian Poetics** - Ed Madden 2008

"Blind seer, articulate dead, and mythic transsexual, the figure of Tiresias has always represented a liminal identity and forms of

knowledge associated with the crossing of epistemological and ontological boundaries. In twentieth-century literature, the boundaries crossed and embodied by Tiresias are primarily sexual, and the liminal and usually prophetic knowledge associated with Tiresias is based in sexual difference and sexual pleasure. Indeed, in literature of the twentieth century, Tiresias has come to function as a cultural shorthand for queer sexualities." "This book argues for the emergence of a Tiresian poetics at the end of the nineteenth century. As Victorian and modernist writers reimaged Ovid's tale of sex change and sexual judgment, they also created a poetics that grounded artistic or performative power in figures of sexual difference - most often a feminized, often homosexual malebody, which this study links to the developing discourses of homosexuality and sexual identity."--BOOK JACKET.

**Queer Sexualities in French and Francophone Literature and Film**  
- 2015-07-14

The steady development of queer theory over the last two decades has provided useful analytical tools and the will to dismiss the watchdog of heteronormativity. Modes of reading have evolved, as this volume of FLS amply attests. Following Bill Edmiston's introduction to the volume — a concise and informative history of queer theory — the fifteen articles reveal, not surprisingly, significant diversity. One deals with queerness in the context of medieval writing where allegorical and euphemistic expression were understood to be irreconcilable. Another treats translations in Early Modern France of an Ovidian fable that had an

inconvenient lesbian dimension. Rousseau's fixation on his bottom (e.g., for spankings) points to a queer streak, while Gautier's *Mademoiselle de Maupin* enhances the theme of sexual misidentity with ornamental figures. The queerness of Sand's *La Mare au diable* emerges in the course of a contrasexual reading. A musicologist investigates the possibility of a lesbian esthetics of music in a work by Erik Satie, while a literary scholar finds evidence of Proust's "outing" in Jean Santeuil. Other articles address the sense of gender transformation wrought by sodomy, a revised view on the writing subject in Jean Genet's fiction, the queerness of heterosexuality in the works of Michel Houellebecq, and recurring motifs in recent fiction produced by "gay Paris." Two of the articles treat activism and esthetics in film.

**Sexuality in Classical South Asian Buddhism** - José Ignacio Cabezón  
2017-10-10

"More than twenty-five years in the making, this detailed sourcebook on Buddhist understandings of sexuality, desire, ethics, and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis. Cabezón marshals an incredible array of scriptures, legal and medical texts, and philosophical treatises, explaining the subtleties of this ancient literature in lucid prose. This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex"--Page 2 of dust jacket.

**Sexuality and Victorian Literature** - Don Richard Cox 1984
