*Calder Brand* - Janet Dailey  
2021-02-23

A legendary era comes to vivid life in this saga of the beautiful, unforgiving American West, where the only thing more vital than hard work is the love of an unforgettable woman. "A sprawling, emotional love story." —Publishers Weekly

The Calder family patriarch is known throughout Montana as a force no one in his right mind would cross. But in New York Times bestselling author Janet Dailey's latest novel, sometimes love can make even the most stubborn man do crazy things. Lost and left for dead after a violent stampede, a young cowboy battles his way to Montana and a fresh start among the cattlemen wresting vast empires from the wilderness. Joe is no saint, but he proves himself a hero many

times over, giving his heart along the way to the fiercely independent midwife who saves his life, then bears his child out of wedlock. Sarah's ambition is to train as a doctor, but harsh reality dictates a different life path. One that will test her strength and courage but end in the new life of her dreams . . . Dailey fearlessly explores the sheer grit of the women and men who settled the frontier, the characters, both strong and weak, who competed for a piece of the open range, and the fascinating, never more timely story of America's westward expansion.

**Sandy's Circus** - Tanya Lee Stone 2008-09-04

As a boy, Alexander ?Sandy? Calder was always fiddling with odds and ends, making objects for friends. When he got older and became an artist, his fiddling led him to create wire sculptures. One day, Sandy made a lion. Next came a lion cage. Before he knew it, he had an entire circus and was traveling between Paris and New York performing a brand-new kind of art for amazed audiences. This is the story of Sandy?s Circus, as told by Tanya Lee Stone with Boris Kulikov?s spectacular and innovative illustrations. Calder?s original circus is on permanent display at the Whitney Museum in New York City.

*Santa in a Stetson* - Janet Dailey 2009

"New York Times"-bestselling author Dailey heats up the holidays with a magical new Christmas story set in New Mexico. Original.

**Poets** - Jess Walter 2010-08-05  
From the author of the bestselling *Beautiful Ruins* comes *The Financial Lives of Poets* - a brilliantly funny novel about a man who, in an attempt to save himself, may destroy everything he loves. Meet Matt Prior. He's about to lose his job, his house, his wife, and maybe his sanity too. Financial journalist Matt quit his job to set up a website which couldn't fail. Only now he's woken up to the biggest crisis since the Great Crash, and it has. He's got six days to save his house. It's hard to focus when your wife's having an online affair with her childhood sweetheart, but there are children to think about . . . So when he gets hold of some high-grade dope and finds he can sell a piece on at a profit, he begins to think this might be his salvation. A fabulously funny, heartfelt novel about how we can skate close to the edge of ruin - and pull back. 'A beautifully laid-back exultation of the human connections that make life worth living' Metro

**Agape Agape** - William Gaddis  
2003-09-30

William Gaddis published four  
novels during his lifetime,  
immense and complex books  
that helped inaugurate a new  
movement in American letters.  
Now comes his final work of  
fiction, a subtle, concentrated  
culmination of his art and  
ideas. For more than fifty years  
Gaddis collected notes for a  
book about the mechanization  
of the arts, told by way of a  
social history of the player  
piano in America. In the years  
before his death in 1998, he  
distilled the whole mass into a  
fiction, a dramatic monologue  
by an elderly man with a  
terminal illness. Continuing

Gaddis's career-long reflection  
on those aspects of corporate  
technological culture that are  
uniquely destructive of the  
arts, *Agape Agape* is a stunning  
achievement from one of the  
indisputable masters of  
postwar American fiction.

seemingly disparate paths: in 1892, Rina Faccio trades her needlepoint for a pen; in 1902, Romaine Brooks sails for Capri with nothing but her clotted paintbrushes; and in 1923, Virginia Woolf writes: "I want to make life fuller and fuller." Writing in cascading vignettes, Selby Wynn Schwartz spins an invigorating tale of women whose narratives converge and splinter as they forge queer identities and claim the right to their own lives. A luminous meditation on creativity, education, and identity, After Sappho announces a writer as ingenious as the trailblazers of our past. "This book is splendid: Impish, irate, deep, courageous. . . . Brava!"—Lucy Ellmann, author of *Ducks*, Newburyport

Sacher-Masoch - The surrounding story concerns a man who dreams of talking to Venus almost adore whereas she wears hides. The anonymous storyteller tells his dreams to a companion, Severin, who tells him how to break himself of his interest with brutal ladies by perusing a composition, *Diaries of a Suprasensual Man*. This original copy tells of a man, Severin von Kusiemski, who is so charmed with a lady, Wanda von Dunajew, that he inquires to be her slave, and empowers her to treat him in continuously more corrupting ways. At to begin with Wanda does not get it or agree to the ask, but after humoring Severin a bit she finds the points of interest of the strategy to be curiously and excitedly grasps the thought, in spite of the fact that at the same time she disdains Severin for permitting her to do so. *The Ticket That Exploded* - William Burroughs 2012-06-28

Calder Grit - Janet Dailey  
2022-02-22

Centered on a ruthless family that rivals the Duttons on the hit TV show Yellowstone, the drama of the powerful Calder clan continues to rage in 1909 Montana. As the countryside explodes in violence, the Calder patriarch has the power to stop the destruction, though some believe Benteen Calder is

only stoking the flames for his own gain. One man courageously straddles the divide... That man is Blake Dollarhide, the ambitious young owner of Blue Moon's lumber mill. When Blake's spoiled half-brother takes advantage of the innocent daughter of a homesteading family, Blake steps in as Hanna Anderson's bridegroom to restore her honor and give her unborn child his name. But Blake doesn't count on the storm of feelings he develops for sweet Hanna. When the war between the factions rages anew, everyone wonders if Blake will stand by the close-knit community he serves, or the wife he took in name only... A marriage of love is more than Hanna ever dreamed of. For her family, surviving the rugged trip west, claiming a parcel of land and planting their first crops on the vast prairie are the only things that matter. Which is why the unexpected passion she feels for her husband is all the more poignant. But even as she longs to trust the strong bond

growing between her and Blake, Hanna knows it will take courage and grit to overcome the differences between them. And even greater strength of will to put down roots in this wild new country. Praise for The Calder Brand series debut

“Dailey highlights the brutal reality of survival in the American West while building a sprawling, emotional love story. . . . Both fans and newcomers to Dailey’s novels will be pleased.”—Publishers Weekly on Calder Brand
