Unmask the Predators - Lisa Cherry 2012-05-15
WARNING: THREATS TO YOUR CHILD AHEAD!

Losing your child's heart to the perverse world of a sexual predator is truly every parent's nightmare. When an \$800 cell phone bill revealed a secret relationship between our highachieving, Sunday School teaching 15 year old daughter, Kalyn, and a 46 year old man from our congregation, we were horrified. The aftermath of destruction, as it usually is with sexual abuse, was disastrous. Rebellion, depression, wrong relationships, eating disorders, and selfmutilation suddenly turned home into a war zone. In Kalyn's mind we, her parents, were her enemies while the sexual perpetrator remained her hero. How could something so bizarre happen in a loving Christian home?

Redeem the Silence - Sherrill Anderson
Nielsen, Mft 2012-07

There is a silence that is killing us. Millions are impacted by rape and sexual violence and are plagued with struggles they can't talk about. The time is now to start the healing and Redeem the Silence. "Redeem the Silence is a powerful expose on the subject of rape in the 21st century. With stories that are raw and riveting, the dialogue tears at one's emotions. A subject that is almost overpowering, it is almost unspeakable. But that is the point of Sherrill's book: the subject of rape must not be unspeakable because it happens every day while our silence protects the guilty and torments the victims. Sherrill Nielsen tells the truth about sexual violation and blow s the cover off cultural taboos." JIM COFFARO, Senior Pastor at New Song Foursquare Church, San Jose, CA "A pathway to healing! Authentic, no formulas, compassionate, real life guidance for those who have been abused, and those who love them."

DR. DAVID SMITH, Lead Navigator, Theodyssey Group "Gripping, insightful, Sherrill Nielsen counsels from a survivor's perspective." MIKE YORKEY, co-author of Every Man's Battle and The Swiss Courier

Are You Still Bothered by the Past? - Anne Anderson 2010-11

They say you're only as sick as your deepest secret...and Anne Anderson, a victim of unimaginable sexual abuse, had plenty of them. The product of a broken and dysfunctional home, Anderson's childhood was like something out of a nightmare, leaving her abandoned, molested, manipulated, drugged, and even prostituted. The closest thing to love that she experienced was offered with one condition: that she'd agree to have sex. Never mind that she was only twelve years old. And never mind that the man was her only father figure—a man who was supposed to protect and care for her. Unsurprisingly, she was left damaged and deeply scarred, her pain and suffering extending far beyond the abuse itself. For years, she carried around the baggage of her past, feeling emotionally empty and disconnected. When she became a Christian, she thought it was an immediate solution, hoping that her newfound faith would make everything right. But a lifetime of self-sabotaging patterns weren't so easily broken. So how does one move on from such trauma? In *Are You Still Bothered by the Past?* author Anne Anderson candidly shares her story of abuse, as well as her personal recovery process. Her inspirational

message encourages other abuse victims, showing that no matter the circumstances, it is possible to rise above your past and find the hope, healing, and love you long for.

The last section titled, "Steps to Solution," gives Biblical advice on how to manage depression, such as:

- Key Bible passages to read
- Do's and don'ts for family and friends
- Tests to gauge what kind of depression you're facing
