Sex Is Not the Problem (Lust Is) - A Study Guide for Women Joshua Harris 2010-05-19

Celebrate Purity Overcoming lust is a process that requires diligent focus and accountability from others, and these in-depth guides help establish both. They're designed for a variety of settings, from one-on-one accountability partnerships to Sunday school classes. Sex Is Not the Problem (Lust Is) made the statement that lust is a human problem (not just a guy problem) and that Jesus can free anyone from its power. Going further, these gender-specific study guides feature questions and discussion starters that directly address the temptations unique to men and women. These resources are a must-have for anyone challenged to defeat lust and celebrate purity in their lives. Lust Is Not Just a Guy Problem Based on the bestselling message in Sex Is Not the Problem (Lust Is), Joshua and Shannon Harris offer a companion study guide specifically designed to address the issues women face. For use in a personal or group setting, this in-depth guide is a tool to help you apply the book's principles as you go further on your journey to holiness. "Sex Is Not the Problem (Lust Is) offers help and hope—not just for those who are dealing with sexual lust, but for anyone besieged by temptation of any kind." —Nancy Leigh DeMoss Author, host of the Revive Our Hearts radio program Includes a Modesty Heart-Check for Girls Each of the ten small-group sessions includes: • Easy Review: A quick chapter summary makes review simple. • Discussion Questions: Questions that serve as icebreakers, and then lead to deeper discussion and personal application. • Accountability Follow-Up: Questions to help check each other's progress in a truthful and caring setting. • Meditate and Memorize: Key Scriptures that will help women gain victory over lust. • Custom-Tailored Action Plan: Women will be led in a step-by-step formulation of an Action Plan, uniquely tailored to combat their specific battles. Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem." —Joshua Harris

Teaching True Love to a Sex-at-13 Generation Eric Ludy 2005-03-27 No parent wants to admit that their child—even their well-educated, well-grounded, Christian child—could be having consensual sex before graduating middle school. Promise rings, parental contracts and disease warnings provide

but meager defense against a culture overrun with weapons of mass seduction. While many factors contributing to the misguided messages received by children stand outside the realm of parental control-music videos, film, fashion-others, like the meaning of true love, can, and should be fostered at home. Eric and Leslie Ludy, authors of the bestselling *When God Writes Your Love Story*, present the shocking, unvarnished realities of today's sexual climate but they balance the bitter pill with a large dose of hopeful, practical advice for parents.

Win Love Win Life is written for the guy who hungers to improve himself and acquire the perfect woman he desires. It's written for ANY man, young or old, who needs a little polishing around the edges to achieve his dreams! It's also a HUGE resource for women: understand how your husband or boyfriend thinks and learn what he needs and wants! I started writing this book as a time machine letter to my teenage self. It quickly took on a life of its own and I hope the collection of expert wisdom and shared life experiences helps give you the complete knowledge you crave to make your dreams become a reality. Senior year of high school I'd lay on my bed and wonder what my life would be like in the future. I still hadn't landed a girlfriend at this point. Most of my friends had girlfriends and allegedly gotten laid already and I wondered if I ever would. I needed a step-by-step guide on not only how to pick up and date women but how to act "normal" and be "cool." I bought a copy of Eric Weber's How to Pick Up Girls and felt immediately ripped off as learned nothing from the outdated and misogynistic advice. I still didn't know how to successfully present myself so girls would be attracted to me and want to go out on dates. What I began to realize in my following college years is that repetition, bravery, and failure can breed strong self-confidence and magnetism (mojo). The blinders were lifted from my eyes and woman after woman would walk into my life. It was my total choice and personal actions to direct where these relationships went, exactly like the Choose Your Own Adventure books I used to read in grammar school. We truly do hold that much power in our lives with every decision - or indecision - writing our futures in real time. Instead of writing a faux-intellectual "how to pick up women" book filled with regurgitated hyperbole, I thought it would be more fun for you to gain insight through my personal experiences with dozens of women all-the-while absorbing tips and tricks interlaced between stories. Every story has multiple lessons you can glean wisdom from and implement immediately into your life. Acquiring your true love will take dating multiple women until you find a hottie that clicks with you. With the knowledge contained in this book I will teach you exactly how to make it happen and pave your road to achieve success in love and life. Start your journey to the Alpha kingdom and begin winning love and life!

And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? Insecure in Love Bill Jackson 2020-12-15 Did you ever feel weak and insecure in approaching a person of the other sex even just to chat? Insecurity is one of the greatest limits of life and love stories, trying to fight against one's own insecurity and finding one's self-esteem before yielding to the effects of aging should be everyone's goal. Insecurity plays a fundamental role in love. But welcoming it in a rational way or in an emotional way creates enormous differences in height. It is natural to ask yourself questions and not live a love story with blind security; but to be devoured by insecurities is certainly an aspect to be avoided. Each relationship almost automatically involves a nostalgic component: the fear of losing the partner or being betrayed, are part of the game. The important thing is not to succumb to these fears. Both insecurities, in most cases, derive from previous negative experiences: the fear of abandonment is a logical legacy of the end of every relationship. There are few people who get engaged the first time and keep the same partner for the rest of their lives, all the others at least once will overcome the trauma of loss and abandonment. Here's what you'll find out by reading this book: - The truth about unconditional love; - Because love hurts; - How to recognize the signals that make a person insecure in love and how to eliminate them; - Effective communication in a couple relationship; - Why some people are afraid to bond seriously with their partner; - Suggestions for those with a younger partner; - How to recognize the signs of jealousy and how to eliminate them; - Because negative emotions turn into physical pain; - How to overcome a black period after the partner has given up; ...and so much more. I will explain to you step by step my bomb-proof methods, to overcome your insecurities and to become a winner in romantic relationships with any partner. If you are wondering if this is a book that can do for you, know that the answer is yes! The aim of the text is to explain these topics to anyone who has zero knowledge of how relationships work together or anyone who has read about them and wants to learn more. By reading this book, you too can master the sentimental dynamics and apply them to your relationship life even if you know nothing about it now. Believe me ... it will be worth it!
