**Talking to Your Kids About Sex** - Laura Berman 2015-08-03

Teaching your child about sex can be a rewarding, relationship-strengthening experience. You just need to be equipped with the right tools: clear, easy-to-explain information; critical questions to ask; good timing; and a sense of humor. Often touched on only lightly in schools, sexual knowledge is one of the most important parts of your child's education. Help encourage positive thought, relationships, and decision-making with Dr. Berman's resourceful, reassuring, and comprehensive book.

**The Space Between** - Walt Mueller 2009

The challenges of adolescence can leave many parents feeling overwhelmed at times with fear, frustration, and a lack of understanding. Dr. Walt Mueller brings more than 30 years of adolescent research (and his own parenting experience) to help you through the tumultuous years of adolescence, to help you understand and effectively parent your teen.

*The Parents' Guide to Puberty* - Cath Hakanson 2021-04-23

A straightforward common-sense book for parents on how to talk about puberty and sex with their tween or teen.

*Sex and Your Teenager* - John Coleman 2003-03-28

As we all know, sexuality is not an easy topic for parents and carers to deal with once their children enter adolescence. We are all aware of the need to discuss sex with our kids, the only question is, how to start the conversation? This practical, down-to-earth book offers tips on how to broach the subject and gives advice on a range of problems from the bodily changes at puberty through to coping with relationships, contraception and HIV. And in light of modern society's ever changing attitudes towards sexual behaviour, more controversial issues are addressed such as sexual orientation and STDs. Written in a very open, honest style, yet based on a solid bedrock of scientific information this book will help you to help your teenager to cope with their own sexuality. \* Written by a very well respected academic \* Includes useful lists of organisations and further reading \* Will empower you to develop a deeper, more satisfying relationships with your teenage kids

**Talking Sexual Health** - Judith Jones 1999A Parent's Guide to the Sex Talk - Axis 2023-06-06

Having "the talk" with your kids can feel daunting and uncomfortable. What do you say? When and how do you bring it up? Take the pressure off the talk with this guide featuring tips to discuss changing bodies, sexual temptation, consent, and more!

**The Parent's Guide to Talking About Sex** - Janet Rosenzweig 2015-04-21

If your kids aren't learning about sex from you, what are they learning about sex, and who is teaching them? Having "the talk" with your child does not have to be a terrifying and awkward event. Armed with Dr. Janet Rosenzweig's groundbreaking book, you may find you never need to have "the talk." Dr. Rosenzweig illustrates how you can help protect your children from sexual abuse, trauma, and bullying through your everyday interactions with them. She walks you through the steps you can take to combine your own family's values with age-appropriate information for children at all stages of development. And you'll learn how to do so in a way that will improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education, and family services to help you identify the real threats to your children's safety and to protect them from becoming victims of sexual misinformation or exploitation. From choosing a child's first daycare to meeting the multimedia challenges of adolescence, *The Parent's Guide to Talking About Sex* will coach you to raise sexually safe and healthy sons and daughters.

Talk Soon. Talk Often - Jennifer Teresa Walsh 2011

"... commissioned by the Western Australian Department of Health following research with young people that found there is a need for resources to support parents & families as sexuality educators of their children"--Title page verso. To develop the resource, parents of primary and secondary school students across Western Australia were asked about their current approach to talking with their children about sexual matters and the kind of support they wanted. This information was then used to develop this resource.

**What Your Child Needs to Know About Sex** - Dr. Fred Kaeser 2011-09-06

If you start talking early enough, kids will listen. FOR MANY PARENTS, the talk is one of the most dreaded rites of passage in the child-raising experience--but it doesn't have to be. The key is to start early when talking about sex with your child. In Dr. Fred Kaeser's progressive approach, parents become their child's first resource for sexual information (instead of ceding control to peers, the school system, or the media) in order to have a lasting and positive influence over their child's sexual development. As the former director of health in the New York City public schools, there's nothing Dr. Kaeser hasn't been asked by kids, or by parents. And he has seen firsthand the results of our increasingly sexualized youth culture, and how it's making children grow up faster than ever these days. From sexting to cyberbullying, challenges and pressures abound--even for kids in kindergarten. This means that parents must begin laying the groundwork for basic conversations about sex when their child is as young as three years old. Parents then build their discussions on this early foundation, introducing more information at developmentally appropriate ages (for example, talking about puberty with your eight-year-old, and discussing safe sex with your ten-year-old). *What Your Child Needs to Know About Sex (and When)* goes far beyond the birds and the bees to discuss uncomfortable issues with a winning frankness and empowering attitude. It offers families the tools they need for navigating how and when to have positive dialogues about sexuality and helps parents learn to use everyday teachable moments. Open communication about sex with your children isn't necessarily easy, but it can be done; this indispensable book will guide you every step of the way.

The Yellow Book - TARSHI 2012-06-25

The essential guide to the who, why, what, when, where and how of sexuality education. Talking to children and young people about sexuality is never easy. This non-nonsense, straightforward and accessible guide will help adults get across the necessary information in the best way possible. Since 1996, TARSHI has been counselling and supporting people - young and not-so-young - on issues to do with sexual health. Building on the success of the highly popular Red Book (for 10-14-year-olds) and Blue Book (for 15+), the team have put together *The Yellow Book* specifically for parents and teachers. *The Yellow Book* is full of tips and tools, information and advice to help you talk to your children about sexuality at every stage of their lives. Published by Zubaan.

Let's Talk about S-e-x - Sam Gitchele 2005

Here is information for parents, using the guide at the back of the book, on how to approach that Big Ttak in a way that is comfortable and positive. It is the ideal starting point for the parent who wants to communicate sexuality information that is frank and clear and with the feelings and values they wish to convey.

*Talking to Youth about Sexuality* - Mike Aquilina 1995Talk Soon. Talk Often - Jennifer Teresa Walsh 2011

In 2008, consultations were held with the parents of primary and secondary aged school children in city and country WA. Parents were asked about the ways they currently approach educating their children about sex, reproduction, sexuality and relationships, and the kind of support needed to assist them to more effectively communicate with their children about these topics. Parents were also asked about school sexual health education programs, the role of schools and teachers in the provision of these programs, and parent engagement with the school regarding this particular type of health education program.

*Sex And Sensibility* - Deborah Roffman 2001-12-20

With a rare directness and clarity about sex and reproduction, sexual values, and cultural influences on sexuality, Deborah Roffman challenges and teaches readers how to develop a blueprint for opening the lines of communication with children of all ages. *Sex and Sensibility* introduces the five core parenting skills that parents need to confidently interpret and comfortably respond to virtually any question a child might pose or any situation that arises. Powerfully instructive and thought provoking, it should be required reading for parents; it will inspire honest talk about sex and sexuality, helping all of us be better parents for the effort.

*Talking to Youth about Sexuality* - Kris D. Stubna 2006

Education in human sexuality demands that our children know the facts of life. But even more important, it

is crucial that our children are given a faith-filled and morally correct context in order to make sense of all the issues connected with human sexuality. Developed with parents, doctors, educators, and catechists, this valuable guide--a consistent best-seller--is your practical resource for answering questions and encouraging meaningful conversations with your child. It will help you convey the beauty and dignity of human sexuality and the value of self-discipline, purity, and chastity.

*Raising Kids to Understand Consent* - Lauren K Carlson 2020-10-19

Consent is not merely a sexual issue. Failure to talk about consent with your children before they are educated about sex is overlooking the dangers that our children face long before they decide to become sexually active. Consent education is your child's superpower. Open communication with children, beginning at a young age will help safeguard them from dangers around them, as well as help to raise a generation to respect sexual boundaries as they mature. This book is intended to separate the topics of consent and sexual activity, in order to make consent a topic that can be learned at any age. Each scenario and example is complete with a range of talking points for each age group. The lessons in this book will help guide conversations to ensure that you are able to inform and/or support your child if their boundaries are disrespected.

**How to Talk Confidently with Your Child about Sex** - Lenore Buth 1998

Honest, Sensitive Answers from a Christian Perspective.

**The Parents Guide to Explaining Sex** - Robert Barrett 2022-08-16

It might be one of the most uncomfortable talks you'll ever have with your kid about sex, but it doesn't have to be. Whether or not your kid has shown an interest in having sex, you should still educate them about it in an age-appropriate manner to get them ready for their next sexual encounter. As many parents are aware, it may be challenging to explain to their children how to have sex, where babies come from, how puberty occurs, and what their private parts are employed for. Teenagers will resort to social media, online pornography, and counsel from their peers if we don't provide them clear, comprehensible solutions. You'll

learn the following from *The Parents' Guide to Explaining Sex*: How to describe sex in whichever way is most natural for you - This exquisitely designed parent's manual offers explanations for both conventional and gender-nonconforming practices along with a wealth of kid-friendly graphics. How to teach your kid about your sexual beliefs and act as a moral compass for them so they know what kinds of sexual attitudes and behaviors are acceptable. How to start a conversation about sex and sexual development with even the most resistant youngster How to respond to your child's sexual interest in straightforward, factual ways while using language that is acceptable for their age. How to have a modern, inclusive conversation about sex with your kid so that they are aware of all kinds of relationships and sexual encounters, Teen sexual education doesn't have to be a minefield of discomfort and misinformation to be comprehensive and ethical. *The Parents' Guide to Explaining Sex* offers parents of various comfort levels a straightforward manual on what to say to their children about sex and when, how, and how much.

**Beyond the Big Talk** - Debra Haffner 2002-06

With a foreword written by her own daughter, the author presents the news that good parenting can make a difference for kids and then "confronts issues such as peer pressure, sexual harassment, abstinence, and much more."--Jacket.

**The Focus on the Family® Guide to Talking with Your Kids about Sex** - J. Fitch 2013-10-15

Sexual images saturate today's culture--and children will learn about sex somewhere. But research shows that they want to learn from the parents they trust. Talking about sex doesn't have to be a fear-filled challenge. *The Focus on the Family® Guide to Talking with Your Kids about Sex* shows parents how to talk with confidence to their kids about sex and sexuality. This candid resource is full of the latest information, practical insights, and age-appropriate answers to the questions parents and children ask about sex. Focus on the Family's Physicians Resource Council, along with research from The Medical Institute for Sexual Health provides parents with the tools and empowering encouragement they need in order to communicate more effectively and biblically about sex, self-control, and self-respect at every stage of a child's development.
