The Dancing Girl of Izu and Other Stories - □□□□ 1997

Twenty-three stories by a Japanese writer. The subjects include beggars, Buddhist priests and love dramas. The story, *Diary of My Sixteenth Year*, is on the friendship of a boy and his grandfather.

House of the Sleeping Beauties - Yasunari Kawabata 1969

Tales from Japan - Helen McAlpine 2002

This extraordinary collection of stories from Japan are retellings of legends and fairy tales. You'll meet the Sea Spirit, the Moon God, the Emperor Kiyomori, Dragon Princess and many other magical characters. Amidst the stories, the beauty of Japan - its people, its animals and its landscape- is joyfully evoked. The stories include *The Birth of Japan*, *Tales of the Heike*, and the *Tale of Princess Kaguya*.

House of the Sleeping Beauties and Other Stories - □□□□ 1980

From Japan's only Nobel laureate for literature, three superb stories exploring the interplay between erotic fantasy and reality in a loner's mind.

The Dancing Girl of Izu and Other Stories - □□□□ 1997

Twenty-three stories by a Japanese writer. The subjects include beggars, Buddhist priests and love dramas. The story, *Diary of My Sixteenth Year*, is on the friendship of a boy and his grandfather.

Good Chinese Wife - Susan Blumberg-Kason 2014-07-29

A stunning memoir of an intercultural marriage gone wrong. When Susan, a shy Midwesterner in love with Chinese culture, started graduate school in Hong Kong, she quickly fell for Cai, the Chinese man of her dreams. As they exchanged vows, Susan thought she'd stumbled into an exotic fairy tale, until she realized Cai—and his culture—where not what she thought. In her riveting memoir, Susan recounts her struggle to be the perfect traditional "Chinese" wife to her increasingly controlling and abusive husband. With keen insight and heart-wrenching candor,

she confronts the hopes and hazards of intercultural marriage, including dismissing her own values and needs to save her relationship and protect her newborn son, Jake. But when Cai threatens to take Jake back to China for good, Susan must find the courage to stand up for herself, her son, and her future. Moving between rural China and the bustling cities of Hong Kong and San Francisco, *Good Chinese Wife* is an eye-opening look at marriage and family in contemporary China and America and an inspiring testament to the resilience of a mother's love—across any border.

Kanbunmyaku - Mareshi Saito 2021-01-11

In *Kanbunmyaku: The Literary Sinitic Context and the Birth of Modern Japanese Language and Literature*, Saito Mareshi demonstrates the centrality of kanbun and kanshi in the creation of modern literary Japanese and problematizes the modern antagonism between kanbun and Japanese.

Thousand Cranes - Yasunari Kawabata 2011-01-06

Kikuji has been invited to a tea ceremony by a mistress of his dead father. He is shocked to find there the mistress's rival and successor, Mrs. Ota, and that the ceremony has been awkwardly arranged for him to meet his potential future bride. But he is most shocked to be drawn into a relationship with Mrs. Ota - a relationship that will bring only suffering and destruction to all of them. *Thousand Cranes* reflects the tea ceremony's poetic precision with understated, lyrical style and beautiful prose.

Palm-of-the-Hand Stories - Yasunari Kawabata 2006-11-14

Collection of short stories written over the entire span of Kawabata's career. These stories, he felt, represented the essence of his art and reflect his abiding interest in the miniature, the wisp of plot reduced to the essential. --Adapted from publisher description.

The Sound of the Mountain - Yasunari Kawabata 2013-02-20

"The apparently fixed constellations of family relationships, the recurrent beauties of nature, the flaming or flickering patterns of love and

lust—all the elements of Kawabata’s fictional world are combined in an engrossing novel that rises to the incantatory fascination of a Nō drama.” —Saturday Review Few novels have rendered the predicament of old age more beautifully than *The Sound of the Mountain*. For in his portrait of an elderly Tokyo businessman, Yasunari Kawabata charts the gradual, reluctant narrowing of a human life, along with the sudden upsurges of passion that illuminate its closing. By day Ogata Shingo is troubled by small failures of memory. At night he hears a distant rumble from the nearby mountain, a sound he associates with death. In between are the relationships that were once the foundation of Shingo’s life: with his disappointing wife, his philandering son, and his daughter-in-law Kikuko, who instills in him both pity and uneasy stirrings of sexual desire. Out of this translucent web of attachments—and the tiny shifts of loyalty and affection that threaten to sever it irreparably—Kawabata creates a novel that is at once serenely observed and enormously affecting. Translated from the Japanese by Edward G. Seidensticker

The Strong and the Weak in Japanese Literature
- Fuminobu Murakami 2010-06-10

This book uses texts from classical to modern Japanese literature to examine concepts of 'respect for the strong', as a notion of an evolutionary society, and 'sympathy for the weak', as a notion of a non-violent and changeless egalitarian society. The term strong refers not just to those with strength and power. It also includes other ideal attributes such as beauty, youth and goodness. Similarly, the term weak implies not only the weak and infirm, but also the disadvantaged, the indecent, the unsophisticated and those generally shunned by society. The former are associated not only with the power of life, competition, evolution, progress, development, ability, effectiveness, efficiency, individuality, the future, hope and romance, but also with violence, fighting, bullying, discrimination and sacrifice. The latter, in contrast, invoke notions of peace, egalitarianism, anti-discrimination and welfare, as well as stagnation, retreat, retrogression, degeneration and the decline of vital powers. By using these two concepts Murakami skillfully weaves a narrative that is part literary criticism,

part social commentary. As such the book will be of huge interest to not only scholars and students of Japanese literature, but also those of Japanese society and culture.

Prose Fiction: An Introduction to the Semiotics of Narrative - Ignasi Ribó
2019-12-13

This concise and highly accessible textbook outlines the principles and techniques of storytelling. It is intended as a high-school and college-level introduction to the central concepts of narrative theory - concepts that will aid students in developing their competence not only in analysing and interpreting short stories and novels, but also in writing them. This textbook prioritises clarity over intricacy of theory, equipping its readers with the necessary tools to embark on further study of literature, literary theory and creative writing. Building on a 'semiotic model of narrative,' it is structured around the key elements of narratological theory, with chapters on plot, setting, characterisation, and narration, as well as on language and theme - elements which are underrepresented in existing textbooks on narrative theory. The chapter on language constitutes essential reading for those students unfamiliar with rhetoric, while the chapter on theme draws together significant perspectives from contemporary critical theory (including feminism and postcolonialism). This textbook is engaging and easily navigable, with key concepts highlighted and clearly explained, both in the text and in a full glossary located at the end of the book. Throughout the textbook the reader is aided by diagrams, images, quotes from prominent theorists, and instructive examples from classical and popular short stories and novels (such as Jane Austen’s *Pride and Prejudice*, Franz Kafka’s ‘*The Metamorphosis*,’ J. K. Rowling’s *Harry Potter*, or Dostoyevsky’s *The Brothers Karamazov*, amongst many others). *Prose Fiction: An Introduction to the Semiotics of Narrative* can either be incorporated as the main textbook into a wider syllabus on narrative theory and creative writing, or it can be used as a supplementary reference book for readers interested in narrative fiction. The textbook is a must-read for beginning students of narratology, especially those with no or limited prior experience in this

area. It is of especial relevance to English and Humanities major students in Asia, for whom it was conceived and written.

Dandelions - Yasunari Kawabata 2019-04-04

The exquisite last novel from Nobel Prize-winning author Yasunari Kawabata Ineko has lost the ability to see things. At first it was a ping-pong ball, then it was her fiancé. The doctors call it 'body blindness', and she is placed in a psychiatric clinic to recover. As Ineko's mother and fiancé walk along the riverbank after visiting time, they wonder: is her condition a form of madness - or an expression of love? Exploring the distance between us, and what we say without words, Kawabata's transcendent final novel is the last word from a master of Japanese literature. 'Lusciously peculiar' Paris Review

Japanese Gothic Tales - Kyoka Izumi

1996-06-01

Resisting the various forms of realism popular during the Meiji "enlightenment," Izumi Kyoka (1873-1939) was among the most popular writers who continued to work in the old-fashioned genres of fantasy, mystery, and romance. Gothic Tales makes available for the first time a collection of stories by this highly influential writer, whose decadent romanticism led him to envision an idiosyncratic world--a fictive purgatory --precious and bizarre though always genuine despite its melodramatic formality. The four stories presented here are among Kyoka's best-known works. They are drawn from four stages of the author's development, from the "conceptual novels" of 1895 to the fragmented romanticism of his mature work. In the way of introduction, Inouye presents a clear analysis of Kyoka's problematic stature as a "great gothic writer" and emphasizes the importance of Kyoka's work to the present reevaluation of literary history in general and modern Japanese literature in particular. The extensive notes that follow the translation serve as an intelligent guide for the reader, supplying details about each of the stories and how they fit into the pattern of mythic development that allowed Kyoka to deal with his fears in a way that sustained his life and, as Mishima Yukio put it, pushed the Japanese language to its highest potential.

Izu Dancer and Other Stories - Yasunari

Kawabata 2011-12-20

This Japanese literature collection contains four translated stories from two of Japan's most beloved and acclaimed fiction writers. The Izu Dancer, Yasunari Kawabata's first work to bring him recognition as a writer, is a novella about six Izu Peninsula travelers. As the six travelers journey together, intimacy develops and friendship overcomes class differences.

Capturing the shy eroticism of adolescence, The Izu Dancer is a charming picture of the times. Yasushi Inoue's The Counterfeiter, although set in modern times, poses universal questions that transcend culture an era. Abasute and The Full Moon both explore themes of separation, loneliness, and isolation. Through the gloomy tales, Inoue's compassion shines, revealing yet another aspect of an author known for his vivid precision and economy of words. Inoue's stories are at least partially autobiographical, and Inoue's attitudes toward human destiny and fatalism are strongly influenced by his separation from his parents at an early age—yet all of his stories reveal his great compassion for his fellow human being.

In The Miso Soup - Ryu Murakami 2009-08-03

A rollercoaster ride from the cult master of the psycho-thriller 'A blistering portrait of contemporary Japan, its nihilism and decadence wrapped up within one of the most savage thrillers since The Silence of the Lambs' Kirkus 'Deft and fascinating ... A grisly tour of the darkness and confusion of the human mind' New York Times It's just before New Year, and Frank, an overweight American tourist, has hired Kenji to take him on a guided tour of Tokyo's nightlife. But Frank's behaviour is so odd that Kenji begins to entertain a horrible suspicion: his client may in fact have murderous desires. Although Kenji is far from innocent himself, he unwillingly descends with Frank into an inferno of evil, from which only his sixteen-year-old girlfriend, Jun, can possibly save him.

The Izu Dancer and Other Stories - □□□□

2004-09

First Snow on Fuji - Yasunari Kawabata 1999

A play and eight stories by a Japanese winner of the Nobel Prize. In the title story, an ex-husband and wife try unsuccessfully to recapture their old feelings, in another story a romance fails to

take off because he dislikes her ears.

The Cinema of Gosho Heinosuke - Arthur Nolletti 2005

The first book-length work in English of one of the most important directors of the Golden Age of Japanese cinema.

The Scarlet Gang of Asakusa - Yasunari

Kawabata 2005-04-18

A new translation of the only work not currently available in English by a Nobel-Prize winning author and the best known Japanese writer outside of Japan.
