

The Dating Of Beowulf The Dating Of Beowulf

Klaeber's Beowulf and The Fight at Finnsburg - R. D. Fulk 2008-01-01

Features an introduction and a commentary that incorporates the scholarship on "Beowulf" that has appeared since 1950. This work includes detailed bibliographic guidance to discussion of textual cruces, as well as to modern and contemporary critical concerns. It also addresses aids to pronunciation and advances in the study of the poem's language.

Dating Beowulf - Daniel C. Remein 2019-12-20

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Featuring essays from some of the most prominent voices in early medieval studies, *Dating Beowulf* playfully redeploys the word 'dating', which usually heralds some of the most divisive critical impasses in the field, to provocatively phrase a set of new relationships with an Old English poem. The volume argues for the relevance of the early Middle Ages to affect studies and vice-versa, offering a riposte to antifeminist discourse and opening avenues for future work by specialists in the history of emotions, literary theorists, students of Old English literature and medieval scholars alike. To this end, the essays embody a range of critical approaches from queer theory to animal studies and ecocriticism to actor-network theory.

Beowulf - Roy Liuzza 1999-12-06

The classic story of Beowulf, hero and dragon-slayer, appears here in a new translation accompanied by genealogical charts, historical summaries, and a glossary of proper names. These and other documents sketching some of the cultural forces behind the poem's final creation will help readers see Beowulf as an exploration of the politics of kingship and the psychology of heroism, and as an early English meditation on the bridges and chasms between the pagan past and the Christian present. A generous sample of other modern versions of Beowulf sheds light on the process of translating

the poem.

Beowulf - Michael Morpurgo 2015-02-10

"Will fire imaginations and elicit the heart-pumping, wide-eyed response that has kept this tale alive and vigorous through the ages." — Bulletin of the Center for Children's Books (starred review) Long ago a Scandinavian warrior fought three evils so powerful they threatened whole kingdoms. Standing head and shoulders above his comrades, Beowulf single-handedly saved the land of the Danes from a merciless ogre named Grendel and from his sea-hag mother. But it is his third terrible battle, with the death-dragon of the deep, in which he truly meets his match. Lovers of heroes, monsters, and the drama of battle will find this retelling as enthralling as it is tragic. Now in a handy black-and-white digest edition perfect for classroom use.

Beowulf and the Beowulf Manuscript - Kevin S. Kiernan 1996

Takes the crowning work of medieval Britain into the twenty-first century

The Audience of Beowulf - Dorothy Whitelock 2021-09-09

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this

knowledge alive and relevant.

Scyld Scefing and the Dating of Beowulf--again - Audrey L. Meaney 1988

Beowulf - Beowulf Poet 2020-05-14

Beowulf is an Old English epic poem consisting of 3,182 alliterative lines. It is one of the most important works of Old English literature. The date of composition is a matter of contention among scholars; the only certain dating pertains to the manuscript, which was produced between 975 and 1025

[A Critical Companion to Beowulf](#) - Andy Orchard 2003

This is a complete guide to the text and context of the most famous Old English poem. In this book, the specific roles of selected individual characters, both major and minor, are assessed.

Scyld Scefing and the Dating of Beowulf--again - Audrey Lilian Meaney 1989

Anglo-Saxon England: Volume 35 - Malcolm Godden 2008-01-17

Anglo-Saxon England is the only publication which consistently embraces all the main aspects of study of Anglo-Saxon history and culture - linguistic, literary, textual, palaeographic, religious, intellectual, historical, archaeological and artistic - and which promotes the more unusual interests - in music or medicine or education, for example. Articles in volume 35 include: Record of the twelfth conference of the International Society of Anglo-Saxonists at Bavarian-American Centre, University of Munich, 1-6 August 2005; Virgil the Grammarian and Bede: a preliminary study; Knowledge of wheel dyes and pigments in Anglo-Saxon England; The representation of the mind as an enclosure in Old English poetry; The origin of the numbered sections in Beowulf and in other Old English poems; An ethnic dating of Beowulf; Hrothgar's horses: feral or thoroughbred?; 'thelthryth of Ely in a lost calendar from Munich; Alfred's epistemological metaphors: eagan modes and scip modes; Bibliography for 2005.

Dating Beowulf - 2019

Featuring essays from some of the most prominent voices in early medieval English studies, *Dating Beowulf: studies in intimacy* playfully redeploys the word 'dating', which

usually heralds some of the most divisive critical impassions in the field, to provocatively phrase a set of new relationships with an Old English poem. This volume presents an argument for the relevance of the early Middle Ages to affect studies and vice versa, while offering a riposte to anti-feminist discourse and opening avenues for future work by specialists in the history of emotions, feminist criticism, literary theory, Old English literature, and medieval studies alike. To this end, the chapters embody a range of critical approaches, from queer theory to animal studies and ecocriticism to Actor-Network theory, all organized into clusters that articulate new modes of intimacy with the poem.

The Dating of Beowulf - University of Toronto. Centre for Medieval Studies 1997-01-01

A seminal collection of studies on the date of Beowulf, now back in print, that overturned previous scholarship and raised much new information.

The Transmission of "Beowulf" - Leonard Neidorf 2017-05-16

Beowulf, like The Iliad and The Odyssey, is a foundational work of Western literature that originated in mysterious circumstances. In *The Transmission of Beowulf*, Leonard Neidorf addresses philological questions that are fundamental to the study of the poem. Is Beowulf the product of unitary or composite authorship? How substantially did scribes alter the text during its transmission, and how much time elapsed between composition and preservation? Neidorf answers these questions by distinguishing linguistic and metrical regularities, which originate with the Beowulf poet, from patterns of textual corruption, which descend from copyists involved in the poem's transmission. He argues, on the basis of archaic features that pervade Beowulf and set it apart from other Old English poems, that the text preserved in the sole extant manuscript (ca. 1000) is essentially the work of one poet who composed it circa 700. Of course, during the poem's written transmission, several hundred scribal errors crept into its text. These errors are interpreted in the central chapters of the book as valuable evidence for language history, cultural change, and scribal practice. Neidorf's analysis reveals that the scribes earnestly attempted to standardize and modernize the

text's orthography, but their unfamiliarity with obsolete words and ancient heroes resulted in frequent errors. The Beowulf manuscript thus emerges from his study as an indispensable witness to processes of linguistic and cultural change that took place in England between the eighth and eleventh centuries. An appendix addresses J. R. R. Tolkien's *Beowulf: A Translation and Commentary*, which was published in 2014. Neidorf assesses Tolkien's general views on the transmission of Beowulf and evaluates his position on various textual issues.

The Beowulf Reader - Peter Baker 2013-03-07
First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

The Dating of Beowulf - Leonard Neidorf 2014
Examinations of the date of Beowulf have tremendous significance for Anglo-Saxon culture in general.

The Origins of Beowulf - Sam Newton 1994

Cogent and fascinating attempt to place Beowulf in an 8c East Anglian context - an important book. Andy Orchard, Cambridge

[Beowulf Unlocked](#) - Michael D.C. Drout
2016-08-03

The most original and ground-breaking work on Beowulf in several decades, this book uses "lexomic" methods that blend computer-assisted

statistical analysis with traditional approaches to reveal new and surprising information about the construction and sources of the greatest surviving Old English poem. Techniques of cluster analysis identify patterns of vocabulary distribution that indicate robust similarities and differences among segments of the poem. The correlation of these patterns with knowledge gained from source-study, philological analysis, and neglected previous scholarship sheds new light on the material of which Beowulf was made and the way it was composed. The implications of this investigation for the dating, structure, and cultural context of Beowulf will overturn the current scholarly consensus and significantly improve our understanding of the poem, its nature, and origins.

The Dating of Beowulf - Colin Chase

The date of Beowulf, debated for almost a century, is a small question with large ramifications. This collection of essays by leading scholars has become a standard reference for scholarship in the area.

Beowulf - John Ronald Reuel Tolkien 2014

Presents the prose translation of the Old English epic that Tolkien created as a young man, along with selections from lectures on the poem he gave later in life and a story and poetry he wrote in the style of folklore on the poem's themes.
