A dour duke. A wistful wallflower. An impossible match. Jules, Sixth Duke of Dandridge disdains Society and all its trappings, preferring the country's solitude and peace. Already jaded after the woman he loved died years ago, he's become even more so since unexpectedly inheriting a dukedom's responsibilities and finding himself the target of every husband-hunting vixen and matchmaker mother in London. Jemmah Dament has adored Jules from afar for years—since before her family's financial and social reversals. She dares not dream she can win a duke's heart any more than she hopes to escape the life of servitude imposed on her by an uncaring mother. Jemmah knows full well Jules is too far above her station now. Besides, his family has already selected his perfect duchess: a

poised, polished, exquisite blueblood. A chance encounter reunites Jules and Jemmah, resulting in a passionate interlude neither can forget. Jules realizes he wants more—much more—than Jemmah’s sweet kisses or her warming his bed. He must somehow convince her to gamble on a dour duke. But can Jemmah trust a man promised to another? One who’s sworn never to love again? _____ This charming Cinderella-like Regency historical by a USA Today bestselling author will make you smile, laugh, and sigh with contentment as you witness the sweet and tender love blossoming between Jules and Jemmah. Lover - Sarah MacLean

2013-01-29

'Fabulous' Eloisa James 'Smart, sexy, and always romantic' Julia Quinn 'For a smart, witty and passionate historical romance, I recommend anything by Sarah MacLean' Lisa Kleypas Lady Philippa Marbury is . . . odd. The brilliant, bespectacled daughter of a double marquess cares more for books than balls, for science than the season, and for laboratories than love. She's looking forward to marrying her simple fiancé and quietly living out her days with her dogs and her scientific experiments. But before that, Pippa has two weeks to experience all the rest - fourteen days to research the exciting parts of life. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a scoundrel. She needs Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. But reputations often hide the

darkest secrets, and when the unconventional Pippa boldly propositions him, seeking science without emotion, she threatens all he works to protect. He is tempted to give Pippa precisely what she wants . . . but the scoundrel is more than he seems, and it will take every ounce of willpower to resist giving the lady more than she ever imagined. This is the second novel in the Regency romance Rules of Scoundrels series by New York Times bestselling author Sarah MacLean - perfect for fans of Lisa Kleypas and Eloisa James Rules of Scoundrels series: A Rogue by Any Other Name One Good Earl Deserves a Lover No Good Duke Goes Unpunished Never Judge a Lady By Her Cover Praise for Sarah MacLean: 'Sarah MacLean has reignited the romance genre with a bolder edge' The New Yorker 'Funny, smart, feminist and roastingly hot' BookRiot.com 'Do yourself a favor and discover the compelling magic of Sarah MacLean' Amanda Quick 'MacLean writes with an

Her Scoundrel Earl - Shelly Thacker 2013-12-11

He's secretly a highwayman. So is the lady who's about to steal his heart... One of the most disreputable lords in London, Marcus Worthington is determined to bring down the man who ruined his family. There's just one obstacle in his path: the intrepid Lady Elizabeth Barnes-Finchley, a lovely young widow who's pursuing the same goal. When a pistol shot on a moonlit heath brings them together, the rivals agree to a temporary alliance to outwit their mutual enemy. But their secret partnership soon puts both their lives in danger...and falling in love was never part of the plan. An RWA RITA Award Finalist: Best Historical Romance of the Year "Five stars! Shelly Thacker is definitely becoming one of my

favorite authors. Her novels are thrilling, adventurous, fun, sexy and overall romantic." - BookDivas "I don't post many 5 star reviews on books, because in my opinion, they should be reserved for those that are the best of the best and truly move me and stay with me for a long time. They also need to be masterfully written. I gave this book 5 stars easily. I would give it more if I could. Shelly Thacker and her brilliance have done it again." - Goodreads reviewer "While reading this book, I experienced every emotion: I laughed, I cried, I sighed, I fanned myself, I felt joy and finally contentment. I didn't think Ms. Thacker could write a better book than *Escape with a Scoundrel*, but she did. Fantastic!" - Goodreads reviewer "This was such a fabulous read. Nobody does historical romance like Shelly Thacker. I was pulled in from the first page and stayed right there until the last page. Loved it!" - Goodreads reviewer An earlier edition of this novel was published by Avon Books under

the title *Midnight Raider*. This new Author's Preferred Edition has been extensively revised by the author and includes new scenes never before published. The *Escape with a Scoundrel Series* Daring ladies tangle with dashing lords who are on the wrong side of the law in these dazzling, addictive novels. Each book is a stand-alone steamy historical romance. The *Scoundrels* series can be enjoyed in any order, so dive in wherever you like and escape today! Earl of Scarborough -

Collette Cameron 2019-11-26
'Tis the season to be wicked...
When a woman desperate for a job saves the life of an earl... ..
both of their plans for the future are thwarted. He's eccentric and society-shy...
There's no polite way to

describe Ansley, Earl of Scarborough's obsession with schedules and inflexible routines. Unfortunately, he's also in need of a wife, which forces him squarely in the midst of the society he can scarcely function within. If only he dared to ignore the *haut ton's* censure and claim the lovely, wholly unsuitable Willow as his own. She seeks a governess post... Up from the country, Willow Harwood must quickly secure a governess position and save enough money to return to America. Only, her plans are foiled when she rushes to the rescue of a devastatingly handsome earl in the process of being robbed. Though he's far above her station, she can't fight the irrepressible attraction she feels toward him. Neither is prepared for the upheaval to their lives when she reluctantly accepts his offer of employment...as his housekeeper. Nor can either predict the mayhem that follows when a lord who disdains society and a country miss with no experience plan a
