rescue people from flames. But when his marriage is in danger of collapse, how far will he go to save it? Based on the beloved film *Fireproof* and the inspiration for *The Love Dare*, this New York Times bestseller reminds us that God will choose to save us every time. Growing up, Caleb Holt's wife, Catherine, always dreamed of marrying a loving, brave firefighter . . . just like her father. Now, after seven years of marriage, she wonders when she stopped being "good enough" for Caleb. Countless arguments and anger have them wanting to move on to something new, something easier, something with more sparks. As Caleb and Catherine face inevitable divorce, Caleb's father challenges Caleb to commit to a 40-day experiment: "The Love Dare." Wondering if his failing marriage is even worth the effort, Caleb reluctantly agrees, not realizing how these forty days will change his world forever. Surprised by what he discovers about the meaning of love, Caleb begins to see his wife

and marriage as worth fighting for. But is it too late? His job is to rescue others. Now Captain Holt must face his toughest job ever . . . rescuing his wife's heart. A contemporary inspirational standalone novel based off the film *Fireproof* by the makers of *Facing the Giants* and *Overcomer* Includes stills from the movie set and a bonus chapter called "The Making of *Fireproof*" by Stephen Kendrick Includes discussion questions for book clubs

The Love That Dare Not Speak Its Name - Fiza Pathan
2017-11-30

The Love That Dare Not Speak Its Name by Fiza Pathan is a collection of twenty-one original short stories, each centered on some aspect of the social, cultural, psychological, and emotional issues facing the LGBTQIA community in the world today. False prejudice has blighted much of society's sensitivity to what is necessarily a human rights issue. Ignorance has compounded it. What if you, as a parent or a family member,

are faced with this "coming out" issue? Are you aware what each term in the acronym LGBTQIA really means? Are you aware of the emotional and psychological damage you do to a loved one when you fail to understand, and/or reject, their perspective of love, sex, and acceptance? Understanding the implications of the above, the author after months of research has crafted these stories based on actual conditions existing in different countries of the world. You will meet Rocky in "(A)sexual Story," the psychiatrist Dr. Timothy in "Fix It," and Jasmine and Randy in "Human Work of Art." You will learn about DSD--Dysfunction Sexual Disorder--in "Isher" and why Bangkok is called the "Kathoei Paradise." You will shudder at the public repression of gays by ISIS in Raqqa, and learn about the dichotomy that exists in Iran. You will revel at the miracle you witness in "Topanga," cry for Sameera in "The Girls' Bathroom," and be educated by "The Gay Truth." And in all these stories and

many more, you will learn that every human being suffers like you do and rejoices as you do, and deserves the right to choose how he or she should live their life, however different we perceive them to be.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Love thinks, and it is not a mindless feeling that rides on waves of emotion and falls asleep mentally. It keeps busy in thought, knowing that loving thoughts precede loving actions. If you don't learn to be thoughtful, you end up regretting missed opportunities to demonstrate love. #2 Love requires thoughtfulness on both sides, and it teaches you how to meet in the middle and respect and appreciate how

**The Resolution for Women,
New Revised Edition -**

Priscilla Shirer 2022-11-15

A common thread runs through the life of those women who leave a lasting impact on others. Resolve. It doesn't make them perfect women, just purposeful women—women who are intentional about charting the pathway of their lives in the direction of God's promises. Living with this kind of intentionality is what this book is all about. Quickly a New York Times bestseller when it was first published, *The Resolution for Women* returns in this newly revised edition, updated with ten years' worth of fresh insights and reflections on what it means to chart a steady course through disruptive, conflicting times. Be part of another generation inspired to anchor each day and each part of their lives in the bedrock of biblical truth. Together, these resolutions become not only the commitments we make but the legacy we create, the treasures we strategically place in the path for others to follow.
