

The Pivotal Relationship

Pivotal Deterrence - Timothy W. Crawford
2003

"Crawford explains the political dynamics of pivotal deterrence and the conditions under which it is likely to succeed, while examining some of its most impressive feats and failures. German Chancellor Otto von Bismarck's agile approach to the 1870s Eastern Crisis, which prevented war between Russia and Austria-Hungary, is contrasted with Britain's ambiguous and ill-fated maneuvers to deter Germany and France in July 1914. Shifting to the 1960s Cold War, Crawford explores the successes and setbacks in U.S. efforts to prevent NATO allies Greece and Turkey from fighting over Cyprus and to defuse the Kashmir conflict between India and Pakistan."--BOOK JACKET.

The Goodbye Guide - Von Fisher 2019-05-16

OK, so let me take a wild guess and say that you or someone you know is thinking about leaving a relationship. Am I right? The truth of the matter is that relationships are a pivotal part of our lives but when you're making a decision about whether to stay in one or to leave, several questions come to mind. "Am I doing the right thing?" "What if he changes?" "Is this relationship healthy?" My friend, say hello to the "Goodbye Guide", your new best friend as you walk this journey of self-discovery and empowerment! It is the beginning of a pivotal journey of self-discovery and empowerment. The "Goodbye Guide" is a journal that will help you to understand:-Who you are as an individual, including your personal values and how that sets the stage for your relationships-What's going on in your relationship and whether your relationship is healthy and complimentary of your own lifestyle goals-Ultimately, how to either live with your current relationship or how to gracefully say, "goodbye"-As an added bonus, you'll have a few kick-ass quotes to use as mantras when you need them Thank you for trusting your journey to the Goodbye Guide. This process works if you work it.

Multinational Federations - Michael Burgess

2007-04-11

This is the first comparative volume available on multinational federations, bringing together an international range of experts on federalism.

Multinational federations are federal states intended to provide a framework that can accommodate, manage and resolve some of the most intractable political conflicts of our time that emerge from identity politics: those that stem from competing national visions, whether within or between established states. Featuring key experts in the field such as Michael Burgess, Alain Gagnon and Ronald Watts, this unique book draws on a wide geographical range of country studies including Belgium, Canada, India, Malaysia, Spain, Russia, Cyprus, India, Switzerland and the EU in order to illustrate the pivotal relationship between federalism and nationalism. In so doing, it addresses the practical relevance of federalism to the new political recognition of difference and diversity in the specific form of national minoritarianism. Multinational Federations will be of strong interest to students and researchers of federalism, democracy and nationalism.

Scripture Breakdowns - John Barrett 2021-01-22

One of the greatest ways God speaks to us is through His Word. It is impossible to truly know Him without knowing His Word. His Word is who He is. You may experience God's presence at times in your life, but you will never fully develop a relationship with Him without His Word. If you want to get to know God, get to know His Word! Through the hearing and reading of God's Word, we begin to open the lines of communication with Him. The Bible is our telephone line to God. Through it, we have conversations with Him. He shows us His heart and His ways through the principles in His word. As the Word of God is revealed in our heart, the heart of God is revealed in our life.

Pivotal - Nikki Vallance
2019-10-17

Four lives. Three siblings. Two secrets. One Pivotal moment. When a mysterious bequest throws the lives of four women into chaos, they seek support from hypnotherapist, Dr Kath O' Hannon. Thorough a process of self-discovery, their new found knowledge weighs heavily, as they unpick four decades of life choices, and are forced about the next stage of their journeys. A Pivotal is a split-narrative, relationship mystery portraying the impact of a life-changing moment on four women with seemingly unconnected lives.

The Great Ones - Ridgely Goldsborough
2009-12-09

A business fable on the power of mentors and essential keys to success in business, life, and relationships When it comes to personal and professional success, few relationships prove more vital and powerful than that of mentor and student. Unfortunately, most of us seldom gain access to a thoughtful mentor who can help guide us to success in whatever we do. In the format of a business fable, The Great Ones reveals the importance of mentors and the pivotal difference a great mentor can have on one's life. This parable follows a wise old man as he shares his pearls of wisdom with a young boy about to go out into the world on his own.

Through these poignant and sometimes painful lessons, the boy learns to navigate life's minefields, develop sound judgment, apply the law of accumulation, cement the value of giving your all, assess risk and reward, and much more. In the end, he unlocks the treasures within that we all need to become a "Great One". • A business fable that teaches critical and needed skills for life-long success in business • Reveals the ageless power of the mentor/student relationship • Perfect for anyone seeking to succeed in their chosen field who can benefit from a personal mentor • A classic guide for novice and veteran entrepreneurs looking to get to the next level Life—and business—wrought with endless ups and downs, calls out for the wisdom of a dedicated mentor and friend to help you get through them successfully. The Great Ones acts as the perfect success guide for anyone on the path to business achievement.

Self-in-Relationship Psychotherapy -

Augustine Meier 2022-07-29

In this innovative book, the authors set out their theory of Self-in-Relationship Psychotherapy (SIRP), advocating for the integration of relational, self, and physical intimacy needs in the conceptualization and treatment of psychological problems, placing human needs at the center of treatment. This marks a shift in how psychological and relational problems are understood, currently being perceived in terms of affects, cognitive processes and behaviors. Using numerous illustrations from their own clinical practice, Meier and Boivin contend that this understanding overlooks the pivotal role that needs play in all aspects of peoples' personal lives and relationships. Children, adolescents, and adults do not live primarily from feelings and thoughts, but from basic psychological and relational, needs such as wanting to be in a meaningful relationship, having the autonomy and freedom to make decisions about their lives, experiencing being competent, being regarded as a significant and important person, and experiencing emotional, intimate, and sensual and/or sexual connections. By taking such an approach this book stands out among other books on psychotherapy theories. Authored by two seasoned psychologists who have provided therapeutic services to children, adolescents, and adults for 40 years, this book comprises the foundational theory for practicing Self-in-Relationship Psychotherapy, making it of interest to graduate students, clinicians in training, and practicing psychologists, social workers, and psychotherapists alike.

Kabbalah and Healing: A Mystical Guide to Transforming the Four Pivotal Relationships for Health and Happiness - Maggy Whitehouse 2020-07-31

What Maggy Whitehouse has discovered, over more than a quarter of a century of studying, teaching and writing books on Kabbalah, is that, used as a tool for inspiration, Kabbalah is a magical loom on which we can weave our healing, and from that healing, we become an agent of healing for the World. Kabbalah tells us exactly where, when, how and why we may be out of alignment with health, finances and relationships and, just as importantly, how to realign ourselves. For Maggy, it began with chronic lack of self-esteem which, in turn, led to

many a humiliation, widowhood, shark attack, failed emigration, debt, divorce, shame, misery, hatred and what the doctors called an incurable illness which now no longer exists. It can be summed up, in a way, by how the first eight aspects led to the final one and how Kabbalah taught Maggy how to heal them, from finish to start. After all, 'incurable' surely means 'curable from within'.
