50 Ways to Lick Your Lover - Ken Besseder 2009-09

50 Ways to Lick Your Lover is based on a very special sexual voyage. Although K. and I had our

generation's usual outrageous expectations: great sex, perpetual youth, good weed and Beatlemania forever, we had no idea that in our forties an explosion of sexuality resided within us. Nothing we had experienced previously prepared us for a shattering, all-encompassing love life. Our lovemaking sessions generated numerous multiple orgasms (sometimes up to 20 or more each time we made love) in an ascending crescendo that began when just one was achieved only with the intervention of a vibrator, bath or bidet and it grew and expanded and unfolded into something so rare and remarkable often lasting all weekend -- that we thought we should contact a sex research institute. I am sharing this story of how that happened with others in the hopes that their intimate life will be enhanced by reaching peaks they've never encountered. Couples can enjoy 50 Ways together and women should take it home to help their men become better lovers. I hope you enjoy reading it as much as I enjoyed experiencing it.
