Life is Short, Wear Your Party Pants - Loretta Laroche 2004-02-01

Loretta La Roche has helped millions of people find ways to lighten up and overcome stress. Now, in *Life Is Short—Wear Your Party Pants*, she gives you the tools you need to not only reduce feelings of tension, but also to bring joy, passion, and gusto into your life. Her techniques are a brilliant blend of old-world common sense and the most contemporary research in brain chemistry, psychology, and mind-body studies. Loretta gives you dozens of proven techniques for recognizing the ten simple truths that will lead you to an intense, happy, successful life: resilience, living in the moment, optimism, acceptance, humor, creativity, moderation, responsibility, meaning, and connection. Loretta's wisdom evolved from her own life—one filled with the demands of being a single mother of three; of starting her own business when she was broke; and of the wacky invasiveness of her Italian family. She's like all of us: real, flawed, stressed out, and on edge. Her magic comes from an ability to not take herself too seriously, and to always shift her focus away from the self-destructive and toward the truly important things in life. In her work, Loretta has seen tens of thousands of people who live their lives as if they're sitting in a waiting room, hoping that their turn comes up next. This book will show you that life is not something to be endured, but is something to be truly appreciated. We need to remember how to access our inner abundance, which allows us to be heart-centered, joy-filled human beings. As Loretta says: "Yesterday is history, tomorrow is a mystery, and today is a gift—that's why they call it the present."

[The Mastery of Self](#) - don Miguel Ruiz 2016-05-23

Renowned Toltec wisdom teacher don Miguel Ruiz Jr. reveals how the tools of awareness, understanding, and unconditional love can free your authentic self. The Toltecs were an ancient civilization that predated the Aztecs. They believed that life as we perceive it is a dream. We each live in our own personal dream, and our collective dreams come together to shape the "Dream of the Planet." But problems arise when we forget that the dream is just that—a dream, and not a fixed reality. *The Mastery of Self* takes the Toltec philosophy of the "Dream of the Planet" and the personal dream and explains how we can: Wake up from our illusions Liberate ourselves from the inhibiting stories we all tell ourselves Live as our true, authentic, loving selves Once released, we can live our authentic lives not only in solitude and meditation but anywhere—at the grocery store, stuck in traffic, and so forth—and in any situation or scenario that might confront us. Each chapter includes rituals, meditations, and other practices to manifest Toltec wisdom in our lives.

The Three Questions - Don Miguel Ruiz 2018-06-26

The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

The High-Conflict Couple - Alan Fruzzetti 2006-12-03

You hear and read a lot about ways to improve your relationship. But if you've tried these without much success, you're not alone. Many highly reactive couples—pairs that are quick to argue, anger, and blame—need more than just the run-of-the-mill relationship advice to solve their problems in love. When destructive emotions are at the heart of problems in your relationship, no amount of effective communication or intimacy building will fix what ails it. If you're part of a "high-conflict" couple, you need to get control of your emotions first, to stop making things worse, and only then work on building a better relationship. *The High-Conflict Couple* adapts the powerful techniques of dialectical behavior therapy (DBT) into skills you can use to tame out-of-control emotions that flare up in your relationship. Using mindfulness and distress tolerance techniques, you'll learn how to deescalate angry situations before they have a chance to explode into destructive fights. Other approaches will help you disclose your fears, longings, and other vulnerabilities to your partner and validate his or her experiences in return. You'll discover ways to manage problems with negotiation, not conflict, and to find true acceptance and closeness with the person you love the most.

The Circle of Fire - Don Miguel Ruiz 2013-08-09

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

Wisdom of the Shamans - don Jose Ruiz 2018-05-02

For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

The Voice of Knowledge - Don Miguel Ruiz 2010-02-01

Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. "We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection." — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A New York Times bestseller • Over 300,000 copies sold in the U.S.
