Insight On Astrology III -
Lamar J. Young 2020-09-18
Who are you? Who are they? Who are we? Why did this happen? And where do we go from here? These are the kinds of questions commonly asked as we try to find meaning—meaning in our purpose and meaning in our existence. Our species is engaged in a continual evolutionary process that causes us to question not only other humans and the things

happening around us but also ourselves. Examining intent and motivation is a key component in the process of unraveling the mysteries associated with our existence in the here and now. The Insight on Astrology series is a tool we can utilize in getting answers and understanding context. Rooted in the tenets of metaphysics, this book, along with Young's two prior books, *What's the Deal with My Sign* and *What's the Deal with Your Sign*, is a part of a library of resources that may make you, as well as others, appreciate astrology, where seeking a deeper meaning beyond the generic and arbitrary is the ultimate goal. Given some of the rather profound challenges our species faces as we move further into the twenty-first century, your letting the *Insight on Astrology III: Your Access and Guide to Context* book be a part of your reading selection is indeed a wise choice. Though varied in our perception and behavior, we're nonetheless intractably interconnected, and *Insight on*

Astrology III: Your Access and Guide to Context may be that beacon in mending it altogether, where it all simply makes sense. Enjoy, and may your reading be fulfilling!

relationships, including: • Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself? • Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner? • Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.
