

# A Parents Guide To Preventing Homosexuality

**Far From the Tree** - Andrew Solomon 2012

The National Book Award-winning author of *The Noonday Demon* explores the consequences of extreme personal differences between parents and children, describing his own experiences as a gay child of straight parents while evaluating the circumstances of people affected by physical, developmental or cultural factors that divide families. 150,000 first printing.

*Gay Children, Straight Parents* - Richard Cohen 2009-11

HOPE AND HEALING FOR FAMILIES Out of his own experience and the experience of many of those he has served in his counseling practice, Richard Cohen sets out a step-by-step plan that offers a path toward renewed family relationships grounded in love, faith and mutual respect....

**God's Grace and the Homosexual Next Door** - Alan Chambers

*101 Frequently Asked Questions About Homosexuality* - Mike Haley  
2004-06-01

"101 Probing Questions...101 Compassionate and Scriptural Answers "from" Focus on the Family's Mike Haley" Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture. Homosexuals are adopting children, appearing as characters on television programs, taking vacations catering to an exclusively gay clientele, and even seeking the right to "marry" their partners. But is this acceptance healthy for society Few topics can raise so many questions so quickly. And for many readers, those questions hit close to home as they learn of the homosexuality of a loved one or close friend. Here are the answers to the most often asked questions about homosexuality, fielded by an expert on the subject...and a former homosexual himself.

*Reparative Therapy of Male Homosexuality* - Joseph Nicolosi 1997

1. non-gay homosexuals: who are they 2. the politics of diagnosis 3. the failure of the mental health profession 4. The importance of the father-son relationship 5. formation of the father son bond 6. failure of the father son relationship 7. problems emerging in childhood 8. other factors: mother and family relations 9. physiogenetic factors 10. associate features of the homosexual personality 11. homosexual love relationships 12. gay sexuality 13. the refusal to acknowledge pathological elements 14. the treatment 15. the therapeutic relationship 16. therapeutic issues 17. group psychotherapy 18. the initial interview 19. the issues of individual psychotherapy 20. the process of group therapy.

*Sin, Sex, and Democracy* - Cynthia Burack 2008-04-17

Explores the Christian Right's use of tailored rhetorics to advance multiple and varied antigay political projects.

**Re-affirming the Core:** - Bryan Shen 2023-03-15

Re-affirming the Core is the follow-up to author Bryan Shen's first book, *The Un-affirmed Core*, which sought to remove misconceptions, prejudice, and negative attitudes of people in conservative-religious communities against people with homosexuality. Thereafter, several civil and religious leaders asked him, "Now that you have turned our attitudes around, what do we do?" With the deluge of shallow information and disinformation on the Internet, the urgency to know how to help and protect people struggling silently with non-heterosexuality is increasing every day. The present volume arises from this urgency. In this book, Bryan has put together a structured framework where the psycho-social-familial development of non-heterosexuality can be understood. The knowledge and advice is drawn from his interactions with a population

that is very deeply hidden and afraid and is therefore unknown in most media. With support, society can help everyone deal with these complex and sensitive issues.

**The Truth About Same-Sex Marriage** - Erwin W. Lutzer 2009-12-17

HEADLINE: Is it really that big of a deal? A May 2009 Gallup poll revealed that fifty-seven percent of Americans oppose same-sex marriage, while only forty percent are in favor of it (down from forty-six percent in 2007). This short, easy-to-read book helps shed light on what so many people believe, and why they ought not be at a loss about what to do now. The headlines only tell part of the story. In this revised and updated version of his bestselling book, Dr. Erwin Lutzer clearly and accurately depicts the truth about what is at stake here. By asking the right questions and by pinpointing the very real ramifications of same-sex marriage this handbook will help guide reality back to Truth. Dr. Lutzer expertly answers the questions that so many individuals, parents, friends, and families are asking: -How did we get to this point? -Why is marriage, as God intended it, better—and healthier? -How can I talk to my kids about this? -How do I responsibly read, watch, and filter the news? -Is there still hope? Let no one say that we have to choose between loving homosexuals and opposing same-sex marriages. Biblically, love is defined not as license to legitimize sinful behavior of any kind, but love helps us see that there is a better way. Obviously, we must be as concerned about our own sins as we are about the sins of the homosexual community. We must be concerned enough to speak out about any action, heterosexual or homosexual, that violates God's intended plan for marriage and the family. This simple, straightforward look at the issue of same-sex marriage will equip you to know what is really happening and, most importantly, why it matters for you.

**The Big Smallness** - Michelle Ann Abate 2016-02-12

This book is the first full-length critical study to explore the rapidly growing cadre of amateur-authored, independently-published, and niche-market picture books that have been released during the opening decades of the twenty-first century. Emerging from a powerful combination of the ease and affordability of desktop publishing software;

the promotional, marketing, and distribution possibilities allowed by the Internet; and the tremendous national divisiveness over contentious socio-political issues, these texts embody a shift in how narratives for young people are being creatively conceived, materially constructed, and socially consumed in the United States. Abate explores how titles such as *My Parents Open Carry* (about gun laws), *It's Just a Plant* (about marijuana policy), and *My Beautiful Mommy* (about the plastic surgery industry) occupy important battle stations in ongoing partisan conflicts, while they are simultaneously changing the landscape of American children's literature. The book demonstrates how texts like *Little Zizi* and *Me Tarzan, You Jane* mark the advent of not simply a new commercial strategy in texts for young readers; they embody a paradigm shift in the way that narratives are being conceived, constructed, and consumed. Niche market picture books can be seen as a telling barometer about public perceptions concerning children and the social construction of childhood, as well as the function of narratives for young readers in the twenty-first century. At the same time, these texts reveal compelling new insights about the complex interaction among American print culture, children's reading practices, and consumer capitalism. Amateur-authored, self-published, and specialty-subject titles reveal the way in which children, childhood, and children's literature are both highly political and heavily politicized in the United States. The book will be of interest to scholars and students in the fields of American Studies, children's literature, childhood studies, popular culture, political science, microeconomics, psychology, advertising, book history, education, and gender studies.

[On Brokeback Mountain](#) - Eric Patterson 2008-01-17

*On Brokeback Mountain* provides accessible, close, and comparative readings of the story and the film, discussing them in relation to the social history of sexual minority men in America. By analyzing the literary and artistic traditions of the homoerotic pastoral, the popular tradition of the Western, and the tradition of the tragic romantic love story, the book explores the American cultural construction of masculinity, friendship, and sexual relationships between men, and the

sources and effects of homophobia.

Healing Homosexuality - Joseph Nicolosi 1997-11

Albert - The Little Boy Within; Tom - The Married Man; Father John - The Double Life; Charlie - The Search for the Masculine Self; Dan - The Angriest Man; Steve - The Seeker of Male Symbols; Edward - Agony of a Youth; Roger - "Do I Really Want to Be Here?"; Men Together - How Group Therapy Heals; How Reparative Therapy Works.

Loving Homosexuals as Jesus Would - Chad W. Thompson 2004-11-01

Chances are you know someone who is gay--a coworker, family member, or friend. And chances are, as a Christian, you're not exactly sure how to relate to this person. While the church has been pretty good at "hating the sin," it hasn't really known how to "love the sinner" without fear of condoning a homosexual lifestyle. Chad Thompson, a man who has struggled with homosexual feelings, argues that "homosexuality needs to be solved through relationships." Drawing from the life and words of Jesus, Thompson gives readers permission to love and befriend homosexuals before they change--and radically, even if they never change--their sexual orientation. This candid book includes an appendix of additional resources. It will be a valuable tool for pastors, teachers, counselors, and any Christian who knows someone who is gay.

**A Parents Guide to Preventing Homosexuality** - Joseph Nicolosi 2017-03-10

In this groundbreaking book, Joseph Nicolosi uncovers the most significant factors that contribute to children's healthy sense of themselves as male or female.

**Now that You Know** - Betty Fairchild 1979

"One of the most important books about gay people yet published, *Now that you Know* is a challenging and enlightening guide for the 20 to 40 million parents in the United States who may be faced with the knowledge that a son or daughter is homosexual. It was written by two mothers of gay children and draws on dozens of candid interviews with gay men and women and their parents. The authors discuss the nature of homosexuality, its effect on the lives and careers of children, the prospects for gay relationships, and the troubling question of religion.

They tell parents how to respond supportively to gay children and how to keep families together in a bond of understanding and affection. Finally, they describe the nationwide Parents of Gays groups, which encourage parents to share their experiences and learn to help one another."-- Publisher's description.

**Seven Steps to Recruit-proof Your Child** - Scott Douglas Lively 1998  
"Did you know: that any child can be recruited into homosexuality--and that, once recruited, more than half never recover? ... that many parents help the 'gay' movement to recruit their children without even knowing it? ... that your child may be far more vulnerable to recruitment than [sic] you ever imagined? Don't wait until it's too late! Recruit-proof your child!"--Back cover.

**Transformative Encounters** - David W. Appleby 2013-07-12

What would it mean for Christian counseling and pastoral care to take seriously the idea that God intervenes in the world? In this volume more than twenty of the best pastoral counselors, clinicians, and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice. *"I Could Not Speak My Heart"* - University of Regina. Canadian Plains Research Center 2004

This anthology of 19 articles documents the pain & misunderstanding that lesbian, gay, bisexual, & transgendered people have experienced in the very recent past and demonstrates the real progress, both in theory & in practice, that has been made in the struggle for equity & social justice. The articles include autobiography, testament, fiction, poetry, and traditional personal & analytic essays, from authors with different intellectual perspectives: human rights, social reform & human justice, feminist, liberationist, and queer theory.

*A Parent's Guide to Preventing Homosexuality* - Joseph Nicolosi 2002-10-30

Homosexuality: is it learned, biological or both? The answer to this question deeply concerns parents. They want to know how they can best raise their children. A common belief today is that nothing can be done to foster the development of healthy heterosexual orientation in children.

But the clinical experience and professional research of Dr. Nicolosi and others indicates otherwise. In this groundbreaking book Joseph and Linda Ames Nicolosi uncover the most significant factors that contribute to a child's healthy sense of self as male or female. Listening to moving recollections from ex-homosexual men and women who describe what was missing in their own childhoods, the Nicolosis provide clear insight for identifying potential developmental roadblocks and give practical advice to parents for helping their children securely identify with their gender. Replete with personal stories from parents, children and ex-homosexual strugglers, *A Parent's Guide to Preventing Homosexuality* offers compassion and hope for all those parents who seek to lay a foundation for a healthy heterosexual identity in their children.

**Handbook of Therapy for Unwanted Homosexual Attractions: A Guide to Treatment -**

**Gay Children, Straight Parents** - Richard Cohen 2016-02-19

Hope and Healing for Families Out of his own experience and the experience of many of those he has served in his counseling practice, Richard Cohen sets out a step-by-step plan that offers a path toward renewed family relationships grounded in love, faith and mutual respect. "Richard is movingly candid about the brokenness in his own family life, and he's not afraid to get down in the trenches and cry, mourn and laugh with everyone else who struggles. This book offers sound practical advice

for healing family relationships." Joseph Nicolosi, author of *Reparative Therapy of Male Homosexuality and Preventing Homosexuality: A Parent's Guide* "This book helped us go from shock and disbelief to an understanding of what happened to our son who experiences same-sex attractions. It showed us how to develop an action plan to help heal the wounds of his heart . . . and gave us real hope." Bob & Sue "We all want the best for our children. Please read this book and follow Richard's suggestions for building a healthy parent-child relationship, one based on unconditional love and mutual respect." Regina Griggs, national director, PFOX "I enthusiastically recommend *Gay Children, Straight Parents* as a must-read for every parent facing the difficult discovery of their child's homosexuality. Richard's compassionate approach relieves the stigma and shame often associated with a loved-one's homosexual struggle." Janelle M. Hallman, LPC "A helpful resource for parents who are intentional about loving their children well." Katherine M. Allen, LPC and director, Sought Out, Inc. "It is with gratitude to Richard for filling so many voids in the world of healing same-sex attraction, and for his continuing leadership and distinctive insights, that I highly recommend this long-awaited text." Arthur Goldberg, codirector, JONAH, and president, PATH "Words cannot express the gratitude that we feel in our hearts for the incredible enlightenment that we have received from *Gay Children, Straight Parents*. This book has changed the life of our family and helped our daughter heal from same-sex attractions." Michael & Linda
