Reflections in a Golden Eye -

Carson McCullers 2015-03-17
The classic tale of marriage, infidelity, and homosexual yearning on a Southern army base by the acclaimed author of *The Ballad of the Sad Café*. Georgia, 1930s. Army bases are notoriously boring places during peacetime, but the quiet life of Captain Penderton is thrown into turmoil by the arrival of dashing ladies' man Major Langdon. Penderton's marriage has always been tempestuous, but when his wife Leonora begins an affair with Langdon, Penderton finds himself increasingly unable to mask his attraction to the handsome young private he has assigned to do his yard work.

And tensions rise to explosive levels as that private develops a dangerous infatuation with Leonora. A scandal when it was first published in 1941, *Reflections in a Golden Eye* was later adapted into a film starring Marlon Brando, Elizabeth Taylor, and Robert Forester.

Hemlock and After - Angus Wilson 2012-08-02

On its appearance in 1952 the *Times Literary Supplement* called *Hemlock and After* 'a novel of remarkable power and literary skill which deserves to be judged by the highest standards'. Angus Wilson's first novel is concerned with the hypocrisies of middle-class society. The protagonist,

~~Bernard Sands, is a novelist~~ and an intellectual who tries to found a centre for young writers. However, Sands is a secret homosexual and in the post-war Britain of the time his liberal ideas cause much anxiety to those in charge. Surrounded by false friends and scheming enemies Sands has to come to terms with his emotions and is forced to decide where his loyalties lie. A compassionately written novel *Hemlock and After* explores the conflict of duty and love in one man's life and the consequences of our choices. Written at a time when homosexuality was still an offence *Hemlock and After* is a brilliantly handled novel from a writer who was described by John Betjeman as 'mercilessly accurate and never dull.'

The Dog Star - Donald Windham 1950

The novel tells the story of a young Southern man who is haunted by the suicide of his best friend from reform school. *Gay American Novels, 1870-1970* - Drewey Wayne Gunn 2016-02-22

~~Examining the development of~~ gay American fiction and providing an essential reading list, this literary survey covers 257 works—novels, novellas, a graphic story cycle and a narrative poem—in which gay and bisexual male characters play a major role. Iconic works, such as James Baldwin's *Giovanni's Room* and Christopher Isherwood's *A Single Man*, are included, along with titles not given attention by earlier surveys, such as Wallace Thurman's *Infants of the Spring*, Dashiell Hammett's *The Maltese Falcon*, Julian Green's *Each in His Darkness*, Ursula Zilinsky's *Middle Ground* and David Plante's *The Ghost of Henry James*. Chronological entries discuss each work's plot, significance for gay identity, and publication history, along with a brief biography of the author.

[The Cambridge Companion to the Latin American Novel](#) -

Efraín Kristal 2005-05-26

The diverse countries of Latin America have produced a lively and ever evolving tradition of

~~novels, many of which are read~~ **The City and the Pillar** - Gore Vidal 1965
 in translation all over the world. This Companion offers a broad overview of the novel's history and analyses in depth several representative works by, for example, Gabriel García Márquez, Machado de Assis, Isabel Allende and Mario Vargas Llosa. The essays collected here offer several entryways into the understanding and appreciation of the Latin American novel in Spanish-speaking America and Brazil. The volume conveys a real sense of the heterogeneity of Latin American literature, highlighting regions whose cultural and geopolitical particularities are often overlooked. Indispensable to students of Latin American or Hispanic studies and those interested in comparative literature and the development of the novel as genre, the Companion features a comprehensive bibliography and chronology and concludes with an essay about the success of Latin American novels in translation.

Imre: A Memorandum - Edward Prime-Stevenson
 2023-11-21
 This novel is set in Budapest, Hungary and is about gay male friendships. It is called a memorandum because it is autobiographical and was written to hopefully help and support those gay men who found themselves confused and anxious because of their sexuality.
Gay and Lesbian Literary Heritage - Claude J. Summers
 2014-02-25
 The revised edition of The Gay and Lesbian Literary Heritage is a reader's companion to this impressive body of work. It provides overviews of gay and lesbian presence in a variety of literatures and historical periods; in-depth critical essays on major gay and lesbian authors in world literature; and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary

traditions. Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world. New articles in this volume feature authors such as Michael Cunningham, Tony Kushner, Anne Lister, Kate Millet, Jan Morris, Terrence McNally, and Sarah Waters; essays on topics such as Comedy of Manners and Autobiography; and overviews of Danish, Norwegian, Philippines, and Swedish literatures; as well as updated and revised articles and bibliographies.

Lord Dismiss Us - Michael Campbell 1968

The novel deals with issues of homosexuality in an English boys' public school.

The King Must Die - Mary Renault 1958

Ancient Athens paid tribute to its Cretan overlord each year by sending the finest of its sons and daughters to Crete each year to be trained for "bull-dancing", a sport that cost the Athenian youths their lives. Theseus, prince of Athens, substitutes himself for one of

the youths and sails out to meet his fate in the ring.

Lost Gay Novels - Anthony Slide 2013-04-03

Searching for an introduction to the shadowy, intriguing world of early 20th century gay-themed fiction? In *Lost Gay Novels*, respected pop culture historian Anthony Slide resurrects fifty early 20th century American novels with gay themes or characters and discusses them in carefully researched, engaging prose. Each entry offers you a detailed discussion of plot and characters, a summary of contemporary critical reception, and biographical information on the often-obscure writer. In *Lost Gay Novels*, another aspect of gay life and society is, in the words the author, "uncloseted," providing you with an absorbing glimpse into the world of these nearly forgotten books. *Lost Gay Novels* gives you an introduction to: authors who aren't usually associated with homosexuality, including John Buchan, James M. Cain, and Rex Stout the history of

gay publishing in the US and abroad gay themes in novels published between 1917 and 1950—with entries from nearly every year! the ways in which the popular culture of the time shaped the authors' attitudes toward homosexuality the difficulty of finding detailed biographical information on little-known authors If you're interested in gay studies or history, or even if you're just looking for a comprehensive guide to titles you've probably never heard of before, *Lost Gay Novels* will be a welcome addition to your collection. The introduction from author Slide—called by the Los Angeles Times “a one-man publishing phenomenon”—provides you with an overview to the basics of this landmark collection. Themes found in many of the titles include death, secrecy, and living a double life, and in reading the entries you will discover just why these themes are so common. As Slide says in his introduction: “The approach of the novelist toward homosexuality may not always

be a positive one... but the works are important to an understanding of contemporary attitudes toward gay men and gay society.” *Lost Gay Novels* will help you further your own understanding of the dynamic relationship between literature and culture, and you will finish the book with a greater appreciation of modern American gay fiction.

A Story of Karma - Michael Schauch 2020-09-29

A deeply personal travel memoir that combines alpine adventure, family connections, and spiritual encounters in two very different worlds: a Himalayan village and Vancouver, Canada. In 2012, Michael Schauch and his wife, Chantal, undertook an expedition deep in the Himalaya of northern Nepal, into a remote valley that had been closed off to outsiders for decades. They led a team of artists (a photographer, a musician, and a painter), with the objective of capturing a moment in time through their unique lenses. As a mountaineering fanatic,

Michael had a second (and less conspicuous) goal to climb an unknown mountain he had only identified through a photograph. What unfolded in the mountains forced him to question his values and his own identity, and eventually resulted in meeting a little girl, which was the most profound encounter of his life. Little did either know that from that moment they would completely change the trajectory of each other's life. A Story of Karma recounts this journey, and the years that follow as Karma (the little girl), and Michael and Chantal grow their lives together amidst the confusing dichotomies and backdrop of Karma's 17th-century Himalayan village; the impoverished and polluted Kathmandu; and the modern world of Vancouver, Canada.

The Last of the Wine - Mary Renault 1956

City of Night - John Rechy
2011-03-01

Bold and inventive in style, City of Night is the groundbreaking 1960s novel about male

prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

The Little Crooked

Christmas Tree - Michael Cutting 2007-10-01

A Single Man - Christopher Isherwood 2012-02-29

Isherwood's short, poignant novel is a tender and wistful love story Celebrated as a masterpiece from its first publication, A Single Man is the story of George, an English professor in suburban California left heartbroken after the death of his lover, Jim. With devastating clarity and humour, Isherwood shows George's determination to carry on, evoking the unexpected pleasures of life as

triumph over loneliness and alienation. 'A virtuoso piece of work...courageous...powerful' Sunday Times 'This mix of humour and stoicism in the face of pent-up grief is essential Isherwood' Guardian *Gay Novels of Britain, Ireland and the Commonwealth, 1881-1981* - Drewey Wayne Gunn 2014-10-13

While American gay fiction has received considerable scholarly attention, little has been given to developments in other English-speaking countries. This survey catalogs 254 novels and novellas by some 173 British, Irish and Commonwealth authors in which gay and bisexual male characters play a major role. Arranged chronologically from the appearance of the first gay protagonist in 1881, to works from the onset of the AIDS epidemic in 1981, in-depth entries discuss each book's publication history, plot and significance for the construct of gay identity, along with a brief biography of its author. Including iconic works like

The Sins of the Cities of the Plain - Jack Saul 2021-05-11

The Sins of the Cities of the Plain (1881) is an erotic novel attributed to Irish prostitute Jack Saul. Published by William Lazenby, a prominent printer of Victorian erotica, *The Sins of the Cities of the Plain* is considered to be one of the first works of literature dedicated to homosexuality in the English language. "'Saul, Jack Saul, sir, of Lisle Street, Leicester Square, and ready for a lark with a free gentleman at any time. What was it made you take a fancy to me? Did you observe any particularly interesting points about your humble servant?' as he slyly

looked down towards the prominent part I have previously mentioned." Having met by chance at Leicester Square, Jack Saul, a successful prostitute—colloquially known as a "Mary-Ann" or "rentboy"—agrees to accompany Mr. Cambon to his home at the Cornwall Mansions. After sharing a meal, the two men get down to business, exploring their young bodies and devoting themselves to pleasure. Curious about Jack's past, Cambon offers him money to share the story of his life. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack Saul's *The Sins of the Cities of the Plain* is a classic work of Victorian erotic fiction reimagined for modern readers.

A Marriage Below Zero -

Alan Dale 2017-11-30

A Marriage Below Zero is the first novel in English to explicitly explore the subject of male homosexuality. Written by a British émigré to America, the New York theater critic

Alfred J. Cohen, under the pseudonym of "Alan Dale," this first-person narrative is told by a young Englishwoman, Elsie Bouverie, who gradually discovers that her new husband, Arthur Ravener, is romantically involved with another man. Denounced on publication ("a saturnalia in which the most monstrous forms of human vice exhibit themselves shamelessly," wrote one reviewer), the novel was published during the public exposure of a London homosexual brothel frequented by upper-class men and telegraph boys. A Marriage Below Zero reflected late-nineteenth-century fears and anxieties about homosexuality, women's position in marriage, and the threat that seemingly new, illicit forms of desire posed to marriageable women and to the Victorian family.

This Broadview edition includes excerpts from the era's pro-homosexual tracts, scientific and legal documents, contemporary feminist commentary on the new "dandyism," and newspaper accounts of late-Victorian same-sex scandals. Highlights of the volume include excerpts from Charles Dickens's 1836 account of his visit to Newgate Prison, where he witnessed the last two men in Britain executed for sodomy, George Bernard Shaw's 1889 unpublished letter attacking the social purity movement's legislation against homosexual men, and a never-before-reprinted 1898 article from Reynolds's Newspaper, "Sex Mania," that warned of an increasing number of homosexual men choosing to enter marriages as a cover for an illicit life.
