Will Buddy be able to keep his secret when all eyes are on him? Or will the glitz and glam of Hollywood prove too much for this alien superstar? "Alien Superstar has it all . . . action, suspense, and big laughs!" —Jeff Kinney, author of the Diary of a Wimpy Kid series "Henry Winkler and Lin Oliver keep us laughing while slipping in a lesson for kids—accept everyone as they are, even if they have suction cups for feet. Alien Superstar is a super fun read for middle grades on up." —Jennifer Garner "A funny interstellar adventure that will have readers watching the cosmos for the second book to arrive." —SLJ Review "Winkler and Oliver bring their sharply honed sense of comedy and extensive experience in the television industry to Buddy's antics on the set. . . . This results in an endearingly strange protagonist that will resonate with any kid who has felt like an outsider. A sense of humor and empathy are required for this zany adventure." —Booklist

My Alzheimer's Diary - Raynetta Manees 2015-06-19

"Mom, I think you may have Alzheimer's." These words were life changing for award winning novelist Raynetta Manees. Alzheimer's disease had already ravaged three generations of her family--her grandmother, mother, and brother. Now it was her turn to face the harrowing prospect of dementia for her own future. She shares her apprehensive journey of Alzheimer's diagnosis in this, her first non-fiction book. Manees focuses on the process of Alzheimer's diagnosis. This critical phase of the deadliest form of dementia is often inadequately addressed amid data on dementia warning signs and caregiver guidelines. Manees tackles this somber subject respectfully, but also with the light and often humorous touch that is her trademark. The book is a memoir, but additionally gives informational and technical insight, including the projected "Alzheimer's Tsunami."

As he approaches his fortieth birthday, nearing the age where his father was killed in a brutal revolution, he drifts through this endlessly addictive and sometimes mystical city, through its slow days and bottomless nights, wondering whether he will ever escape the damage left by his father's death.
