

Art People Love

Love - The Love Collective 2020-06

Beginning in 2013, a group of people in Wollongong, Australia, got together to talk about love. The result was *Love: Art, Ideas, Music, Politics*, a series of events which bring together like-minded people to celebrate love and to explore what love means to us today via art, ideas, music and politics. The contributors to this book were part of the *Love: Art, Ideas, Music, Politics* experience. Most were involved in the love festivals, some were members of the organising collective, some had attended the love reading groups, some had facilitated workshops, and others had only just heard of the love group and/or the festivals via the call for contributions to the book. The result is an eclectic collection of musings on love that will inspire and challenge you to reflect on what love is. It includes essays, creative nonfiction, poetry, artworks, songs, photographs and drawings. This book invites readers on a journey to find out what love means to us today.

Ovid: Ars Amatoria, Book III - Ovid 2003

This is a full-scale commentary devoted to the third book of Ovid's *Ars Amatoria*. It includes an Introduction, a revision of E. J. Kenney's Oxford text of the book, and detailed line-by-line and section-by-section commentary on the language and ideas of the text. Combining traditional philological scholarship with some of the concerns of more recent critics, both Introduction and commentary place particular emphasis on: the language of the text; the relationship of the book to the didactic, 'erotodidactic' and elegiac traditions; Ovid's usurpation of the *lena's* traditional role of erotic instructor of women; the poet's handling of the controversial subjects of cosmetics and personal adornment; and the literary and political significances of Ovid's unexpected emphasis in the text of *Ars III* on restraint and 'moderation'. The book will be of interest to all postgraduates and scholars working on Augustan poetry.
...And I Still Love You: The Art of Loving Imperfect People - Danielle Branche-Brown

2020-10-15

Discussed in this book are concepts of acceptance, empathy and grace, balance and equality, communication, vulnerability, trust, and security. These will all be tied into what I call unconditional love.

The Art of Loving - Erich Fromm 2013-02-26

The landmark bestseller that changed the way we think about love: "Every line is packed with common sense, compassion, and realism" (Fortune). *The Art of Loving* is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, *The Art of Loving* is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

Look At This If You Love Great Art - Chloë Ashby 2021-06-01

Look At This If You Love Great Art is a must read for anyone with a passion for exceptional art. Featuring 100 of the best artworks ever produced, inside is a collection of insightful summaries on just what it is that makes each one so vital. Art writer Chloë Ashby talks you through the pieces that resonate with her, revealing the fascinating stories behind them and offering her considered take on why each work should be regarded as a pinnacle of artistic endeavour. With entries curated to offer a unique juxtaposition of styles, mediums and schools of art, expect a contemporary take on

classic artworks, where titans of art history cross paths with under-appreciated examples from outside the traditional canon, and where rebellious visionaries blaze trails that still influence today's cutting-edge artists. Covering all the most important genres of art - Abstraction, Pop Art, Surrealism, Renaissance art, Impressionism and more - this engaging summary only deals with artworks that really matter and the reasons why you have to see them.

Love in Art (Classic Reprint) - Mary Knight Potter 2017-11-23

Love in Art examines the romantic impulse in the visual arts, using examples both famous and obscure to take the reader on a passionate journey. Mary Knight Potter opens her book with an introduction in which she states that while love is likely the inspiration for more artistic works than anything else, sculptures and paintings rarely receive recognition for being works about the passion of men and women. The purpose of the book is thus to examine love in the visual arts and present a brief synopsis to the reader. The book is divided into chapters, each of which examines a different subject matter. Chapters focus on Greek art, Biblical love stories and their artistic representations, mythological love scenes as painted, wives and lovers of artists, and several other topics. Each section contains references to specific works of art, often times accompanied by an illustration demonstrating the work to the reader. Mary Knight Potter's passion for art is apparent from the first page. This is a thoroughly researched and well-articulated treatise on the subject matter. Potter presents works of art, both popular and unfamiliar, that demonstrate the emotional connection made between two people. Art historians will certainly find Potter's take on several well-known pieces to be fascinating, as the author approaches these works from a sometimes unconventional angle. Love in Art is a book that will appeal to any reader whose interest is piqued by art history. Potter's exploration of love makes this a pleasant read and one approachable by the layman. If you are at all interested in the subject matter, this book is a worthwhile addition to your personal library. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.

Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Art of Falling in Love - Joe Beam 2013

Describes the lovepath, the author's process for finding and maintaining true love.

First Dates - Fred Sirieix 2016-09-22

'There's someone out there for all of us...' First Dates, Channel 4's runaway hit TV show, has captured the hearts of the nation. Each week millions of us cosy up on our sofas to watch nervous singletons arrive in the restaurant in the hope of finding love. Now Fred Sirieix, the insatiably charming Maître'd of the First Dates restaurant, is here to help all of us - whether we're on a quest to find 'the one', or simply want to discover more about how to connect with someone and sustain the magic. With his unique take on romance, Fred reveals his recipe for a perfect date, and hopefully a perfect match. This beguiling book brings the First Dates world to the page: all the heart-warming twists and turns of the most awkward meal of the daters' lives, the larger-than-life characters we have grown to love, and the timeless wisdom of Fred and his team. They share their match-making secrets: from breaking the ice to dealing with surprises and getting to grips with the rules of attraction, along with all the toe-curling moments and across-the-table triumphs as couples seek to find The One. This is First Dates. This is The Art of Love.

The Art of Love - Bud Harris 2010-05

Are you:-- seeking to renew a relationship? -- considering a new relationship? -- troubled with establishing a long-term relationship? -- divorced and trying to understand why your marriage failed? -- experiencing problems in love, romance, sex, intimacy or marriage? -- a therapist or counselor who would like to provide an accessible resource for your clients? -- Millions of books on relationships have been

printed over the years. Why do we need another? We need *The Art of Love: The Craft of Relationship* for the same reasons that over four and a half million readers wanted Spencer Johnson's *Who Moved My Cheese*. Following Johnson's methods of teaching to a broad, modern audience, *The Art of Love: The Craft of Relationship* presents the profound principles that form a loving relationship in an easily accessible manner. Using a very simple approach, it will help people shift their attitudes and provide them with the skills to create loving, long-lasting partnerships. There are so many titles in print on change because it is an ongoing challenge for most of us. So are relationships. With more than six decades of experience working with couples, we knew we had vital information, lessons, and insights to share, but we insisted that the book be short, engaging, and easy to read. A helpful book does not have to be dense to be packed with wisdom, skills, and ideas that can open the door to a new era of fulfilling relationships. We have brought complex material and common sense into a format that is carefully constructed to achieve results by being communicative and consistent, enjoyable and hopeful. Unlike the textbook appearance of most self-help books that include psychological jargon, case examples and exercises, *The Art of Love: The Craft of Relationship* uses stories and dialogue to teach profound insights and valuable skills. It sticks to people talking in a way the reader can identify with and understand. It brings hope because the reader who is experiencing stress in a relationship can see that other people, like them, are, too. And, that learning a few basic skills can bring lasting change and renew love. The best news is that our book will be useful to many people because it will give them a new way to look at their relationship and the skills to handle problem after problem in a way that builds love and trust. Our mission is to appeal strongly to those who are considering a relationship, seeking to renew one, or are looking for a way to understand a partner and a process for dealing with problems in love, romance, sex, intimacy and living together.

My Art Book of Love - Shana Gozansky

2018-10-08

A tender and wise ode to love, illustrated with an expertly curated selection of fine art for young children Art, like anything else, is only as meaningful and interesting as it is relatable. For toddlers and preschoolers, connecting their own experiences of love to those they see on the canvas allows them to truly engage with the material. 35 full-page artworks feature love in all its forms, accompanied by a brief and gentle read-aloud text. Each artwork's title and artist's name are included as secondary read-aloud text, for true integration of narrative and information. This stylishly compact art book is this first title in the My Art Book series, which suits lovey and artsy families alike! Ages 2-4

The Art of Seeing - Mihaly Csikszentmihalyi

1990

Suggests ways to raise levels of visual literacy and enhance artistic enjoyment.

How To Make Art - Mel Elliott 2015-04-16

'Every child is an artist; the problem is staying an artist when you grow up' - Pablo Picasso This isn't your usual art manual. It's for big kids everywhere everyone who loved getting covered in paint and glue at school and would secretly

love to do it more often. It's also for people who love pop culture: comedy, trashy TV, great TV, pop videos, pop stars and pop music. And not only does it help you harness your inner creativity, it's also a lot of fun! Mel Elliott, doyenne of the cool colouring book and the crazy paper doll, imparts the secrets of her expertise, giving you in-depth tutorials on how to create funky collages, make cool wonky lettering, paint the skin tones of the stars and much, much more. With more pop culture references than you can throw a Justin Bieber CD at, this book will have you drawing, painting, cutting and colouring before you can say 'Welcome to Pawnee', using your newly learned skills and indulging your own personal tastes to create works of art to be proud of. After all, how better to learn to paint than by painting Kate Moss?
Word count: 15,000

The Art People Love - Margaret W. Beyer 1999
The Art People Love is a perceptive, extensively illustrated overview of Richard Beyer's work written by his wife, Margaret Beyer. In addition, The Art People Love serves as a guide to Beyer's sculptures, located throughout the Northwest.

[The Art of Love](#) - Kate Bryan 2019-07-02
The Art of Love tells the stories of the most fascinating couples of the art world, exploring the passionate, challenging and loving relationships behind some of the world's greatest works of art. From Frida Kahlo and Diego Rivera to Joseph Cornell and Yayoi Kusama, Josef and Anni Albers to Gilbert & George - Kate Bryan delves into the formation, and sometimes breakdown, of each romance, documenting their highs and lows and revealing just how powerful love can be in the creative process. Whether long-lasting, peaceful collaborations, or short-lived tumultuous affairs, The Art of Love opens the door on some of the greatest love stories of the twentieth century. The relationships: Françoise Gilot & Pablo Picasso; Frida Kahlo & Diego Rivera; Carl Andre & Ana Mendieta; Christo & Jeanne-Claude;

Robert Delaunay & Sonia Delaunay; Lee Krasner & Jackson Pollock; Barbara Hepworth & Ben Nicholson; Georgia O'Keeffe & Alfred Stieglitz; Lee Miller & Man Ray; Max Ernst & Dorothea Tanning; Jasper Johns & Robert Rauschenberg; Elaine de Kooning & William de Kooning; Maria Martins & Marcel Duchamp; Hans Arp & Sophie Taeuber-Arp; Raoul Hausmann & Hannah Hoch; Josef Albers & Anni Albers; Gwendolyn Knight & Jacob Lawrence; Kay Sage & Yves Tanguy; Nancy Holt & Robert Smithson; Marina Abramovic & Ulay; Gilbert & George; Joseph Cornell & Yayoi Kusama; Carroll Dunham & Laurie Simmons; Camille Claudel & Auguste Rodin; Maud Hunt Squire & Ethel Mars; Frances Loring & Florence Wyle; Alexander Rodchenko & Varvara Stepanova; Niki de Saint Phalle & Jean Tinguely; Leon Golub & Nancy Spero; Lili Elbe & Gerda Wegener; Bernd Becher & Hilla Becher; Emilia Kabakov & Ilya Kabakov; Tim Noble & Sue Webster; Idris Khan & Annie Morris

The Forgotten Art of Love - Armin A. Zadeh, MD, PhD, MPH 2017-10-27

Explore the many facets of our most valued emotion
Cardiologist and professor Armin Zadeh revisits psychologist Erich Fromm's *The Art of Loving*, a book that has fascinated him for decades. *The Forgotten Art of Love* examines love in its complex entirety — through the lenses of biology, philosophy, history, religion, sociology, and economics — to fill in critical voids in Fromm's classic work and to provide a contemporary understanding of love. This unique and wide-ranging book looks at love's crucial role in every aspect of human existence, exploring what love has to do with sex, spirituality, society, and the meaning of life; different kinds of love (for our children, for our neighbors); and whether love is a matter of luck or an art that can be mastered. Dr. Zadeh provides a fascinating, empowering guide to enhancing relationships and happiness — concluding with a provocative vision for firmly anchoring love in our society.
