*Sexual Radiance* Susan Taylor (Ph. D.) 1998 Sexual Radiance is the first book to feature a step-by-step 21-day program that incorporates the latest findings from scientific research with simple techniques derived from tantric yoga in order to open up the lower chakras and increase the flow of sexual energy. Drawing on her background in biochemistry, Dr. Taylor explains how surprisingly simple adjustments to diet can radically enhance metabolism, thus fueling the creation of energy, specifically sexual energy. By following Dr. Taylor's program of nutrition, exercise, and breathwork in *Sexual Radiance*, readers can achieve a more profound level of sexual fulfillment and a healthier life.

Womb Wisdom Padma Aon Prakasha 2011-01-21 Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the

practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

**The Art of Everyday Ecstasy** Margot Anand 1999-04-20

"Ecstasy is about waking up and finding that you are in love with life." Most people think of ecstasy in terms of sexual ecstasy, which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now, in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture—what Anand calls the "anti-ecstatic conspiracy"—has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences—the moments of epiphany called Ecstatic Awakenings, and Everyday Ecstasy, or the Ecstasy of Flow, a connection to our power and inner wisdom—can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies—the seven chakras—as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body, mind, heart, and spirit—"to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully

*Fishers of Men* Adam Elenbaas 2010-07-22 In the tradition of memoirs like Daniel Pinchbeck's 2012 and Jim Carroll's *The Basketball Diaries*, Adam Elenbaas's *Fishers of Men* chronicles his journey from intense self-destruction and crippling depression to self-acceptance, inner awareness, and spiritual understanding, through participation in mindexpanding-and healing ayahuasca ceremonies in South America and beyond. From his troubled and rebellious youth as a Methodist minister's son in Minnesota, to his sex and substance abuse-fueled downward spiral in Chicago and New York, culminating in a depressive breakdown, Elenbaas is plagued by a feeling of emptiness and a desperate search for meaning for most of his young life. After hitting rock bottom at his grandfather's house in rural Michigan, a chance experience with psychedelic mushrooms convinces him that he must change his ways to achieve the sense of peace that he has always desired. Several subsequent psychedelic experiences inspire him to embark on a quest to South America and take part in a shamanic ceremony, where he consumes ayahuasca, a jungle vine revered for its spiritual properties. Over the course of nearly forty ayahuasca ceremonies during four years, Elenbaas discovers the truth about his own life and past, and begins to mend himself from the inside out. *Fishers of Men* is the gripping,
