Towpath - Lori De Mori 2020

A lot has changed since Towpath first rolled up its shutters 10 years ago on the Regent's Canal in Hackney and everything but the toasted cheese sandwich was cooked from home across the bridge. And a lot hasn't. It is still as much a social experiment as a unique and beloved eatery. What happens when seasonality

means you close every year in November, because England's cold, dark winters are simply inhospitable to hospitality from a little perch beside a shallow, manmade waterway that snakes through East London? What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water? If you don't have a phone or a website, because you'd rather people just show

up like (hungry) kids at a playground? Towpath is a collection of recipes, stories and photographs capturing the vibrant cafe's food, community and place throughout the arc of its season - beginning just before the first breath of spring, through the dog days of summer and culminating - with fireworks! - before its painted shutters are rolled down again for winter.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context.

You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Set In Stone - Dakota Willink 2018-01-19

Two declarations of love and a past that won't set them free. Alexander I had rules. Krystina broke them. That's just the way things were. But that didn't mean I didn't want to make her my wife. She exemplified the triskelion, representing my past, my present, and my future. Without her, I am nothing. But then the past returns to rear its ugly head. As it turned out, I wasn't the only one with a secret. Everything I believed is nothing but a lie. The strangling grip of chaos squeezes until I can't breathe. I don't know who I am anymore. The only thing I can do is go back to being the man I once was—to the only place where I once knew control. Krystina Alexander was the glue holding my shattered soul together. This should've been one of the happiest times in my life, but the darkness still looms. I thought I knew the man I committed myself to but more questions continue to arise. I don't know if Alexander is who he says he is. It all happened so fast. Everything we fought so hard to overcome is threatened in the blink of an eye. Now I'm faced with a terrible decision: go against Alexander in order to save him or sit idly by and watch as his world shatters around him. No matter my choice, it could destroy the very thing our relationship was built on. Trust. The heart-wrenching and seductive story of Alexander and Krystina continues with *Set In Stone*, the powerfully moving third book in The Stone Series.

Coffee Shop Girl - Katie Cross 2023-02-08

The First book in the Coffee Shop Series! Bethany: This coffee shop is going to kill me. Sure, it's my dad's dream. If he hadn't died eight months ago, I wouldn't be here, a college drop out, trying not to drown in debt. Nor would I be staring into the muddy eyes of a viking-sized man that's telling me everything I'm doing wrong-as if he knows so much about business in a small mountain town. Except he does. And when the biggest, most unexpected surprise of all falls in my lap, I'll have no choice but to ask for his help. Time for some power lipstick. Maverick: This girl is drowning. She might have eyes like glacier pools and hair so black it's glossy, but that doesn't mean she knows how to run a coffee shop. She's drowning in more than debt, interest, and credit card payments. She'll never make it. But I kind of want her to. Because underneath that bright lipstick and those sun dresses is a woman that I have an uncomfortable feeling is about to rock. my. world. This is a clean, contemporary romance with sizzle and spice-but no sex scenes. Guaranteed bantering and happily ever after.

Show Your Work! - Austin Kleon 2015-11-04

Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris, tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagi karya membuatmu kaya! " ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu."-Paul Arden [Mizan, Noura Books, Karya, Hidup, Berkarya, Kerja, Indonesia]

The Art of Asking - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.
