Social Work Practice and Men Who Have Sex With Men - Sherry Joseph
2005-07-13

"The book argues that understanding the stress that men who have sex with men experience and their coping strategies will assist sympathetic groups and professionals to work with this community. It maintains that helping professions like social work can help - through various interventions and by adopting individual, group and community approaches - this population and create a better and more tolerant environment for them."--BOOK JACKET.

Growing Your Bisexual Group - Wayne M. Bryant 2002

Bisexual Politics - Naomi S Tucker 2014-06-11

This anthology presents a vivid collection of essays that explore the history, strategies, philosophy, and diversity of bisexual politics and theory in the United States. The 33 contributors develop a multifaceted approach to defining bisexual politics. Through these voices, the book seeks to understand the contexts in which the bisexual movement has evolved. The authors analyze different organizing strategies, formulate new bisexual political theory, provide a vision of future directions for redefining sexuality and gender, and educate activists and allies about current issues pertinent to the bisexual community. This book is the first of its kind. To date, it is the only book that documents and analyzes bisexual politics and theory. While existing literature on bisexuality has focused on identity, coming out, and forming communities, Bisexual Politics takes the vital next step into bisexual political theory and activism. The many subjects and subthemes addressed in Bisexual Politics appeal to a multitude of readers from activists to academics, from friends and family of bisexuals, to those who have struggled with bisexuality. It is a sourcebook for those seeking to locate bisexuality in the schema of other social justice movements. It is a tool to build alliances with other progressive groups, and build coalitions with both lesbian/gay and heterosexual communities. It is a primer for anyone interested in bisexual activism and theory.
