*The Sex Slave Murders* - R. Barri Flowers 2011-07-08

THE SEX SLAVE MURDERS chronicles the kidnapping-murders of serial killers Gerald and Charlene Gallego. A marriage made in hell... Barely five feet tall, sweet and innocent looking, Charlene Gallego used all of her charms to beguile pretty teenage girls and young women into the back of a van, where her lethal husband, Gerald, lay waiting. A killer couple bound together by secrets, lies, and sex slave fantasies... Married multiple times and still in his early thirties, Gerald Gallego found the perfect companion in Charlene. Over a grisly period of twenty-six months, their bloody and brutal rampage of kidnapping, rape, and murder spanned three states and claimed eleven lives. In this much more frightening than fiction tale of domination, depraved lust, substance abuse, violence, and murder, bestselling criminologist R. Barri Flowers tells the whole story of a couple's twisted relationship, their ghastly crimes and ability to elude the law, how they were finally captured, and the two riveting trials that ultimately pitted wife against husband with the stakes higher than either once imagined in their murderous bond..

On July 6, 1984, the raped and mutilated body of Kathryn Martini Lissy was found at the Valley River Inn in Eugene, Oregon. This book follows the FBI's search for and capture of Darren Dee O'Neill, a serial killer whose ability to change his appearance kept him out of the reach of the authorities, and describes his violent sexual crimes. But in reality, O'Neill was a nightmare of savage, sexually violent crimes that put him on the FBI's Most Wanted list. Here is the bone-chilling true story of the twisted killer whose masterful ability to change appearances confounded authorities again and again...and a mother's agonizing search for her missing daughter. It is the story, too, of the brilliant police work and startling psychic detection that teamed with a family's outrage to bring him to justice. **An Early Grave** - Gary C. King 2011-04-01

On September 17, 1998, police found Las Vegas gambling magnate Ted Binion lying dead on the floor of his palatial home, an empty box of Xanax beside him. The police had been called by Binion's live-in lover, Sandra Murphy, 23, a California girl who had been working in a Vegas strip club when Binion had first met her. At first it seemed it was a fatal drug overdose that killed the handsome multi-millionaire. But was it? A few days later, Binion's "friend" Rick Tabish was arrested for trying to break into a vault where the eccentric millionaire had stored seven million dollars' worth of silver bars and coins. Family members hired ex-homicide detective-turned-private investigator Tom Dillar to start digging into the case. Dillard turned over the evidence he collected to Las Vegas police. What they found led to Binion's death being ruled a homicide and Murphy and Tabish's arrest for murder. The state said they were greedy lovers who'd conspired to kill Binion before they could strike Murphy out of his will, while the defense claimed that his vengeful family was trying to railroad Murphy to keep her from inheriting her fair share of the estate. The two sides collided in court, amid lurid charges and countercharges of physical abuse, drug use and illicit passion, in what became the Southwest's Murder Trial of the Century!

The true crime story of sex killer Westley Allan Dodd--his victims were too small to fight...and too young to die! Includes eyewitness execution report. By all appearances, twenty-nine-year-old Westley Allan Dodd was the perfect all-American boy—model high school student, camp counselor and U.S. Navy enlistee. But behind his mask of normalcy lurked a predatory sex fiend with a seventeen-year history of appalling acts of molestation and violence. Children were his victims and the parks of the Pacific Northwest his personal hunting grounds. On September 4, 1989, his unnatural desires had driven him past simple satisfaction to abduct, torture, and kill two young boys in Vancouver, Washington. Undetected despite his record, Dodd killed a third innocent victim only weeks later near Portland, Oregon. *The Murder of Meredith Kercher* - Gary C King 2010-11-28

One morning in early November 2007, police in the beautiful Italian city of Perugia made a gruesome discovery. The body of a young English exchange student from the University of Leeds, Meredith Kercher, was found under a blood-soaked duvet in her room in the small cottage she shared with other students. Her throat had been cut...Meredith's

flatmate Amanda Knox, an American also studying in Italy, initially gave evidence that implicated Patrick Lumumba, the owner of a local bar, and he was arrested. However Knox changed her story - claiming her memory had been affected by smoking cannabis - and another man, local drifter Rudy Guede, was arrested, charged with murder and, after a 'fast track' trial, found guilty. But the story didn't end with Guede's conviction. What was Amanda Knox's role on the night of the murder? Prosecutors suspected that Guede, Knox and her Italian boyfriend Raffaele Sollecito had killed Meredith in a perverted sexual game that went too far. With allegations of inaccurate forensic evidence, police brutality, blackmail and even devil-worship, the trial was destined to be a long and complex affair. Top true-crime author Gary C King presents the whole story behind the real-life courtroom drama that has made headlines around the world.

*The World's Most Bizarre Murders* - James Marrison 2010-06-07

Take, for example, Enriqueta Marti who kidnapped children from the streets of Barcelona, then boiled away their flesh and crushed their bones for ingredients for her coveted 'magic potions'. Or take Randy Kraft, known as The Scorecard Killer, a computer genius by day and a deranged psychopath by night. Finally arrested with a corpse slumped in the passenger seat of his car, it emerged that Kraft had spent over a decade cutting up and disposing of his numerous victims along the California highways. In this stomach-churning collection, all the stories have one thing in common - a unique bizarre twist. True crime writer James Marrison draws upon the material that has featured in the hugely successful column *The Murder File* in cult magazine *Bizarre* in order to disclose the kind of sickening deeds that are perpetrated more often than you might think, but which sometimes go largely unreported by the media. Welcome to *The World's Most Bizarre Murders* - the most shocking true crime book you will ever read.
